

“These agencies are pursuing a union-busting strategy aimed at employing non-union actors and lowering standards for everyone in our industry.”

Directors Take Action in support of ACTRA performers

Thank you to the Directors Guild of Canada (DGC) for standing with ACTRA members in our fight for fair and equitable treatment of unionized commercial actors. Canadian directors understand we must stand together to stop any attempt to gut our agreements or lower the standards in the industry.

Watch for more messages of support and solidarity this week from other industry organizations and sibling unions and guilds.
