

ACTRA and CAEA Joint Statement

In keeping with the CAEA/ACTRA Reciprocal Agreement, both ACTRA and CAEA urge our members to respect each other's jurisdictions and uphold the professional integrity of our organizations by refusing to accept engagements from Producers who are not signatory to the CAEA/ACTRA Agreements.

Furthermore, we call upon our members to not work under collective agreements in our jurisdiction that have been negotiated by a rival union (i.e. CLAC).

Signed this 24th day of September, 2002
