activity, or any other basis prohibited by applicable federal, provincial, or territorial law.

- (b) The Performer and the Union agree that neither will discriminate against any Producer or fellow Performer or refuse to work for any Producer or with any Performer because of race, colour, ancestry, place of origin, political belief, religion, marital status, family status, physical or mental disability, sex (which incorporates pregnancy and breast-feeding), sexual orientation, gender identity or expression, and age.
- (c) **Equitable Engagement Opportunities for Performers with Disabilities.** In respect of any available Roles that require a Performer to portray a person with a disability, the Producer will take appropriate steps to ensure that Performers with disabilities have a reasonable opportunity to audition for such Roles. When a Performer with a disability is engaged, the Producer shall provide accommodation when required by applicable human rights legislation. The Producer will liaise with the Union prior to casting these Roles with a Performer who does not have a disability.

A403 Affirmative Action

All Roles in a Production shall be open to all Performers regardless of race, colour, ancestry, place of origin, political belief, religion, marital status, family status, physical or mental disability, sex (which includes pregnancy and breast-feeding), sexual orientation, gender identity or expression, or age, except those Roles which may be restricted because of specific requirements. In initiating casting sessions, Producers shall indicate, as known, those Roles which are so restricted.

A404 Anti-Union Discrimination Prohibited

The Producer shall not discriminate against or intimidate any Performer for reasons of membership in the Union or for Union activity outside working hours or for the exercise of rights in this Agreement or in legislation.

A405 Freedom from Racial, Sexual and Personal Harassment

The Union and the Producers (the “Parties”) agree that everyone should be able to work without fear of harassment or violence, in a safe and healthy environment. The Parties further agree to work cooperatively with each other so that the principles of this section are honored.

- (a) The Producer shall use its best efforts to maintain a working environment that is free from sexual, racial, or personal harassment, violence and discrimination on grounds prohibited by the *BC Human Rights Code* as it may be amended from time to time. Currently, the prohibited grounds include race, colour, ancestry, place of origin, political belief, religion, marital status, family status, physical or mental disability, sex (which incorporates pregnancy and breast-feeding), sexual orientation, gender identity or expression, and age. To that end, the Producer shall comply with all applicable obligations pursuant to human rights and health and safety legislation.
- (b) For the purposes of this Article, sexual harassment includes without limitation, behavior such as:

- (i) unwanted attention of a sexual nature made by a person who knows or ought reasonably to have known that such attention is unwanted;
 - (ii) implied or expressed promise of reward for complying with a sexually oriented request;
 - (iii) implied or expressed threat of reprisal, in the form of either actual reprisal or denial of opportunity, for refusal to comply with a sexually oriented request; and
 - (iv) sexually oriented remarks and/or behaviour that may reasonably be perceived to create a negative psychological and/or emotional environment for work.
- (c) For the purposes of this Article, racial harassment includes engaging in a course of comment or conduct that is known or ought reasonably to be known to be unwelcome, where such comment or conduct shows disrespect or causes humiliation to a Performer because of the Performer's race, colour, ancestry, or place of origin, and may include:
- (i) actions or comments that are known or ought reasonably to be known to create an intimidating, demeaning or offensive work environment;
 - (ii) actions or comments that may be reasonably perceived to demean, belittle, compromise or cause personal humiliation or embarrassment; and
 - (iii) any act of intimidation or threat.
- (d) For the purposes of this Article, personal harassment includes any comment or conduct that is known or ought reasonably to be known to be unwelcome or offensive, which creates an unduly intimidating working environment, which denies individual dignity and respect or which threatens the economic livelihood of that individual.
- (e) When a Performer believes that this Article has been breached in any way, the Performer shall immediately inform the Producer or its designated representative, either directly or with the assistance of a Union representative, of the unwelcome or offensive comment or conduct. When authorized by the complainant, the Union representative shall immediately make the complaint known to a representative of the Producer. The Union will refer the complainant to the Producer's harassment policies and encourage the complainant to notify the Producer. In any event, the Union will request permission to notify the Producer of the complaint. The Performer has the discretion to make the Performer's disapproval known to the individual whose conduct is in question. The Producer shall take immediate steps to investigate the complaint in as discreet and confidential a manner as possible, and to take appropriate action, up to and including dismissal, against any person found to have violated this Article. The Producer shall inform the complainant, and the Union (if the Union has been involved in bringing the complaint), that it has undertaken and concluded an investigation.
- (f) Because of the sensitive nature of these types of complaints, all Parties shall address and resolve these complaints promptly and in as confidential a manner as possible.

- (g) The Producer will develop a statement on anti-harassment and violence prevention which will be communicated to the cast and crew prior to or on the first day of production. The Producer shall be deemed to have developed such statement where the statement replicates the language of paragraphs (a) to (f) of this Article.
- (h) The Parties agree that a Producer shall have just and reasonable cause to cancel a Performer's engagement for purposes of Article A1905 of the BCMPA if the Performer violates this Article of the BCMPA or violates the Producer's statement on anti-harassment and violence prevention by engaging in harassing and/or violent behaviour towards any other individual engaged on the Production, or by not respecting the statement.
- (i) Retaliation or reprisals against any Performer by a Producer or any person acting on the Producer's behalf who, in good faith, raises a bona fide complaint pursuant to this Article will not be tolerated.

A406 Performers with Disabilities

Casting or production facilities which are accessible to Performers with disabilities shall be used when such facilities exist and are available. The Producer agrees to provide reasonable accommodations for Performers with disabilities in accordance with and to the extent required by the BC Human Rights Code and any other applicable legislation.

In accordance with and to the extent required by the provisions of any legislation applicable to disability or accessibility, including the BC Human Rights Code, the Producer agrees to provide reasonable accommodations for hearing-impaired and/or visually impaired performers during interviews, auditions, and any engagement.

A407 All Performers to be Members or Permittees

The Producer shall not require a Performer to work in any Production with anyone who is not either a member of the Union or the holder of a work permit issued by the Union. However, a Performer may participate in any Production with persons covered by the exclusions of this Agreement (see Article A215 Performer).

A408 Risk of Artistic Competence

The Producer assumes the risk of artistic competence of a Performer.

A409 Production Information

The Producer shall submit to the Union office not later than forty-eight (48) hours whenever possible and in any event not less than twenty-four (24) hours, prior to the first scheduled working day, the following information when known, on the form reproduced in Appendix "C" (Production Information Sheet):

A410 No Casting Fees Permitted

No person, firm, or corporation engaged or subcontracted by the Producer to cast, hire, employ, or otherwise engage Performers (including Background Performers) may be engaged by a Producer if the effect is to avoid the requirements of this Agreement. In particular, an agency, person, firm, or corporation hired or otherwise engaged by the Producer, whether for compensation or gratuitously, to contract a Performer or a group of Performers may not charge a fee to the Performer(s) if the effect of this fee would be to compensate the Performer(s) at rates or conditions below the minimums of this Agreement.

A411 Right to Negotiate Above Minimum Terms

The Producer shall not restrict the right of the Performer to negotiate terms (including rates or fees) and conditions in excess of the minimum provisions of this Agreement. While the Producer may advise that a Role has been budgeted at Minimum Fees, such advisement, in oral or written notices, must state that Performers who work above Minimum Fees are welcome to audition and will be considered.

A412 Assignment of Wages

Except as otherwise provided in this Agreement, all payments shall be made directly to the Performer unless written authorization has been received by the Producer from such Performer authorizing payment to another party. Payment will also be made to another party in the event of a Court Order.

A413 Administration Fees

(a) **UBCP Fees**

The Producer shall assist in defraying the cost of administering the terms of this Agreement by paying to the Union as an administration fee, if the Producer is a Member in Good Standing of the Canadian Media Producers Association (hereinafter "CMPA") or a Canadian Affiliate of the Alliance of Motion Picture and Television Producers ("AMPTP") (the "Associations") as of the date of the remittance of the administration fee, a sum equal to one percent (1%) of the Gross Fees paid to all Performers ("Gross Performers' Fees") engaged by the Producer for the Production to a maximum of one thousand five hundred dollars (\$1,500) per Production or Episode. However, if the Gross Performers' Fees in respect of a Production (excluding a Series) exceeds two million dollars (\$2,000,000), the above-noted maximum administration fee shall be three thousand dollars (\$3,000).

In respect of new live action television Series and Pilots, UBCP shall forgive payment of administration fees otherwise payable under the provisions of this Article A413(a) (Administration Fee) for the first two (2) seasons of the Series only.

(b) **CMPA Fees**

If the Producer is a Member in Good Standing of the CMPA as of the date of the remittance of the administration fee, the Producer shall pay a sum equal to one percent (1%) of the Gross Performers' Fees, to a maximum of three thousand dollars (\$3,000) per Production or Episode, to the Canadian Media Producers Association – BC Producers Branch (hereinafter “CMPA-BC”). However, if the Gross Performers' Fees in respect of a Production (excluding a Series) exceeds two million dollars (\$2,000,000), the above-noted maximum administration fee shall be five thousand dollars (\$5,000). The CMPA confirms its right to modify the CMPA fee at any point at its sole discretion. This provision may not be reduced or waived without the written agreement of the CMPA-BC.

(c) **AMPTP Fees**

A Producer who is a Canadian Affiliate of the AMPTP shall pay any levies which may be due to the AMPTP directly to the AMPTP.

(d) **Non-Member Producer**

If the Producer is not a Member in Good Standing of the CMPA or a Canadian Affiliate of the AMPTP as of the date of the remittance of the administration fee, a sum equal to four percent (4%) of the Gross Performers' Fees, with no maximum for any Production or Episode, shall be sent directly to the Union. All amounts collected under this paragraph shall be divided as follows: fifty percent (50%) shall be retained by the Union and fifty percent (50%) shall be paid to the CMPA-BC. The Union shall remit the CMPA's share of the administration fee collected pursuant to this paragraph, itemized by Production, to the CMPA-BC within thirty (30) days of the end of each calendar quarter. This provision may not be reduced or waived without the written agreement of both the Union and the CMPA-BC.

(e) These fees shall be computed by the Producer on a weekly basis and sent to the Union office, or the appropriate association, with a complete remittance breakdown at the same time that Insurance and Retirement remittances are made under Article A37.

(f) A Member in Good Standing of the CMPA is defined as a member whose payments to the Association for membership dues and administration fees are up to date.

(g) The Union will send to the Associations, on an ongoing basis, a list of all Productions containing the title of the Production, the name and address of the Producer, the shooting dates, location, and the Producers' Association membership as declared.

(h) **UBCP Residuals Administration Fee**

To partially defray the cost of monitoring and enforcing the provisions of Section “C” (Distribution Rights and Use Options) of this Agreement, each Producer shall remit to the Union one-half percent (0.5%) of Gross Fees paid to all Performers engaged in the production of a Production. The parties agree that the amount of the residuals administration fee payable hereunder, shall be subject to the following maximums:

For a Television Series: \$250 per Episode, subject to a maximum of \$1,500 per season.

For any other Production: \$1,500.

A414 Assignment of Wages to pay Union Dues

- (a) Pursuant to the *Labour Relations Code*, R.S.B.C. 1996, c. 244, s. 16, and the *Employment Standards Act*, R.S.B.C. 1996, c. 113, s. 22, the Producer and the Union agree that the Producer will honour a Performer's written assignment of wages to the Union unless the assignment is declared null and void by the B.C. Labour Relations Board or is revoked in writing by the assignor. The Producer will also deduct, upon request of the Union, any fines, assessments or arrears in membership dues that are not prohibited by the *Labour Relations Code*. The Producer will remit to the Union the fees and dues deducted along with a written statement containing the names of Performers for whom deductions were made, the amount of each deduction along with a copy of any revocation of the assignment. The Union shall hold the Producer harmless for any costs or damages arising from the fines, assessments or membership dues deducted by the Producer.
- (b) This provision shall not apply to members of any other labour organization who are engaged under the collective agreement of their home labour organization.

A415 Subcontractor

The Producer shall require any "subcontractor" engaged to carry out any of the functions required to make or exploit a Production in British Columbia and Yukon to apply rates which are not less than the rates set forth in this Agreement and to adhere to all the other terms and conditions of this Agreement. This requirement shall be a condition of engagement of such a subcontractor, and the Producer shall be liable in the event of a breach by this person, firm, or corporation. Notwithstanding the foregoing the Producer may contract with any person to perform specialized work such as, but not limited to aerial, underwater, or miniature work. Before contracting with any person to perform specialized work, the Producer will engage in a discussion with the Union, (which may include, where practicable, a meeting at the Union's request) of the reasons for contracting out such specialized work. This Article A415 (Subcontractor) does not apply to stock footage.

