

Discounts on Your Smart Phone For ACTRA Members

View and redeem savings from a variety of merchants available on your smart phone. Powered by Endless Savings & More (ESM), this program is available to ACTRA Members and their families.

How It Works

- Install the ACTRA version of the ESM App on your smart phone to view available savings
- GPS automatically shows merchants and savings that are closest to your current location
- Tap on any merchant to view actual offers & tap on any offer for redemption details
- For physical locations, you typically show the offer on your smart phone at payment

Getting Started

- **On your smart phone** (not your laptop or PC), go to the ESM Mobile Website at: www.ESMobileApp.com to download the ACTRA version of the ESM App.
- During registration you will be asked for an "organization code":

The ACTRA "Organization Code" is: **actra**

- When you first link to the ESM App you may get a pop-up message asking to use your current location. Tap "OK", "Allow" or "Accept". ESM uses "locations services" or GPS to automatically show you offers that are closest to your current location first.

How to Save Hundreds

- Check out the ACTRA "Exclusive Offers" and save hundreds with special ACTRA cell phone rates from Rogers. ACTRA "Exclusive Offers" always appear first when you tap the ESM App.
- Savings or discounts per offer vary by merchant and value of purchase but average about \$10 per redemption. When in the mall or your shopping district, tap the app to view nearby savings. Use the app a couple of times a month to save additional hundreds per year.