A416 Production Records

- (a) The Producer shall maintain complete and accurate records with respect to Performers. Such records shall include the following:

 - (x) Updates of the shooting schedule.
 - (xi) Casting notices / breakdown.
- (b) The Producer shall provide the daily call sheet to the Union representative designated for the Production/Program when provided to the cast and crew. If such call sheet is not available, such information as is normally included in the call sheet will be supplied to the Union's designated representative. The Union will maintain the confidentiality of the information provided.
 - (c) The Producer shall advise the Union of the name of the person having responsibility for production liaison with Performers engaged for a Program. The production liaison shall attempt to redress Performer complaints and shall work with the Union Steward to resolve disputes.
 - (d) When requested by the Union, the Producer shall furnish the Union with a copy of such information relating to any designated Performer in a Production concerning any or all of the aforementioned matters. To facilitate the maintenance of such information, the Producer shall be supplied with Performer's Time Report forms by the Union as reproduced in Appendix "D" (Performer's Time Report), and shall ensure that such forms be available to the Performers at the location of work.

A417 Performance Bond

- (a) The Union is entitled to require a Producer which has consistently met its payroll obligations to post with the Union, no sooner than thirty (30) days prior to the commencement of work by Performers, a performance bond in the amount of thirty five thousand dollars (\$35,000), or in the case of a Producer which has not previously produced under the terms of this Agreement, a performance bond in the amount of seventy thousand dollars (\$70,000) (unless in either case another amount is mutually agreed upon by the Parties) or such amount sufficient to cover:
 - (i) two (2) weeks' Performer payroll (to be based upon the production schedule provided by the Producer); and
 - (ii) the insurance and retirement payments.

The Union is entitled to require a Producer which has defaulted on its payroll obligations, to the extent that the performance bond was not sufficient to cover its payroll obligations or under circumstances in which the Producer failed to file a performance bond, to post with the Union, no sooner than thirty (30) days prior to the commencement of work by Performers, a performance bond in an amount sufficient to cover:

- (A) two (2) weeks' Performer payroll (to be based upon the production schedule provided by the Producer); and
 - (B) the insurance and retirement payments.
- (b) The performance bond shall take the form of a cash deposit to be held in trust by the Union in an interest-bearing account, and all accrued interest shall be the property of the Producer. At the Producer's election, the performance bond may take the form of one (1) or more irrevocable letters of credit in the favour of the Union, drawn on a Canadian chartered bank. The face of the letter of credit shall specify that:

- (i) The Union shall be entitled, upon written notice to the Producer, to draw down on the letter of credit. The notice shall stipulate the amount claimed and that such amount is due to the Union as a result of default by the Producer of its payment obligations as specified in the Agreement. Partial drawings by the Union shall be permitted.
 - (ii) The said letter of credit shall have a term commencing not sooner than thirty (30) days prior to the commencement of work by the Performers and terminating at a mutually-agreed date after the completion of principal photography.
 - (iii) In the event of a dispute involving outstanding payments due under the Agreement, the Producer agrees to re-issue a letter of credit or to post a cash bond in an amount equal to those amounts in dispute for as long as those amounts remain in dispute.
 - (iv) When a bona fide dispute arises, all remedies and recourse provided by this Agreement shall be exhausted, or an Arbitrator shall rule in favour of the performer or writer prior to any disbursement from the letter of credit.
- (c) The provisions of A417(b)(i), (iii), and (iv) (Performance Bond) above shall apply equally to a cash bond.
 - (d) Notwithstanding any provisions in this Agreement or any individual contract signed by a performer, the Producer agrees that no Performer shall be required to start work prior to the signing of this Agreement and receipt by the Union of the agreed upon performance bond to guarantee wages and other monies due and payable.
 - (e) The Union will repay the performance bond less any amounts in dispute within thirty (30) days after the completion of principal photography, provided that the Producer has provided the Union with a Security Agreement (in the form of Appendix “J”), or a Purchaser’s Assumption Agreement (in the form of Appendix “H”) or a Distributor’s Assumption Agreement (in the form of Appendix “I”) from an Approved Distribution Guarantor, and will repay the balance, if any, within five (5) days of the resolution of a dispute in the Producer’s favour.

A418 Production Guarantee

Notwithstanding Article A417 (Performance Bond), the Producer shall not be required to post as security a cash bond or letter of credit, but shall instead be entitled to provide UBCP with a Production Guarantee from an Approved Production Guarantor in the form set out in Appendix “S” (Production Guarantee), provided that the Production Guarantee is accompanied by a Security Agreement (Appendix “J”) or a Distributor’s Assumption Agreement (Appendix “I”) from an Approved Distribution Guarantor. The Producer shall give UBCP notice no later than thirty (30) days prior to the start of principal photography of its intention to provide a Production Guarantee. Only an Approved Distribution Guarantor (see Article A418(b)) shall be eligible to provide a Distribution Guarantee. A Distribution Guarantee shall be in the form set out in Appendix “T” (Distribution Guarantee). Non-Approved Distribution Guarantors may provide a Distributor’s Assumption Agreement as set out in Appendix “I”.

The following process for Approved Production Guarantors and Approved Distribution Guarantors will not impact the process of qualification for Sideletter No. 2. For clarity, the procedure for inclusion on Sideletter No. 2 is separate from the following qualification process.

- (a) An Approved Production Guarantor shall mean an entity
 - (i) that the CMPA confirms by written notice to be a Member in Good Standing;
 - (ii) that has maintained a permanent active entity with established offices and staff for the previous four (4) years, and has produced or financed the production of at least four (4) theatrical motion pictures or twenty-six (26) hours of television under this Agreement or its predecessors;
 - (iii) that has had a good track record for payment of UBCP members, excluding minor infractions; and
 - (iv) with respect to an application for Approved Production Guarantor status, UBCP shall take into consideration the Producer's production record with ACTRA and the Union des Artistes.
- (b) An Approved Distribution Guarantor shall mean an entity
 - (i) that has maintained a permanent active entity with established offices and staff for the previous six (6) years, and has produced or financed the production of at least eight (8) theatrical motion pictures or fifty-two (52) hours of television under this Agreement or its predecessors;
 - (ii) that has had a good track record for payment of UBCP members, excluding minor infractions; and
 - (iii) that is up to date in its reporting obligations to UBCP and payments to UBCP members.
- (c) UBCP shall within thirty (30) days communicate in writing as to whether status has been denied. Failure to communicate denial in writing shall result in the Producer being granted Approved Guarantor status. The thirty (30) day time limit may be extended by mutual agreement, which agreement shall not be unreasonably denied. When Approved Guarantor status is denied, the Producer shall have recourse to the following appeal procedure. Should status as an Approved Production Guarantor or Approved Distribution Guarantor (provided that such Approved Distribution Guarantor is a Party to this Agreement) be denied, a timely request having been made, the Producer shall have recourse to the following appeal procedure:
 - (i) UBCP shall meet with the Producer within five (5) business days of denial of a request;
 - (ii) an appeal committee shall be formed that will consist of a representative of the Union and a representative of the CMPA;
 - (iii) should there be no consensus at this meeting, in the case of a Production Guarantor, the Producer shall post the cash bond or letter of credit required by UBCP as a gesture of good faith pending the outcome of presenting its case in front of the Umpire as set out below; and in the case of a Distribution

Guarantor, UBCP shall be entitled to retain the security that it holds pending the decision of the Umpire:

- (A) The Umpire shall be chosen according to the procedure and list of Arbitrators in Article A1007 (Arbitration Procedure) of this Agreement;
 - (B) The Umpire shall listen to a presentation of the dispute by a representative of each party and will render a decision within two (2) business days of the completion of the presentation by the parties;
 - 1. The presentation of the dispute may be done by conference call or in person at the option of the Umpire.
 - 2. During the presentation the Parties shall present and support their respective positions, including but not limited to providing oral or written information. The Umpire has the option to request written presentations.
 - (C) The decision of the Umpire may be provided in writing or orally, at the discretion of the Umpire;
 - (D) The Parties shall share equally the cost of the Umpire;
- (iv) should the Umpire rule in the Producer's favour, UBCP will immediately return the cash bond or letter of credit, with interest if applicable, and accept the alternative security payment agreed to by the Umpire.
- (d) A list of Approved Production Guarantors and a list of Approved Distribution Guarantors shall be updated on a regular basis and shall be available from UBCP and CMPA offices.

A419 Production Staff

- (a) The Producer shall not utilize persons employed as members of the Producer's casting or production staff as Performers in any Productions on which they also render other services without express consent of the Union. However, the Union will not unreasonably withhold a waiver to accommodate the legitimate production necessities of the Producer.
- (b) The following are exceptions to the above:
 - (i) union members;
 - (ii) animal handlers (appearing in a scene in which they handle animals);
 - (iii) Performer-Directors, Performer-Writers, Performer-Producers, or Performer-Production Staff engaged by written contract as such prior to the commencement of principal photography of the Production;
 - (iv) Production crew members working under the jurisdiction of another union captured on camera in the course of their duties;
 - (v) safety personnel captured on camera in the course of their duties; and
 - (vi) the exigencies of the Production which require immediate action.

A420 Conflict of Interest Declaration for Casting Directors

The Producer shall, as a condition precedent to hiring a casting director, or other person responsible for hiring Performers, require the said casting director, or person to execute a

Statutory Declaration (in the form attached as Appendix "K" Declaration for Casting Directors) containing the said clauses, and shall prior to the commencement of principal photography, deliver an executed copy of the said Declaration to the Union.

A421 Provision of Video

If requested by the Union in writing, the Producer shall provide to the Union (in a timely manner, but in any event no earlier than the date on which the Production is first broadcast anywhere in the world) a video cassette recording of the Production at the Union's sole cost and expense. The Union shall only utilize such video for internal purposes and such video shall not be duplicated or provided to any person (whether an employee or otherwise affiliated with the Union) except as required to administer this Agreement.

A422 Notification of Injury

The Producer shall advise the Union in writing at the earliest opportunity of any injury to a Performer on set or on location, which injury requires medical attention at a clinic or hospital. The Producer will provide the Union with all WorkSafeBC Form 7's and Employer Incident Investigation Reports that relate to injuries/near misses involving Performers engaged under this Agreement. The Producer shall make best efforts to provide the Form 7 to the Union concurrently with the provision of such form to WorkSafeBC, but in no event later than three (3) days after providing such form to WorkSafeBC. The Producer shall provide the Employer Incident Investigation Report to the Union within five (5) days of providing such report to WorkSafeBC. The Union shall maintain the confidentiality of such forms and reports.

A423 Producer to Indemnify Performer

The Producer shall indemnify the Performer against all legal costs and any judgment arising out of a performance based upon a script supplied to the Performer by the Producer and performed by the Performer as directed by the Producer, provided the Performer cooperates with the Producer in both notifying the Producer of any threatened action and of the commencement of any proceedings, and in the defense of any action; and further provided that the Performer makes no admission of liability without the prior authority of the Producer.

A424 Union Representation: Upon request of a Performer, the Producer shall allow a Union representative to be present at any investigatory meeting between the Performer and a representative of the Producer which may lead to the discipline of the Performer. The foregoing shall not apply if the purpose of the meeting is to advise the Performer of any disciplinary action determined prior to the meeting. The Union representative shall not obstruct the investigatory process.

ARTICLE A5 - OBLIGATIONS OF THE UNION AND PERFORMERS

A501 Professional Conduct

The Union undertakes to require and maintain professional conduct from Performers engaged to perform under the provisions of this Agreement. In the event that unprofessional conduct of one (1) or more Union members engaged under the provisions of this Agreement jeopardizes the day's production, the member or members, subject to the

Grievance Procedure, may be found to be in breach of this Agreement and may be directed by a duly-appointed Arbitrator to provide compensation.

A502 Performers to Report

Performers shall report to the Producer or the Producer's designate before leaving the studio or location following the completion of scheduled work. Except as provided elsewhere in this Agreement, the Performer's workday ends after the Performer is out of makeup and costume, unless asked to remain beyond that time by the Producer or the Producer's designate. The Performer shall sign a Performers Time Report as provided in Article A706 (Performers Time Report) and shall ensure that a representative of the Producer also signs the same record. In the event of a dispute, the Performer shall report such dispute to a Union steward or the Union office. Should the Producer require the services of the Performer for a further period of time, the Performer shall accept such further engagement, provided it does not conflict with some previously arranged engagement.

A503 The Union to Appoint Steward

The Union may, as the occasion demands, appoint an in-cast steward or designate an employee or other Union representative to undertake stewarding functions. Such steward(s) shall carry out duties as required by the Union, including:

- (a) Verify that all Performers are qualified to work by membership in the Union or a work permit issued by the Union.
- (b) Receive and, where possible, adjust complaints and grievances of Performers.
- (c) Generally enforce and administer the provisions of this Agreement at the studio or on-location.
- (d) Ensure that the Performer's Time Report (referred to in A706 (Performer's Time Report) and A502 (Performers to Report)) is maintained for Performers and Background Performers.

Upon prior notice to the Producer, the appointed steward shall be permitted to visit any portion of the business office, studio or shooting location necessary for the proper conduct of the business of the Union during business or working hours. It is agreed that such access shall not interfere with the Performers' ability to perform or unreasonably disrupt the operation and/or administration of the Production.

A504 Performer Responsibilities

A Performer shall at all times report to the set or location ready to work at the time of the Performer's Call. The Performer is required to know the Performer's lines of the scenes listed on the call sheet at the time of arriving on the set or at the location. Performers shall not be required to translate any script material into English or from one language into another. Performers will at all times comply with the reasonable requests and instructions of the Producer or the Producer's representative. The Performer will be reasonably familiar with the terms of this Agreement. It is the responsibility of the Performer to identify to the Union Steward any perceived breach of this Agreement whenever such breach is considered to occur in order that the Union Steward may give the Producer the opportunity to remedy such perceived breach at the earliest opportunity in the spirit of this Agreement.

A505 Performer to Advise Producer of Inability to Work

The Performer must advise the Producer at the earliest opportunity of any injury and/or any inability to fulfill contracted obligations.

A506 Prohibition of Still Photographs On Set

The Performer may not take, or cause to be taken, still pictures on the set or location, without the full knowledge and prior consent of the Producer.

A507 Performer Residency

- (a) At the time of Booking of a Performer, the Producer has a right to require and the Performer shall supply to the Producer reasonable residency information as set out in the Canada Revenue Agency Guidelines for Film and Media Tax Credits “Residency determination for tax purposes.” The Performer shall be given no less than two (2) business days to provide such information. Such information shall be kept confidential and held in compliance with all applicable privacy legislation except to the extent necessary to obtain the production tax credits.
- (b) The Parties shall issue a mutually approved bulletin to their members on a semi-annual basis. It is understood that the documents required for establishing residency under the CRA guidelines may change from time to time and as such, the Parties agree to modify the bulletin accordingly.

ARTICLE A6 - QUALIFICATION OF PERFORMERS**A601 Work Permits**

- (a) In accordance with A401 (Preference of Engagement), preference of engagement shall be given to Union Members. However, after making reasonable efforts to comply and having established that a person who is not a Member of the Union is required in a Production, then application shall be made for a work permit at the Union office, on an appropriate work permit application form supplied by the Union, at least forty-eight (48) hours prior to the commencement of work. The following procedure will apply for the issuance of work permits:
 - (i) Subject to the other provisions of this Article, when a work permit is issued to a Performer who is a Canadian citizen or landed immigrant and is not a Member or Member in good standing of the Union, the fee for such work permit shall be the amount authorized by the Performer on the work permit form for each week of recorded performance for which the Canadian Performer is engaged.
 - (ii) Subject to the other provisions of this Article, when a work permit is issued to a Performer who is not a Canadian citizen or landed immigrant and not a Member of the Union, the fee for such work permit shall be two hundred twenty-five dollars (\$225.00) for the first week and one hundred seventy-five dollars (\$175.00) for each subsequent week of recorded performance for which the non-Canadian Performer is engaged.

Note: For purposes of clarification, a "week" as used in this A601 (Work Permits) is understood to be seven (7) consecutive days, commencing from the Performer's first contracted day.

- (b) In addition to the foregoing, UBCP and the Producers agree to the following principles:
- (i) UBCP's past practice with regard to the numbers of permits issued will continue.
 - (ii) UBCP will consider requests for work permits promptly, reasonably and in good faith, managed by a single point of contact in regions covered by UBCP's jurisdiction; ("promptly" means within three (3) business days from the date on which the Producer provides all the necessary documentation and information).
 - (iii) Work permits will not be unreasonably withheld.
 - (iv) Canadian Performers will be given preference of audition and engagement.
 - (v) To give meaning to this principle, Producers commit themselves to real and *bona fide* casting sessions for UBCP members in a professional audition environment consistent with good industry standards.
 - (vi) The Producer shall, at the earliest opportunity, meet with UBCP to review and discuss cast requirements of Production.

A602 Reciprocal Agreements

The contracting of members of other Performers unions by the Producer shall be governed by any Reciprocal Agreements between the Union and the other organization.

A603 Engagement of Non-Canadians

- (a) In order to maintain a permanent Canadian film and television production industry capable of producing high quality Canadian Productions for the use of audiences in Canada and elsewhere, the Producer agrees that the progressive development of a pool of Canadian talent of all kinds should be encouraged.
- (b) The Producer agrees that Canadian Performers should be given the opportunity to play leading and challenging Roles in all areas of film and television production.
- (c) Notwithstanding the provisions of A604 (Theatrical Production) and A605 (Television Programs), this Article may not apply, at the absolute discretion of the Union, in the instance of an "on-location production" which is being undertaken in Canada by a non-resident production company. However, the Producer agrees that all other terms and conditions of this Agreement shall apply in all respects to such "on-location production".

A604 Theatrical Production

The following procedures shall govern the issuance of work permits for non-Canadian Performers in Theatrical Productions:

- (a) (i) One (1) non-Canadian may be engaged for a Theatrical Production, and
- (ii) A second non-Canadian may be engaged only if a Canadian Performer receives billing that is not less than the second most prominent cast billing,

and such Canadian Performer is one (1) of the two (2) highest paid Performers in the cast.

- (b) Notwithstanding the provisions of A604(a) of this Article, the Union recognizes that it may be necessary in certain Theatrical Productions for the Producer to allocate billing to one (1) Performer and compensation to a different Performer. In such circumstances, the Producer may make application, pursuant to A112 (Enabling Provision) to the Union for consideration of such requirements. The application shall include the script, proposed Roles, billing and compensation for the Canadian Performers named in the application and such other documentation as may reasonably be required by the Union. All required documentation and the oral submissions, if any, from the applicant shall be considered confidential communications. The decision of the Union shall be made and communicated to the applicant as promptly as possible in the circumstances.
- (c) Additional work permits may be issued for Performers in a work category other than Principal Actor where the Performer's engagement is entirely outside Canada. The Union agrees that such work permits shall not be unreasonably withheld.
- (d) In the event the production of a Program requires one (1) or more Roles for which an unusual physical skill or physical attribute are necessary and such requirements cannot be filled by the application of the above provisions, application may be made to the Business Representative of the Union for additional work permit(s). It is understood that such an application shall not be considered if the Producer has not made reasonable efforts to comply with A604(a) of this Article.

A605 Television Programs

With respect to a television Program or Series, the Production shall be governed by the following provisions with respect to the engagement of non-Canadian Performers:

- (a) **Variety Special or Series**
The total number of permits issued to non-Canadian talent shall not exceed fifty percent (50%) of the contracted Principal Actors, Variety Principals, or Specialty Acts. Non-Canadian Performers shall not be engaged in any other performance category.
- (b) **Single Drama Program** (other than a Theatrical Production)
The total number of work permits shall not exceed fifty percent (50%) of the Principal Performers to a maximum of two (2) per Program. Non-Canadian Performers shall not be engaged in any other Performance category in the Program.
- (c) **Drama Series**
For continuing Roles in a drama Series, the number of permits issued to non-Canadian talent shall not exceed one (1) in four (4) of the total number of Principal Actors contracted for the Series. - (d) **Quiz, Panel, and Game Shows**
In no case shall the Host, Master of Ceremonies, or Moderator be a non-Canadian Performer. No more than one (1) Performer in four (4) of the regular panel may be a non-Canadian Performer. Contestants or guests will be issued work permits.

- (e) **Talk, Interview and Public Affairs Programs or Series**
The engagement of non-Canadians shall be limited to guest appearances. Non-Canadians shall not be engaged as Hosts, except for public affairs Programs or Series in which specialized or expert knowledge is required.
- (f) Additional work permits may be issued to Performers in television Programs or Series in a work category other than Principal Actor where the Performer's engagement is entirely outside Canada. The Union agrees that such work permits shall not be unreasonably withheld.

A606 Co-productions and Non-Canadian Content Productions

- (a) When it is established that a Production is a co-production governed by an Official Co-production Treaty between Canada and another country (or countries), the parties to this Agreement recognize that the application of A604 (Theatrical Production) or A605 (Television Programs) may be subject to the terms of the relevant International Co-production Treaty.
- (b) In the event that an entirely privately financed Production is to be produced in Canada, the foregoing provisions of A604 (Theatrical Production) or A605 (Television Programs) may be modified by the Union. In such instances, the Producer shall be required to provide the Union prior to commencement of production with information and supporting documentary evidence which establish that:
 - (i) the Producer has not and will not apply for certification of such Production by the Canadian Audio Visual Certification Office ("CAVCO") or Canadian Content under the CRTC;
 - (ii) neither Telefilm Canada nor any provincial film funding agency, or their successor organizations have any direct or indirect financial participation in the Production;
 - (iii) no Crown agency or corporation and no public institution has participated in the Production either in the form of a financial participation or by the provision of Production facilities or personnel.
- (c) In addition, the Producer will be specifically required to provide the Union with a written undertaking that neither the Producer nor any agent or representative of the Producer shall at any time apply for certification by CAVCO or for Canadian Content by the CRTC or to use any other instrument of Canadian tax policy in respect of the production to which a so called Canadian Production would otherwise be entitled. The Union shall file a copy of such written undertaking with CAVCO and the CRTC and with any other relevant body.
- (d) Finally, the Producer agrees to undertake best efforts to engage Canadian Performers in all Roles in the Production.

A607 Modification of Limitations

The limitations on the engagement of non-Canadian Performers in all Productions, as set out in this Article A6 (Qualification of Performers), may be modified by the Union in the case of Productions where non-Canadian financiers or licensees contribute, in the aggregate, at least one-third (1/3) of the gross Production budget, and in which the

engagement of non-Canadian Performers is a condition of such investment or license, or where there are health and safety considerations. A Producer seeking to take advantage of A607 (Modification of Limitations) shall make written submissions to the Union as soon as possible. Such written request shall contain evidence that the Production meets the criteria of this Article, A607, and may also contain other documents and explanations concerning the requirements of the Production. The Union will respond to such request for a modification within three (3) business days of the request being submitted by the Producer and such response shall include brief reasons for the Union's decision. A copy of the decision will be sent to the Producer and a designated representative thereof.

A608 Notice of Objection

In the event that the Producer wishes to dispute the Union's decision as set out in A607 (Modification of Limitations), the Producer has the right to challenge such decision on the grounds that it is not reasonable or not in keeping with standard industry practice, by filing a Notice of Objection ("Notice") which shall set out the particulars upon which the Producer relies in challenging the decision together with any relevant documentation. The following procedure shall be followed in dealing with such dispute:

- (a) The Notice shall be sent by email or delivered by direct courier to the Union Office, and the designated representative of the Producer.
- (b) The Parties shall agree to a roster of Arbitrators who shall be authorized to hear and determine matters under this Article, A608. The Producers shall nominate four (4) Arbitrators and UBCP shall be entitled to nominate four (4) Arbitrators. The panel will be composed of six (6) Arbitrators with each party having the right to remove one (1) of the four (4) Arbitrators nominated by the other party. If the Parties are unable to agree upon an Arbitrator, either party shall have the right to request the Director of the Collective Agreement Arbitration Bureau name a special Arbitrator to deal with such disputes until such time as the parties have been able to agree on such special Arbitrator(s).

The Parties hereby agree to meet six (6) months after the effective date of this Agreement to review implementation and discuss further improvements. In the event issues arise which cannot be resolved, they will be referred to Vince Ready, who will serve as Ombudsman.

- (c) The Union shall be allowed two (2) business days from receipt of the Notice, in which to file a response ("Response"), outlining its position together with any relevant documentation.
- (d) The Parties shall endeavor to settle all outstanding issues arising from the Notice and Response within one (1) business day. Failure to reach a settlement shall entitle the Producer to refer the matter to final and binding arbitration, which shall be governed by the provisions of A10 (Grievance Procedures and Resolution) unless otherwise provided in this Article.
- (e) In the event the Producer wishes the matter referred to Arbitration, the Notice together with the Response shall be sent to the Arbitrator agreed upon by the parties or named as set out in subparagraph (b) of this Article. Each party shall have the right to submit any relevant documentary evidence, including affidavit evidence, together with their submissions.

- (f) The Arbitrator shall conduct a *viva voce* hearing only if the Arbitrator is satisfied that the issues cannot be fairly dealt with absent such *viva voce* hearing. The Arbitrator shall hold any hearing within two (2) business days of the matter being referred to Arbitration, and the Arbitrator shall render a decision within two (2) business days of such hearing.
- (g) The Parties agree that time is of the essence with respect to the issues arising in this Article A608 and agree that the timelines herein contained can only be extended with the written consent of both parties.

A609 Preference to Canadian Performers

The Producer agrees to undertake best efforts to engage Canadian Performers in all Roles in the Production. "Best efforts" shall be interpreted to mean that Union members and Canadian Performers shall be auditioned in good faith prior to the engagement of non-resident Performers. If a distributor demands the engagement of a particular foreign "star" Performer or lead, the Union shall not unreasonably withhold waivers of this provision.

A610 Requirement to File Contracts

All contracts for non-Canadian Performers shall be filed with the Union office within two (2) weeks of execution by the parties. The Producers will not be required to disclose contracts for SAG-AFTRA members. However, the Union will be provided with salary information necessary to administrate Use Fee payments as follows: For example, if there are three (3) SAG-AFTRA members who are paid over fifty thousand dollars (\$50,000.00), having achieved the cap, then the report will so indicate without naming the actors. As to actors paid less than fifty thousand dollars (\$50,000.00), the Employers will list them as: "Actor A" with the amount of their salary; "Actor B" with the amount of their salary; and "Actor C" with the amount of their salary, and so on. The names of the SAG-AFTRA members and irrelevant details of their contracts will not be provided.

ARTICLE A7 - CONTRACTING OF PERFORMERS

A701 Booking

Upon Booking, Performers shall be given specific notice of the Role(s) to be played, wardrobe requirements, date(s), time and place of production and a work schedule. The Booking, except for Background Performers, shall be confirmed in writing by means of a completed contract which shall specify all terms of the agreement including, but not limited to definite date(s) and fee(s). Such confirmation shall be made within five (5) days of the Booking whenever possible. In the event the Producer is unable to confirm the Booking within five (5) days, the Producer shall arrange with the Union office for the extension of such confirmation.

A702 Requirement to Execute Contract

The Producer shall not require Performers, except for Background Performers, to commence work on a Program prior to such Performers having executed a contract with the Producer.

A703 Requirement to Provide Contract

The Performer shall be provided with a contract at least forty-eight (48) hours prior to the commencement of work. The signature of the Producer or the Producer's designee shall be affixed to the contract form provided to the Performer. When exceptional circumstances dictate, the Producer may apply to the Union office for relief from the provisions of this Article. The Performer shall return a fully executed copy of the contract to the Producer the earlier of forty-eight (48) hours of receipt or commencement of rendering of services. The Producer shall file a copy of each contract with the Union office. The Union undertakes to maintain such information confidential and shall not allow anyone who is not a full-time employee of the Union or a party to the contract access to same without prior written consent of the Producer.

A704 Standard Contract Forms

Performer's written contracts are provided in Appendix "E" (Performer Contract for Independent Production) of this Agreement, and shall be executed in full with no alterations, or deletions. The Performer and the Producer shall each retain an original of such contract. The Producer shall file a copy of each such contract with the Union office. This standard contract shall be deemed to be a part of this Agreement and form part of it. Any provision of a rider or other agreement between a Producer and a Performer which violates an express term of this Agreement shall be null and void.

A705 Completion of Performer Contract

The Performer contract (see Appendix "E" (Performer Contract for Independent Production)) must be completed in full and it must explicitly contain the basic rate of Performer compensation expressed in dollars as a daily fee, exclusive of the amount of the Prepayment or Advance in respect of Use Fees, which amount must be shown as a separate item.

A706 Performer's Time Report

The Performer and the Producer's representative shall sign the Performer's Time Report (see Appendix "D"). The Performer's Time Reports are to be in triplicate sets which are filled out in ink or photocopied with one (1) of the copies to be sent to the Union and one (1) copy given to the Performer.

A707 Over-scale Performers

Offsetting of Over-scale shall not be allowed to reduce a Performer's fees to less than the minimum rates or fees. Offsetting shall only be permitted to the following extent:

- (a) Performers contracted at two hundred percent (200%) of scale or more: When specified in the individual Performer's contract, the Producer shall have the ability to offset all over-scale fees.
- (b) Performers contracted at less than two hundred percent (200%) of scale: Each Performer's Deal Memo shall clearly state whether and in what manner or form over-scale pay may be credited or offset against any or all of the following premiums:
 - (i) overtime,
 - (ii) work on the sixth and seventh days, and
 - (iii) encroachment on rest period.

- (c) Failure to designate clearly the offset rights in the Performer's contract shall mean the loss of any ability to credit or offset over-scale pay.

A708 Protection of the Collective Agreement

Performers engaged at terms or conditions in excess of the minimum provisions of this Agreement shall be entitled to exercise all the benefits and protection of the provisions of this Agreement.

ARTICLE A8 – SERIES OPTIONS

A801 Series Options

A Performer may grant an option for the Performer's services for not more than six additional years' engagement, provided that the following criteria are met:

- (a) when the number of years optioned is three (3) or less, the Performer, at the time of granting the option, is entitled to receive a fee of not less than one hundred fifty percent (150%) of the applicable minimum fees; or,
- (b) when the number of years optioned exceeds three (3), the Performer, at the time of granting the option, is entitled to receive a fee of not less than two hundred percent (200%) of the applicable minimum fees; and,
- (c) for contracts entered into on or after April 21, 2021, the Performer is guaranteed either: (i) a minimum of \$8,500 per episode; or (ii) a total number of days equal to at least two (2) times the number of episodes guaranteed for the season in the case of a half-hour series, or at least four (4) times the number of episodes guaranteed for the season in the case of a one-hour series; and
- (d) the contracted fee payable for each successive year optioned is at least one hundred ten percent (110%) of the previous year's contracted fee; and
- (e) the option for each successive year specifies the guaranteed engagement for each year of the option contract e.g., the number of days, weeks or episodes; and
- (f) the option for subsequent seasons shall only be effective if exercised in writing;
- (g) the option provides time limits within which the Producer may exercise each option, and the degree of exclusivity of the option i.e., whether the Performer must be available at certain times or whether the Producer has a first priority call on the Performer's services; and
- (h) the option provides that either party may require a mediation meeting at the time the option is exercised. The meeting shall be convened between the Performer and the individual identified by the production entity as the Producer. The Performer and the Producer may mutually agree on a third party to act as mediator. Any cost of such third party mediation shall be borne by the party requesting mediation. The parties shall not be entitled to be represented or accompanied, except when the Performer is a Minor, the Minor may be accompanied by a parent or guardian. The parties shall be entitled to air any difficulties or problems they experience with regard to the Performer's contract or the Performer's role in the Production, so they may cooperate in resolving or clearing such difficulties or problems. Mediation

meetings may not be requested more than once a year. Contracts may only be amended upon written consent of both parties.

ARTICLE A9 – NO STRIKE AND UNFAIR DECLARATION

A901 No Strike Except When Producer Declared Unfair

During the life of this Agreement, the Union undertakes to not call or direct a work stoppage against the Producer, except when the Producer has been declared Unfair. The Producer will not effect, engage in, or permit a lockout of Performers during the term of this Agreement.

A902 Unfair Producer Defined

In the event of a fundamental breach of this Agreement such as, but not limited to, the Producer's inability to meet its payroll or failure to post a Performance Bond in accordance with A417, after due consideration and declaration by the Union, the Producer may be declared Unfair by the Union upon five (5) business days' notice to the Producer. The notice shall briefly state the facts upon which the declaration is based and shall be distributed to the B.C. and Yukon Council of Film Unions, the Directors Guild of Canada (B.C. District Council), and to any public funding bodies involved in the Production. Should the Producer give notice, prior to the expiry of the five (5) business days' notice period, of its intention to cure immediately the circumstances giving rise to the declaration, the declaration will be stayed, provided that such cure is implemented, by no later than the expiry of the five (5) business day period.

A903 No Requirement to Work for Unfair Producer

Performers shall not be required to work for a Producer declared Unfair by the Union.

ARTICLE A10 - GRIEVANCE PROCEDURES AND RESOLUTION

A1001 Statement of Policy

The Union and the Producer recognize the desirability of exerting an earnest effort to settle grievances at the earliest possible time consistent with the provisions of this Article. The Union shall make a careful and thorough investigation of a Performer's complaint before submitting it under the grievance procedure in order to ascertain whether, in its opinion, the complaint is reasonably justified under the terms of this Agreement and that there is reasonable ground to believe that the claim is true in fact. No Performer shall be discriminated against for reasonably making a complaint or filing a grievance asserting a violation of this Agreement. There shall be no slowdown, disruption or stoppage of work including strikes or lock-outs.

A1002 Grievance Defined

All complaints, discipline, disputes, or questions of the Producer or the Union, as to the interpretation, application, or performance of this Agreement (excluding jurisdictional disputes) or any deal memo, including any question about whether a matter is arbitrable, shall be settled between the Producer directly involved and the duly authorized

representative of the Union. Any party to the grievance may participate in grievance meetings.

A1003 Scope of a Grievance

- (a) The parties agree that grievances may arise concerning differences between them respecting the application, administration, interpretation or an alleged violation of this Agreement, or any deal memorandum or other form of contract, including a question about whether or not a matter is subject to arbitration.
- (b) The procedure for resolving a grievance shall be the Grievance Procedure in this Article. All discussions between the parties during the grievance procedure are without prejudice and inadmissible in any subsequent arbitration hearing.
- (c) Performers exercising their rights under the provisions of this Article do so without prejudice to their relationship with the Producer.

A1004 Settlement "at the scene"

- (a) A complaint of a minor nature may be settled at the time of its occurrence by the Union Steward and the authorized representative of the Producer. No dispute settlements at this level shall have the weight of precedent unless the parties have reviewed and ratified it, in writing.
- (b) In the event that the complaint is not resolved in the manner described, above, either party to the complaint may initiate a grievance.

A1005 Step 1 of the Grievance Procedure

In the first step of the Grievance Procedure, every effort to settle the dispute shall be made by the aggrieved Performer and the Performer's supervisor within ten (10) calendar days of the occurrence of the event(s) upon which the grievance is based; or within ten (10) calendar days after the facts underlying the grievance became known or should have reasonably become known by the aggrieved party. The aggrieved Performer has the right to be accompanied by a steward or any other authorized Union representative. Any dispute settlement reached at this meeting shall be binding upon the Performer and/or the Producer, so long as this resolution does not violate this Agreement. No dispute settlements at this level shall have the weight of precedent unless the parties have reviewed and ratified it, in writing.

A1006 Step 2 of the Grievance Procedure

To be valid, grievances must be filed within thirty (30) calendar days of the occurrence of the event(s) upon which the grievance is based; or within thirty (30) calendar days after the facts underlying the grievance became known or should have reasonably become known by the aggrieved party. A grievance is filed by delivering to the other party a written statement of grievance which shall set forth in detail the basis of the dispute, the contractual provisions alleged to be violated, the material facts, the position of the grievor, and the relief sought. If either the Producer or the Union fail to agree to meet within fourteen (14) calendar days after the receipt of the statement of grievance, or they do meet and fail to resolve the grievance, then either Party may proceed to final and binding arbitration pursuant to Article 1007 (Arbitration Procedure). In the event that the Union attempts to deliver a grievance to a Producer at the address last provided by such Producer to the Union

and the Producer is no longer at that address, the grievance will be considered filed for purposes of this provision. However, no default shall be entered against such Producer and the aforementioned fourteen (14) calendar day period will not commence until the grievance is in fact received by the Producer.

A1007 Arbitration Procedure

If the grievance procedure fails to resolve the grievance, either party to this Agreement may proceed to final and binding arbitration by delivering to the other party a written demand for arbitration which shall set forth in detail the basis of the dispute, the contractual provisions alleged to be violated, the material facts, the position of the claimant, and the relief sought. Such demand must be served not later than thirty (30) days after the filing of the grievance or the grievance will be waived, unless the parties mutually agree to extend the time limits. Within fourteen (14) calendar days following service of the demand for arbitration, or within such additional time as the parties mutually agree upon in writing, the parties will attempt to mutually agree upon an Arbitrator selected from the following list of Arbitrators:

Corrin Bell
 Mark Brown
 Michael Fleming
 Julie Nichols
 Randy Noonan

If the parties cannot agree upon one (1) of the foregoing Arbitrators, the Arbitrator shall be selected on a rotation commencing with the first arbitration being assigned to the first listed Arbitrator, the second arbitration being assigned to the second listed Arbitrator and so on. The rotation shall be applied to each individual Producer. An Arbitrator named on the list of Arbitrators of the BC Arbitrator's Association may at any time, by mutual agreement, be substituted for an Arbitrator on the foregoing list. If possible, the date of the arbitration hearing will be within fourteen (14) calendar days from the date the Arbitrator is selected. At the conclusion of the arbitration the Arbitrator shall render a decision on the evidence and arguments presented which shall be final and binding on the parties, including the grievor, and fully enforceable in a Court of competent jurisdiction. The Arbitrator shall present a written decision unless the parties to the arbitration mutually agree that a written decision is not necessary. The Arbitrator's written decision shall be issued within thirty (30) calendar days from the date final arbitration briefs, if any, are submitted, or the last day of the arbitration hearing, whichever is later.

A1008 Expedited Arbitration

In lieu of A1007 (Arbitration Procedure) the parties to this agreement may pursue expedited arbitration pursuant to the British Columbia *Labour Relations Code*, section 104, in lieu of the Arbitration Procedure set forth above, and utilizing the Arbitrators listed in A1007 (Arbitration Procedure) above, to the extent possible.

A1009 Arbitrator's Authority

The Arbitrator shall have all necessary powers to determine the real issue in dispute according to the merits and, if appropriate, award monetary payments, adjustments, or damages consistent herewith. The Arbitrator shall not have the power to amend, modify

or effect a change in any of the provisions of this Agreement, award punitive damages, award money damages to the Union or the Producers, or to determine jurisdictional disputes.

A1010 Costs

The Arbitrator's fees and a court reporter's fees shall be borne equally by both Parties. Expenses of witnesses, however, shall be borne by the Party who calls them.

A1011 Copies to the CMPA-BC

A party filing a grievance under Article A1006 or a written demand for arbitration under Article A1007 shall also provide a copy of such grievance or demand for arbitration to the CMPA-BC and the AMPTP by delivering a copy to the CMPA-BC. The party that filed the demand for arbitration shall also deliver a copy of any decision issued by an Arbitrator to the CMPA-BC and the AMPTP by delivering a copy to the CMPA-BC.

ARTICLE A11 - WORK DAY FOR PERFORMERS

A1101 Work Day

The regular work day shall consist of eight (8) consecutive hours not including the meal period and there shall be no split shifts. Except when travel time payment is required pursuant to A1701(b) (Travel Time Payment), the work day shall commence at the Performer's Call Time or when the Performer is required to commence work, whichever is earlier. The work day does not end until the Performer is out of make-up and costume, unless transport is contractually required and has been requested and arranged, in which case the work day ends when the Performer is actually able to leave the set.

A1102 Calendar Day

A work day starting on one (1) calendar day and continuing into the next shall be deemed to be one (1) work day, namely that day on which work started. For clarity, such continuation shall not in and of itself constitute a double booking.

A1103 Night Shoots

Where practicable the Performer must be given twenty-four (24) hours' prior notice of scheduled night work (i.e., Call between 1900h and 0600h).

ARTICLE A12 - OVERTIME

A1201 Overtime

Any time worked by a Performer in excess of eight (8) hours in any one (1) day shall be paid at the rate of one hundred fifty percent (150%) of the Performer's contracted hourly rate. Any time worked in excess of twelve (12) hours in any one (1) day shall be paid at the rate of two hundred percent (200%) of the Performer's contracted hourly rate. Time worked shall be paid in one-tenth (0.1) hour units.

A1202 Sixth Day

When a Performer is required to work on a Production for six (6) consecutive days, the Performer shall be paid for the sixth day at one hundred fifty percent (150%) of the Performer's contracted daily, hourly, or overtime rate.

A1203 Seventh Day

When a Performer is required to work seven (7) consecutive days, the Performer shall be paid for the seventh day at two hundred percent (200%) of the Performer's contracted daily, hourly, or overtime rate.

A1204 Maximum Compounding Effect

The maximum compounding effect of the application of overtime, rest period encroachment and penalty provisions provided in this Agreement shall not exceed three hundred percent (300%) of the Performer's contracted hourly rate.

A1205 More Favourable Terms

If the Producer agrees with another British Columbia labour organization employed on the same production to calculate time under Articles A12 (Overtime) or A13 (Rest Periods) in increments greater than one-tenth (0.1) hour units of time, then the Union shall have the option of adopting such greater increments.

ARTICLE A13 - REST PERIODS**A1301 Rest Between Days**

On a Motion Picture, segment of a Mini-Series or episode of a Series which commences principal photography prior to May 4, 2025, there shall be a rest period of not less than ten (10) hours between the end of one (1) work day and the beginning of the next Call. If a Performer is required by the Producer to report for work within such a ten (10) hour period, the Performer shall be paid a premium solely for such hours encroached at the rate of two hundred percent (200%) of such Performer's contracted hourly rate, payable in one-tenth (0.1) hour increments.

On a Motion Picture, segment of a Mini-Series or episode of a Series which commences principal photography on or after May 4, 2025, there shall be a rest period of not less than eleven (11) hours between the end of one (1) work day and the beginning of the next Call. If a Performer is required by the Producer to report for work within such eleven (11) hour period, the Performer shall be paid a premium solely for such hours encroached at the rate of two hundred percent (200%) of such Performer's contracted hourly rate, payable in one-tenth (0.1) hour increments.

A1302 Rest Periods

There shall be at least a five (5) minute rest period provided for each hour of work. During actual shooting on set or location, the rest period may be waived, the accumulated time to be taken at a more convenient period of the day.

A1303 Rest Periods for Puppeteers and Dancers

Puppeteers and Dancers shall be permitted no less than ten (10) minutes' rest in each hour, during which they shall not be required to perform any physical action. However, consultation and planning may take place during such rest.

ARTICLE A14 - MEAL PERIODS**A1401 Meal Period**

- (a) Each Performer shall be provided a meal period of a minimum of thirty (30) minutes after the last Performer has been served to a maximum of sixty (60) minutes after the first Performer has been served. The first meal period shall commence not later than the completion of the sixth hour of work, calculated from the first Call for the Performer. Subsequent meal periods will be scheduled in six (6) hour intervals. When the Performer's Call is for make-up or wardrobe, the six (6) hour period of work shall commence from such call, except when the Non-deductible Meal pursuant to subparagraph (e) of this Article applies.
- (b) Substantial Snack: In the event that the first meal break of the day is called at or before the completion of five (5) hours' work, there will be no requirement for a Substantial Snack to be served. If the meal break is called after six (6) hours, a Substantial Snack shall be served.
- (c) The first meal periods shall not be considered as time worked and shall not be paid. Subsequent meal periods shall be paid through as time worked.
- (d) Performers, including Qualified Background Performers, may be broken individually for meals and shall have the same access to the craft services table. Qualified Background Performers shall receive the same meals as the other members of the cast and crew.
- (e) Non-deductible Meal:
 - (i) Performers required to report prior to the general crew call may be supplied, within one (1) hour of general crew call, with a reasonable hot meal and at least fifteen (15) minutes in which to eat this meal, provided that each Performer is properly informed at Call time of the Performer's entitlement to said meal. During this paid, non-deductible meal period, the Performer will be freed of all activity.
 - (ii) The next meal period shall be no later than six (6) hours from general crew call.
 - (iii) For the purposes of this Article, this non-deductible meal shall not be considered the "first meal".
 - (iv) If a hot meal is not made available, the provisions of this Article A1401 (a) to (d) shall apply.

A1402 Meal Not Provided

When the meal is not provided on set, all Performers, including Qualified Background Performers, shall receive a meal break of one (1) hour. Actual time spent in travelling to

and from the restaurant or other eating establishment shall be considered work time but shall not incur meal penalties.

A1403 Meal Penalties

If any Performer is unable to commence a meal period by the end of the sixth hour interval described in A1401 (Meal Period) above, the Performer shall be paid a meal penalty or penalties equal to such Performer's applicable minimum hourly overtime rate calculated in one-tenth (0.1) hour increments for all time after the sixth hour until the Performer's meal period begins, or the Performer is dismissed for the day. For purposes of this provision, the "applicable minimum hourly overtime rate" shall be the "overtime rate at 1.5" as specified in B101 or D101, as applicable.

A1404 Extension of the Work Period

- (a) The six (6) hour work period may be extended by the Producer for a maximum of two-tenths (0.2) hour which shall be neither scheduled nor abused. Should such extension extend past two-tenths (0.2) hour, then the meal penalty for Performers not broken or wrapped shall be retroactive to the end of the sixth hour of work.
- (b) The six (6) hour work period may be extended by the Producer for a maximum of one-half (0.5) hour, which shall be neither scheduled nor abused, to complete a camera take(s) in progress, until print quality is achieved, and/or for wrapping up. Should such extension extend past one-half (0.5) hour, then the meal penalty for Performers not broken or wrapped shall be retroactive to the end of the sixth hour of work.

A1405 Meal Facilities Not Available

It is understood that under certain circumstances, particularly on location, normal meal facilities may not be readily available. Should reasonable restaurant facilities not be available either by virtue of location or of scheduling, it shall be the Producer's responsibility to provide the meals at the Producer's expense on the set. It is understood that "snacks" (i.e., soft drinks, pizza, and hot dogs, etc.) do not constitute a proper meal.

A1406 Beverages / Environmental Awareness

The Producer shall provide coffee, tea, potable ice water and other soft beverages and use its best efforts to make them accessible to all on-set Performers. Further, the Producer shall use its best efforts to supply environmentally compatible containers for all such beverages.

A1407 Pacific Northwest Hours

Each Producer may institute a "Pacific Northwest Hours" system which consists of:

- (a) An eleven (11) hour period of elapsed time commencing with the general crew call and ending after camera wrap, which includes one (1) hour of paid meal period before work begins; or includes one-half (0.5) hour paid meal period before the shift begins and two (2) fifteen (15) minute paid breaks during the rest of such eleven (11) hour period;
- (b) This eleven hour work period shall be paid for as eleven (11) hours worked. Should work continue past the eleventh hour, such work shall be paid as required by Article A12 (Overtime) of this Agreement;

- (c) When a Producer elects to utilize Pacific Northwest Hours, each Performer who is placed on Pacific Northwest Hours shall be guaranteed nine (9) hours of pay, which includes one (1) hour of paid meal period. Such nine (9) hour period shall commence at the time of the general crew call;
- (d) A Performer who is given an early call (i.e., a Performer whose call is earlier than the general crew call) will not be placed on Pacific Northwest Hours, if the early call would result in the Performer working more than eleven (11) hours without a meal break;
- (e) Any Producer that institutes Pacific Northwest Hours will provide a continuing hot buffet accessible to the Performers;
- (f) Meal penalties shall apply if work continues past eleven (11) hours of elapsed time commencing with the general crew call, in which case meal penalties shall be paid commencing at the end of the sixth hour from the beginning of the Performer's Call; and
- (g) When a Producer determines in advance of a production day to schedule Performers on Pacific Northwest Hours, Performers who will be working under Pacific Northwest Hours will be so advised.

ARTICLE A15 - TIME FOR MAKE-UP, HAIRDRESSING, COSTUME FITTING

A1501 Time for Make-up, Hairdressing, etc.

All time spent by a Performer for make-up, hairdressing, wardrobe or fitting, immediately prior to the Performer's production Call, shall be considered as part of the regular eight (8) hour day.

A1502 Choosing and Fitting Wardrobe / Make-Up Tests

When a Performer is required to report on other than a regular production day for choosing or fitting wardrobe or for a make-up/hair test, there shall be a minimum call of two (2) hours for such work at the Performer's contracted hourly rate. Any work time in excess of two (2) hours shall be paid at Performer's contracted hourly rate, paid in one-tenth (0.1) hour units.

A1503 Costume Calls To Be Staggered

When a costume Call is required for any group of Performers, such Calls shall be staggered in order to avoid unnecessary waiting.

A1504 Hair and Restoration

- (a) No Performer shall be required to cut or change the style or colour of the Performer's hair unless this has been agreed upon prior to Booking. When significant changes to the style of the Performer's hair are required (including changes to the colour), the Producer shall be responsible for changing and maintaining the hairstyle or paying for the reasonable approved third-party costs of changing and maintaining the required hairstyle during production. If significant changes are made to a Performer's hair or a Performer's hair is significantly damaged during the course of production, at the Performer's election, the Producer

and the Performer will discuss and the Producer will provide reasonable accommodations to restore or repair the Performer's original hairstyle or establish a new hairstyle if the previous style cannot be reasonably restored or repaired (e.g., if previously long hair has been cut short).

- (b) No Performer shall cut or change the style or colour of the Performer's hair after the time of Booking without the consent of the Producer.

A1505 Hair and Makeup Consultations

- (a) On Productions that are providing hair and makeup services to Performer(s), each Performer, excluding Background Performer(s), shall be offered an opportunity to meaningfully consult with the hair and make-up department (or other production staff delegated to provide information to the applicable department(s)) regarding any hair and make-up needs (e.g., product and tool preferences, use of particular hairstyling techniques) prior to commencing work, so that the hair and/or make-up department is adequately prepared to work with the Performer, including ensuring that the Production has appropriate hair and make-up products and equipment.
- (b) Time spent in consultation under this provision is not work time.

ARTICLE A16 - WARDROBE

A1601 Regular Wardrobe Supplied by a Performer

Where the Producer requires the Performer to supply more than one (1) outfit of clothing in any Production, the Performer shall be compensated at the rate of twenty dollars (\$20.00) per outfit, per Production. The Producer may not specify wardrobe requirements as a condition of engagement.

A1602 Damage to Wardrobe Supplied by Performer

In the event that either regular or special wardrobe furnished by a Performer is damaged during work time through negligence on the part of the Producer or through an accident for which the Performer is not responsible (except for reasonable wear and tear), the Producer will reimburse the Performer for the cost of the repair or replacement as the case may be. Notice of such damage must be given to the Producer's representative at the end of the production day. Performers must provide the Producer with a receipt covering the cost of such repairs and replacements.

A1603 Wardrobe Repairs

Facilities for repair of wardrobe used by Performers shall be provided by the Producer.

(b) **Travel Time Payment**

- (i) Time spent in travel by the quickest available means of regularly scheduled carrier by a Performer (or such other arrangements which may be authorized) shall be considered as work time when travel time plus work time exceeds the work day. When travel time is to be paid, it shall be calculated from door-to-door or from central point to central point as agreed between the Union and the Producer and shall be paid at the Performer's contracted hourly rate in one-half (0.5) hour units to a maximum of eight (8) hours in any twenty-four (24) hour period.
- (ii) Travel Time Payment for Nearby Location outside Studio Zone: For those days on which the Production is on location outside of the Studio Zone, travel time and kilometres shall be calculated from the edge of the Studio Zone.

A1702 Per Diem Allowance

- (a) A per diem allowance of not less than the total applicable per diem listed below for each day the Performer is required to be away from home shall be paid in advance to cover all personal expenses. However, if meals or living accommodation are provided at the expense of the Producer, the per diem allowance may be reduced in the following manner:

A1703 Transportation Provided Under Certain Conditions

When the Producer requires a Performer to travel within the Studio Zone, the Producer will be obligated to ensure that public or private transportation is available. If such public or private transportation is not available and subject to prior approval by the Producer, cost of taxi transportation or ride-hailing transportation (e.g., Uber or Lyft) from location to residence within the Studio Zone shall be paid by the Producer. Transportation shall be provided by the Producer if travel by the quickest means of surface public transportation exceeds one (1) hour each way. Suitable and appropriate transportation (i.e., a Production vehicle or a taxicab) will be provided to Performers who require accommodation due to a disability.

A1704 Travel Outside Canada

The Producer shall pay all authorized actual expenses incurred by the Performer in travel outside Canada. The Performer shall support actual expenses by receipts where receipts are obtainable.

The Producer shall notify the Performer when flight insurance is not in place.

A1706 Parking to be Provided

to transport all Performers from the parking facility to the studio, location, or marshaling point and return.

A1707 More Favourable Terms

If the Producer agrees with another British Columbia labour organization employed on the same production to a different Studio Zone, a higher per diem allowance rate, a higher per diem for hold-overs on non-working days on distant location, or a higher allowance for Performer's use of their own vehicles, then the Union shall have the option of adopting the different Studio Zone, allowance rate or per diem for hold-over on non-working days, as the case may be, in lieu of the provisions of Articles A352 (Studio Zone), A1701(a)(ii) (Travel), A1702(a) (Per Diem Allowance), or A1801 (Hold Over on Location).

ARTICLE A18 – HOLD OVER ON LOCATION AND HOLDING CALLS

A1801 Hold Over on Location

In the event the Producer requires a Performer to be on location on a day or days either prior to or following a contracted day of work in any one (1) engagement, the Performer shall be paid fifty percent (50%) of the Performer's contracted daily fee for the first two (2) such days and one hundred percent (100%) of the Performer's contracted daily fee for each such subsequent day; provided that if the Performer arrives on location on the evening prior to the morning Call of a contracted day or if the Performer leaves the location on the morning following a contracted day when scheduled carriers are available, the Performer shall be entitled to payment in accordance with A17 (Travel, Transportation, and Expenses) for the day of arrival and departure only.

A1802 Holding Call

The period of the "Holding Call" shall commence at the hour specified by the Producer and shall end when the Performer is released from the "Holding Call."

ARTICLE A19 - CANCELLATIONS AND POSTPONEMENTS

A1901 Force Majeure

The Producer may declare a *Force Majeure* and suspend Production without prospective obligations to Performers as the result of an inability to provide work because of unforeseen circumstances beyond its reasonable control. *Force Majeure* includes, but is not limited to; riot, war, fire, earthquake, hurricane, flood, labour dispute, strike, injury to or *bona fide* illness of a leading cast member or the first unit director, or governmental regulation or order in a national or provincial emergency. In such unforeseen circumstance, the Producer shall furnish a statement in writing to the Union within twenty-four (24) hours, or as soon thereafter as practicable, as to the reason for the *Force Majeure*. Performers will be paid at least for the minimum call should the *Force Majeure* occur during working hours.

A1902 Cancellation of a Single Production

If a single Production is cancelled for any reason other than that provided in A1901 (Force Majeure), the Producer shall not be required to pay the Performers, provided notice of such cancellation is received by the Performers two (2) weeks in advance of the first Call and confirmed in writing. Should the Producer be unable to give a full two (2) weeks' notice, the Producer shall be liable for all time contracted in the two (2) week notice period.

A1903 Preference of Engagement Upon Remounting

When a cancelled Production is subsequently remounted within a period of twelve (12) months from the original cancellation, Performers originally contracted shall have first opportunity to accept their previous assignments on such Production. After the expiry of the twelve (12) month period, the Producer has no obligation to the original Performers.

A1904 Cancellation of a Series Production

Conditions for cancellation of a Series shall be the same as a single Production except that notice of cancellation for a Performer engaged for more than a single Episode but less than twenty-six (26) Episodes shall be not less than three (3) weeks and notice of cancellation to a Performer engaged for twenty-six (26) or more Episodes in a Series shall be not less than four (4) weeks. Failure by the Producer to provide notice as stated above shall make the Producer liable for all time contracted in the three (3) and four (4) week notice period referred to in the preceding sentence. Except as provided elsewhere in this Agreement (see A801 (Series Options)), a Performer may cancel out of a drama Series or drama Serial Production provided written notice of the Performer's intent to cancel is given to the Producer at least six (6) months prior to the effective date of the cancellation. Notice shall be deemed to have been given if sent by registered mail to the last known address of the Producer.

A1905 Cancellation of a Performer's Engagement

If the Producer cancels a Performer's Booking or engagement on a Production which is subsequently produced, such Performer shall be paid in full the Performer's contracted fee(s), except where the cancellation occurred for just and reasonable cause.

A1906 Change in Scheduled Days

If for any reason other than weather, the Producer changes a Performer's Booking or engagement to another day, the following conditions apply:

- (a) If the notice of change is given to the Performer less than twenty-four (24) hours before the hour scheduled for work to commence, the Performer shall be paid in full the Contracted Fee for the original day.
- (b) The Performer shall be paid fifty percent (50%) of the Contracted Fee for the original day if the notice of change is given to the Performer less than thirty-six (36) but twenty-four (24) hours or more before the hour scheduled for work to commence.
- (c) If thirty-six (36) or more hours' notice has been given, no payment to the Performer shall be required for the original day.

If such change in scheduled day conflicts with any other confirmed engagement, then the Performer shall be compensated in full for the engagement which the Performer is unable

to fulfill. For the purpose of this clause, where the Call Time of the Performer has not been specified, it shall be considered to be 10h00, except when it has been designated as a night shoot, in which case the Call shall be considered to be 19h00.

A1907 Postponement of Scheduled Call Time

If for any reason other than weather, the Producer postpones a Performer's scheduled Call time to a later time on the same day, the following conditions apply:

- (a) If the notice of postponement is given to the Performer less than eight (8) hours before the Performer's originally scheduled Call time, the Performer shall be paid from the Performer's originally scheduled Call time.
- (b) If the Performer has been given eight (8) or more hours' notice of postponement before the Performer's originally scheduled Call time, the Performer shall be paid from the Performer's postponed Call time.

A1908 Cancellation of Scheduled Days

- (a) If the Producer cancels a Performer's scheduled day or days, the Performer shall be paid in full the contracted fee for such cancelled day or days, except as modified by other provisions of Article A19 (Cancellations and Postponements).
- (b) When a Performer arrives on set for the Performer's scheduled Call time and is subsequently not used on that day, the day is not a "cancelled day" for the purposes of Article A334 (Net Fee) of this Agreement.

A1909 No Weather-Permitting Calls in Studio

No weather-permitting Calls shall be allowed for work in studio.

A1910 Illness

Should illness or other physical or similar cause prevent the Performer from carrying on the Performer's individual contract, the Performer shall provide a medical certificate. If the Performer is absent by reason of illness for more than one (1) day, the Producer may:

- (a) terminate the engagement forthwith upon payment to the Performer of monies accrued to the date of the Performer's absence; or,
- (b) suspend the engagement for the period of absence and subject to the Performer's other engagements entered into before the beginning of such period, extend the period of first Call by the period of absence.

A1911 Weather Cancellation

Where the Performer's scheduled day is cancelled because of weather at any time up to and including the scheduled Call, the following shall apply:

- (a) if the cancelled day is not rescheduled, the Performer shall be paid one hundred percent (100%) of the Performer's contracted daily fee; or,
- (b) if the cancelled day is rescheduled for a day when the Performer is available, the Performer shall be paid an additional fifty percent (50%) of the contracted fee for such rescheduled day; or,
- (c) if the cancelled day is rescheduled for a day on which the Performer has a prior Booking, the Producer shall:

- (i) excuse the Performer so that the Performer may fulfill the previous commitment; or,
- (ii) compensate the Performer to the extent of loss should the Performer be able to withdraw from the conflicting engagement.

A1912 Performance Default

Where a Performer does not fulfill a contracted engagement which causes a cancellation, postponement or a delay of production and subject to the Grievance Procedure, the Performer may be required to forfeit the Performer's fee, except where the Performer's failure to fulfill such an engagement is caused by illness (subject to A1910 (Illness)) or other reason beyond the control of the Performer. Certification of illness must be supplied if requested by the Producer. The Producer shall not withhold any of the Performer's fee pursuant to this Article, but may pay the disputed amount to the Union, in trust, pending the determination of an Arbitrator of whether there has been a breach of the contract by the Performer. A hearing in the selected forum shall convene within seven (7) days of a dispute arising under this Article.

Notice of such damage or loss shall be given to an authorized representative of the Producer at the time the loss is discovered but in no case more than twenty-four (24) hours after dismissal unless extenuating circumstances exist.

- (d) With respect to the facilities described in subparagraphs (a)(iv) and (v) above, Performers who do not identify as male or female may request special accommodations.

A2002 Safety Provisions for Dancers

Adequate time (up to thirty (30) minutes) and space must be provided to permit all Dancers to warm-up (perform limbering exercises) prior to dancing. In no event shall any Dancer be asked or assigned to rehearse on unsafe floors, or concrete cement, stone, or similar surfaces unless the surface is covered in such a manner as to result in a resilient dancing surface except on "camera day" when the requirements of other production equipment make use of such non-resilient surfaces unavoidable. It is understood that the Producer may request that the Union waive the above provisions which address non-camera day rehearsal when it is deemed that such precautions are not necessary for the style of dancing to be performed, such as the minuet. All Dancers shall be given prior notice if dancing on oily or wet surfaces is required. If a Dancer is not notified, the Dancer may refuse to perform on such oily or wet surfaces unless the Dancer has, or is provided, appropriate footwear.

A2003 Special Effects

Whenever fire, fog, smoke or other airborne special effects are used, the Performers shall be given leave, when they are not required on set, to go to another area where they may breathe clean air.

A2004 Easing of Work Rules

Upon written request by the Producer to the Union, the working provision of this Agreement may be waived where it is established that it is physically impossible to comply or that the burden involved in compliance is unreasonable. The rates and fees paid to a Performer shall not be waived or changed by any waiver.

A2005 Safety

The Producer and the Union agree that all safety procedures and/or guidelines required by law or by the Producer must be followed to protect the safety of Performers covered by this Agreement. Performers and the Producer are required to follow all safety rules and health standards, and the failure to do so can lead to disciplinary action including dismissal. However, no Performer shall be dismissed or otherwise disciplined for refusing to work in conditions that the Performer reasonably believes to be unsafe.

A2006 Medical Attention and Hospitalization

The Producer shall provide and pay for transportation to the nearest physician or hospital facility for any Performer who requires medical attention during working hours or on Distant Location. The Producer shall report the nature and place of hospitalization to the Union as soon as possible.

A2010 Suitable Private Space for Lactation and Pumping

A Performer may request suitable private space for lactation or pumping by giving reasonable advance notice of the Performer's need to the appropriate individual designated by the Producer for the receipt of such requests. Upon receiving the Performer's request, the Producer shall make best efforts to accommodate the Performer's request by providing a suitable private space. It is understood that the availability and type of spaces that may be used to accommodate the Performer's request may vary depending on factors such as the location at which production is operating.

ARTICLE A21 - UPGRADING

A2101 Upgrading of Performers

Where a Performer is upgraded in category during the course of production, (except as provided in D405 (Working in a Higher Category), i.e., Background Performers upgraded in a Background Performer category), the Performer shall receive payment in accordance with fees and rates for the higher category of performance for the entire period of the engagement in the same Program or Episode.

A2102 Upgrading of Background Performers

- (a) When a Background Performer by virtue of an Individual Characterization or the addition of unscripted dialogue is upgraded to a Principal Actor or Actor, the Performer shall be contracted and receive payment in accordance with the fees and rates for the higher category for the day on which the Performer is upgraded. If the Performer is called back for the same role in the same Production (meaning, in reference to Series, the same Episode), the Performer shall continue to receive payment in accordance with the fees and rates for the higher category of

performance for the remainder of the engagement. Otherwise, the Performer shall revert back to the original rate of engagement.

- (b) Where a Performer is initially hired as a Background Performer, but dialogue is added to the Performer's character in post-production, such Performer shall be upgraded to Principal Actor, or Actor and receive payment in accordance with the fees and rates for the higher category unless the Producer can provide to the Union a copy of a Performer contract and proof of payment showing that the off-camera Performer who provided voicing was compensated at or above the minimum fees in the applicable category provided for in this Agreement.

A Principal Actor or Actor may do such minor singing or dancing which is incidental to the Principal Actor's or Actor's dramatic Role without additional compensation. A Singer may speak lines or dance a few steps which are incidental to the Singer's Role, or a Dancer may speak lines or do such minor singing which is incidental to the Dancer's Role without additional compensation.

A2203 Participation in Off-Camera Crowd Noises

Participation in off-camera crowd noises shall not be considered as doubling, and is permissible without additional compensation.

ARTICLE A23 - OTHER DUTIES

A2301 Additional Services

When any Performer is required to provide additional services, such as contacting other Performers, arranging for Auditions, arranging for Rehearsal(s), etc., such Performer shall report to the Producer and to the steward the amount of time involved. The other Performer fee(s), including overtime, shall be subject to Use Fees (where appropriate) and shall be noted on a separate Performer contract. Additional time rates, i.e., overtime, travel, etc., may be paid at the other Performer rate.

A2304 Vocal or Dialogue Coach

- (a) A Vocal or Dialogue Coach will be paid no less than the rate as specified in Article B101 (Minimum Daily Fees (Per Performer/Per Program)) for each day worked on the engagement. A Vocal or Dialogue Coach shall be entitled to the benefits of all the terms and conditions of this Agreement, but this coaching does not attract Use Fees, except as set out in Article A2304(c) below.
- (b) Notwithstanding Article B102, for a Series, the fees for a Vocal or Dialogue Coach shall be calculated on the basis of the minimum daily fees (provided in Article B101 Minimum Daily Fees (Per Performer/Per Program)) per day of production.
- (c) **Double Contracting:** Vocal or Dialogue Coaches who perform in another Performer category (e.g., Principal Actor) on the same day(s) they provide, or are contracted to provide Vocal or Dialogue Coaching services, shall receive no less than the minimum daily fee for a Vocal or Dialogue Coach, plus the minimum daily fee for the other Performer category for that day. The other Performer fee(s), including overtime, shall be subject to Use Fees (where appropriate) and shall be noted on a separate Performer contract. Additional time rates, i.e., overtime, travel, etc., may be paid at the other Performer rate.

A2305 Reading Session

Performers shall be compensated for time spent in a Reading Session at the Performer's contracted hourly rate with a minimum two (2) hour call. [See also A345 (Reading Session).]

A2306 Rehearsal

Performers shall be compensated for time spent in Rehearsal at the Performer's contracted hourly rate with a minimum two (2) hour call. [See also A346 (Rehearsal).]

ARTICLE A24 - NUDE SCENES

When the requirements of a Role involve nudity, semi-nudity or simulated sexual activity, the following conditions, which are intended to ensure that Performers have adequate notice of what is expected and an opportunity to provide meaningful consent, and that measures are in place to ensure their safety and protect against abuse, apply:

A2401 Auditions

- (a) Performers shall be advised in advance of Auditions if nudity or simulated sexual activity is a requirement of the script.
- (b) No Performer shall be required to appear nude or semi-nude until after being auditioned as a Performer (i.e., as an Actor, Singer, Dancer, etc.) and in any case shall not be required to disrobe in whole or in part at the first Audition.
- (c) In the event that nude or semi-nude Auditions are to be held, the Producer must advise the Union in advance.
- (d) When a callback Audition requires nudity or semi-nudity, the Performer shall be notified of this requirement in advance.
- (e) The nude or semi-nude Audition will be for the sole purpose of viewing the body. The Performers shall not be required to perform in the nude or semi-nude at the Audition.
- (f) Such Auditions will be closed and will be limited to a maximum of five (5) persons who, it must be demonstrated, have a direct professional or artistic relationship to the Production and to the particular Audition. No other persons will be permitted to observe the auditions through the use of monitors or any other device that allows observation without being present. A representative of the Union may be present in addition to the five (5) Producer representatives.
- (g) No photos, filming, taping or preservation of the Audition, by any means whatsoever, will be permitted without the prior written consent of the Performer which written consent must be provided on a form approved by the Union. Access

to such materials shall only be granted to individuals with an essential business purpose. This material must be destroyed once it has served its purpose.

- (h) No simulated sexual activity shall be required of any Performer at any Audition.
- (i) Performers will be required to Audition nude or semi-nude on one (1) occasion only.

A2402 Contracts

- (a) The specific requirements, including but not limited to the exact nature of the scenes involving nudity, semi-nudity or simulated sexual activity, the maximum degree of nudity required, the nature of attire (see-through clothes, etc.) and any other relevant information pertaining to the scene which may reasonably be expected to give a full, true and complete disclosure of the nature of the nudity, semi-nudity or simulated sexual activity required must form part of the Performer's written contract and must be submitted to the Performer in writing at least forty-eight (48) hours prior to the signing of the Performer's contract. In exceptional circumstances, when a Producer is required to replace a Performer who has been previously contracted for a nude scene on short notice (i.e., within forty-eight (48) hours of said Performer's first contracted day), then the aforementioned forty-eight (48) hour provision may be waived provided that all other conditions of A24 (Nude Scenes) apply. The Producer shall notify post-production supervisors and editors with an essential business purpose of the applicable requirements.
- (b) Performers may refuse to do anything not specified in the Performer's contract without liability or forfeiture of any portion of the Contracted Fee.
- (c) All Performers' contracts must contain as a rider to such contracts all provisions of this Article.
- (d)
 - (i) The minimum fee for a Background Performer appearing nude in a scene shall be not less than that specified herein for an Actor, but such performance shall not attract Use Fees.
 - (ii) The minimum fee for any other Performer appearing nude in a scene shall not be less than that of a Principal Actor.

A2403 Rehearsal and Performance

- (a) With the exception of the final Rehearsal for camera and lighting, there will be no rehearsing in the nude or semi-nude.
- (b) During the final Rehearsal for camera and lighting, and during the shooting of scenes involving nudity, semi-nudity or simulated sexual activity, the set will be closed to all persons (and observation by means of a monitor prohibited), except for those having a direct and proven professional need to be present.
- (c) Nude or semi-nude photos will be taken only if the Performer gives prior written consent, said consent to specify the nature of the photo and the planned use of said photo. Access to such materials shall be granted only to individuals with a legitimate business purpose. Unused stills, Polaroids, etc. and negatives of such scenes will either be turned over to the Performer concerned or otherwise accounted for to the Performer's satisfaction.

- (d) Clips or stills of scenes involving nudity, semi-nudity or simulated sexual activity shall not be used in promotion, publicity, trailers or in the case of television in recaps of previous Episodes without the written consent of the Performer.
- (e) Using a body double for a Performer (who did not originally perform in the nude in the Production) to create a scene involving nudity, semi-nudity or simulated sexual activity in a Program shall not be done without the written consent of the Performer originally contracted for the Role. A complete description of the scene to be body-doubled will be submitted to the originally contracted Performer at the time consent to the use of a double is sought. Using a body double for a Performer is permitted where a Performer was contracted for and performed in a scene involving nudity, semi-nudity or simulated sexual activity in the Production and has given written consent, provided that the use of such body double is limited to the consent given.
- (f) With the consent of fellow Performers, in the scene, and with the consent of the director, the Performer may have a personal representative on the set.
- (g) Where necessary to verify contractual obligations, Performers may request to view the footage at the "fine-cut" stage of a scene in which they appear nude, semi-nude or in scenes involving simulated sexual activity. Permission to view such footage shall not be unreasonably withheld.

A2404 The Producer will use best efforts to engage an intimacy coordinator for scenes involving nudity or simulated sexual activity. The Producer will also consider in good faith any request by a Performer to engage an intimacy coordinator for other scenes. There shall be no reprisal against a Performer who requests an intimacy coordinator.

ARTICLE A25 - RISK PERFORMANCE

A2501 Undertaking of Risk Performance

Performers shall not be required to undertake Risk Performances. Whenever possible, Producers shall engage qualified Stunt Performers to undertake such work.

- (a) Where it is not possible to engage a qualified Stunt Performer and other Performers are called upon to undertake a Risk or dangerous Performance they may:
 - (i) negotiate an additional fee which shall not be less than the fee for a Stunt Performer; or
 - (ii) refuse to perform the Risk or dangerous Performance but such Performers shall be paid fully for the engagement.
- (b) Notwithstanding any agreement to proceed, the parties reserve the right to review the circumstances and require that a stunt fee be paid. If the parties fail to agree, the matter may be referred to the Grievance Procedure.

ARTICLE A26 - STUNT PERFORMANCE

A2601 Consultation

When a Stunt Performer attends a meeting called by the Producer to discuss the feasibility and/or engineering of a stunt, the Performer shall be paid a consultation fee at the Performer's contracted hourly rate for a minimum four (4) hour call. The foregoing fee will not be payable on days when such Stunt Performer is engaged to perform such stunt.

A2602 Performance and Fee

Upon the actual engagement of a Stunt Performer to perform a stunt, the minimum fee shall be the Principal Actor rate plus any additional amount (stunt adjustment) which may be negotiated between the Stunt Performer and the Producer or Stunt Coordinator in relation to the difficulties, danger and other pertinent details regarding the stunt to be performed. This stunt adjustment is not excluded from Net Fees and is therefore residual attracting.

A2603 Double Contracting

Except as provided for Stunt Actors, the contracted fee in A2602 (Performance and Fee) shall be exclusive of any performance in a residual category provided by a Stunt Performer as a Principal Actor, Actor, Singer, Dancer, etc. If the Stunt Performer, in performing the stunt, is only doubling photographically for another Performer, the contracted fee in A2602 (Performance and Fee) above is applicable. However, if the Stunt Performer, in addition to performing the stunt, also enacts the role of the "character" involved in the stunt (with the above noted exception for a Stunt Actor role), an additional performance fee applicable to the appropriate performance category (e.g., Principal Actor, etc.) shall be paid to the Stunt Performer. Incidental vocalization to enhance the presentation of the stunt performance shall not be counted in determining whether a performer meets the definition of Principal Actor or Actor.

A2604 Required Details of Contract Provided

Prior to any stunt performance, a contract will be signed between the Performer and the Producer specifying:

- (a) The precise nature of the stunt to be performed;
- (b) The Performer's agreement to perform the stunt as specified;
- (c) The amount of the fee for each performance of the stunt;
- (d) The nature of the agreement between the parties concerning indemnity.

A2605 Audition

The Producer may audition a Stunt Performer in order to establish the suitability of the Stunt Performer for photographic reasons, or reasons relating to an acting performance. However, a Performer so auditioned shall not be required to perform the intended stunt on a trial basis for Audition purposes; nor may such Audition be construed to be a consultation call as outlined in A2601 (Consultation).

A2606 Creating and Engineering Stunts - Stunt Coordinator

The Union will provide a list of Stunt Performers who have worked as Stunt Coordinators. The Producer agrees to consider Stunt Coordinators from this list prior to employing Stunt Coordinators from any other source. The Stunt Coordinator is responsible, under the direction of the Producer or its designee, for the casting and supervision of Stunt

Performers, the coordination of stunts and/or action sequences, and the coordination of Performer action as required. The creating and engineering of stunts, and the engagement and supervision of Stunt Performers shall be governed by the following:

- (a) Actual work involved in accomplishing the stunt, including engineering and planning details, shall be satisfactory to the Stunt Performer, particularly when the Performer has not been retained to coordinate the stunt as well as perform in it.
- (b) Double Contracting: Stunt Coordinators who perform on-camera the same day(s) they provide, or are contracted to provide, coordinating services, shall receive no less than the minimum daily fee for a Stunt Coordinator, plus the minimum daily fee for a Stunt Performer, for that day. The Stunt Performer fee(s), including stunt adjustment and overtime, shall be subject to Use Fees and shall be noted on a separate Performer contract. Additional time rates, i.e., overtime, travel, etc., may be paid at the Stunt Performer rate. A Stunt Coordinator shall not perform a stunt unless the performance of such stunt is authorized or approved by the Producer or by an authorized representative of the Producer, before the stunt is performed.
- (c) Stunt adjustments must be approved by an authorized representative of the Producer before the stunt is performed.
- (d) No Stunt Coordinator may provide services for more than one (1) Producer on the same day without the express written consent of each production, which consent will not be unreasonably withheld. (For example, it is not unreasonable to withhold consent when exclusivity has been contracted for with the Stunt Coordinator.)
- (e) It is the responsibility of the Producer or Production staff to communicate any scheduling changes.

A2607 Safety and Protection of all Performers

- (a) No Performer shall be required to work with an animal which a reasonable person would regard as dangerous in the circumstances unless a qualified animal handler or trainer is present on the set or location (see Article A2007 (Use of Animals)).
- (b) No Performer shall be rigged with any type of explosive charge of any nature whatsoever unless a qualified special effects person is present on the set or location. **All Performers rigged with an explosive charge (e.g., squibs) shall be considered undertaking a Risk Performance.**
- (c) All reasonable requests and requirements for safety equipment shall be complied with by the Producer or the Producer's representatives on the set or location.
- (d) Equipment provided by the Producer, e.g., autos, cycles, wagons, etc., shall be in suitable repair for the safe and proper performance of the stunt. Persons involved in the planning and/or execution of a stunt shall be entitled to inspect any vehicle, mechanical device and/or equipment to be used in a stunt on the day prior to its use, provided it is available. In any event, such persons shall have reasonable time for such inspections. No payment is due for any such inspection.
- (e) Stunt Performers shall have the right to negotiate for additional compensation for any stunt work required which is over and above that to which the Producer and Stunt Performers originally agreed.

- (f) An emergency medical care person, visually identifiable, shall be present on any set or location where hazardous work is planned. The Producer shall ensure that the person is properly equipped, establish the capabilities of nearby medical facilities and provide transportation and communication with these facilities.
- (g) When a Production requires scripted or non-scripted Stunts, a Stunt Coordinator shall be engaged and present on the set where appropriate in accordance with customary industry practice. No Performer without requisite training and/or experience shall be required to perform a Stunt without an opportunity for prior consultation by the Performer with such qualified Stunt Coordinator or such other individual with the requisite experience and/or expertise in the case that a Stunt Coordinator is not required.
- (h) Producers shall instruct Stunt Coordinators to notify the Union of scripted Stunts involving non-Stunt Performers, which notice shall include the date, and location, to the extent known.
- (i) The Performer's consent shall be a requisite precondition to performing Stunts or other hazardous activity. This consent shall be limited to the Stunt or activity described to the Performer at the time consent was given. They do not have to agree; the Performer may always request a double.

A2608 Stunt Driving Guidelines

When the Producer requires any of the following conditions to occur, a vehicle driver shall qualify as a Stunt Performer:

- (a) When any or all wheels leave the driving surface.
- (b) When the tire traction is broken, (e.g., skids, slides, etc.).
- (c) Impaired vision - where the driver's vision is substantially impaired by:
 - (i) dust;
 - (ii) spray (when driving through water, mud, etc.);
 - (iii) blinding lights;
 - (iv) restrictive covering of the windshield;
 - (v) smoke; or
 - (vi) any other condition restricting the driver's normal vision.
- (d) When the speed of the vehicle will be greater than normally safe for the conditions of the driving surface, or when other conditions such as obstacles or difficulty of terrain will exist or off-road driving, other than normal low-speed driving for which the vehicle was designed, will occur.
- (e) When any aircraft, fixed-wing or helicopter, is flown in close proximity to the vehicle creating a hazardous driving condition.
- (f) When the driver is required to drive in a position substantially different from a normal driving position (e.g., when the driver must drive while lying across the seat, or from the back seat).
- (g) When high speed or close proximity of two (2) or more vehicles will create conditions dangerous to the driver, passengers, by-standers, or the vehicle.

- (h) When for safety reasons, a Performer is doubled on-camera as driver or passenger in a vehicle, the double shall qualify as a Stunt Performer.

A2609 Insurance for Stunt Performers/Coordinators

The Producer will extend its General Liability Insurance policy or like policy to Stunt Performers and Stunt Coordinators.

A2610 Stunt Doubling for Females and Visible Minorities

When a Stunt Performer doubles for a role which is identifiable as female or a visible minority, and the race and/or sex of the double is/are also identifiable, every effort shall be made to cast qualified persons of the same sex and/or race involved. When the Stunt Performer is not so identifiable, the Producer shall use best efforts to increase the employment of women and visible minorities for such Stunts.

The practice known as “painting down” is presumptively improper. Any disputes regarding “painting down” shall be dealt with expeditiously and shall first be a discussion between the Union’s Director of Contracts (or designee) and the President of the AMPTP or the Vice-President, BC Industrial Relations, of the CMPA-BC (or their respective designees), or the Producer (if not an affiliate of the AMPTP or member of the CMPA-BC), as applicable. The parties will make good faith efforts to resolve the issue; however, if a resolution is not achievable, the Union retains the right to grieve.

A2611 Scripted Stunts

Except for bona fide emergencies, no Background Performer hired as such may be engaged for scripted Stunts on any production if, on that day, the Background Performer was engaged as a Background Performer in the same Production. A Stunt is a non-scripted Stunt when not called for or contemplated by the action in the script, and not pre-planned, pre-conceived or deliberately omitted for the purpose of evading this rule.

A2612 Equal Opportunity Stunts

The Stunt Coordinator shall ensure that equal opportunity for engagement is provided to all qualified and experienced Stunt Performers regardless of race, colour, ancestry, place of origin, political belief, religion, marital status, family status, physical or mental disability, sex (which incorporates pregnancy and breast-feeding), sexual orientation, gender identity or expression, and age except those roles which may be restricted because of specific requirements.

A2613 Nude Scenes

The provisions of Article A24 – Nude Scenes apply to Stunt Performers.

ARTICLE A27 - MINORS

A2701 Application

- (a) For the purposes of this Agreement, the term “Minor” shall refer to Performers under the age of seventeen (17).

- (b) Per Section 9 of the *Employment Standards Act*, parental consent must be obtained for the employment of all children under the age of fifteen (15). See Appendix F-1 Child Employment Consent Form.

A2702 Safety and Welfare of the Minor

(a) Right to Refuse

The utmost emphasis must be placed on the need to provide a safe and healthy working environment for Minors employed in the Film and Television Industry. No Minor shall be required to work in a situation which places the Minor in danger to life or limb, is unsafe or unhealthy, or if the Minor or parent/guardian has an honestly held belief that the Minor is in such a situation.

Circumstances which may place the Minor in an actual or perceived situation which is dangerous, unsafe or unhealthy may include:

(i) Dangerous Situations

If the Minor or parent/guardian believes the Minor would be in danger, the parent/guardian shall request an immediate consultation with the Producer's representative and/or stunt coordinator. The situation will be reviewed and discussed with the parent/guardian and Minor.

(ii) Stunts

The Producer must secure the written consent of the parent/guardian before any Minor may perform a stunt. (See also A2703(g).) A Minor may refuse in spite of consent.

(iii) Work with Animals

A Minor shall not be required to work with an animal which a reasonable person would regard as dangerous in the circumstances. The Producer must ensure that an animal handler or trainer qualified by training and/or experience is present and such handler or trainer can guarantee the safety of the Minor.

(b) Physical, Athletic or Acrobatic Activity

When the Minor is asked to perform physical, athletic or acrobatic activity of an extraordinary nature, the Minor's parent/guardian shall be advised of the activity prior to the engagement of the Minor. If, in the parent's/guardian's opinion, the Minor is fully capable of performing such activity, the parent/guardian must expressly inform the Producer's representative that the Minor is fully capable.

(c) Safety Equipment

The Producer will comply with any reasonable request from the Minor or parent/guardian for equipment that may be needed for the safety of the Minor.

(d) Minors Employed in Scenes Depicting Minor Abuse or Carnal Acts

If a Minor is employed to perform in a scene that depicts Minor abuse, nudity or carnal acts, the Producer shall consult with the parent/guardian and make available to the Minor and the Minor's parent/guardian a qualified mental health professional (psychiatrist, psychologist, social worker) to assist the Minor in preparing for participating in any such depiction. A Minor shall not be present during such scenes unless it is essential for the Minor to be on-camera.

A2703 Role of Parent/Guardian**(a) Parent/Guardian Responsibilities**

The parent/guardian must be familiar with the conditions set forth in Article A27 Minors.

(b) Parent/Guardian/Chaperone Must be Present

The parent/guardian/chaperone must be on the set, has the right to be within sight and sound of the Minor and is responsible for the Minor at all times while the Minor is on the set. It is recommended that a monitor that provides both audio and video feeds be made available for the parent/guardian/chaperone to view filming of a scene when circumstances restrict the number of people on set. The parent/guardian/chaperone to Minor ratio shall be no greater than:

AGE OF MINOR	NUMBER OF MINORS PER PARENT/GUARDIAN/CHAPERONE
15 days - 5 yrs	One (1)
6 to 11 yrs	Three (3)
12 to 16 yrs	Five (5)

One (1) parent/guardian may be designated for up to a maximum of three (3) of their own Minors provided that the parent/guardian is working as a background performer directly in the scene with their Minors.

The parent/guardian and Producer may apply in writing to vary the ratios as set out above pursuant to Article A2708.

Upon request of the parent/guardian/chaperone of a Performer aged 17, the rights set forth above shall apply to the Performer.

(c) Parent/Guardian Must Accompany Minor When Traveling

Notwithstanding A2703(b), the parent/guardian must accompany the Minor when traveling to a location in which the Minor will be housed overnight. The Producer shall be responsible for all travel, food and accommodation expenses.

Upon request of the parent/guardian/chaperone of a Performer aged 17, the rights set forth above shall apply to the Performer.

(d) Emergency Medical Authorization

The parent/guardian shall execute an Emergency Medical Authorization form which will enable the Producer to obtain necessary emergency medical treatment for the Minor.

(e) Parent/Guardian Disclosure

The parent/guardian shall disclose to the Producer, in writing, any medical history or condition or any attitudinal or psychological condition of their Minor of which the parent/guardian is aware which might foreseeably interfere with, or have an impact on, the Minor's ability to carry out the role for which the Minor is being considered.

(f) Parent/Guardian Must be Familiar with Minor's Role

Before the Minor commences employment, the parent/guardian must review the Minor's script or discuss with the Producer any role which the Minor is employed

to portray. The Assistant Director, Casting Director, and Talent Agent will make best efforts to convey the role to the parent/guardian. If necessary, to ensure the parent's/guardian's understanding, an interpreter will be provided, at the Producer's expense, to describe the nature of the role.

- (g) **Parent/Guardian Must Execute Written Consent for all Stunts**
The parent/guardian must execute a written consent permitting the Minor to perform any stunt. Prior to the parent/guardian executing written consent, the stunt will be described in a language in which the parent/guardian is fluent.
- (h) **Rest and Recreation**
The parent/guardian/chaperone will work closely with the Producer to ensure adequate rest and recreation is provided for the health and safety of the Minor.
- (i) **Chaperone Proxy**
The parent/guardian may designate another adult, over nineteen (19) years of age, who is not the Producer or the tutor, or employee of the Producer or tutor, to act as the parent/guardian's proxy and such chaperone will assume, in writing to the Producer, all responsibilities and liabilities of the parent/guardian imposed by these provisions. A chaperone or proxy, not being the legal guardian of the Minor, has no legal authority to provide any consent on behalf of a Minor. Accordingly, the chaperone or proxy's assumption of responsibilities and liabilities does not apply to paragraphs A2702(a)(ii), A2703(d), (e) and (f) and the parent/guardian declaration.
- (j) **Additional Adults for Multiple Minors/Infants**
When more than one (1) Minor/Infant of a parent/guardian is employed on the same production at the same time but at separate locations, it is the responsibility of the parent/guardian to ensure that there is one (1) adult to care for each Minor/Infant. Each parent/guardian may be counted as one (1) adult.
- (k) **Statutory Remittances**
The parent/guardian has a fiduciary duty to manage the Minor's income from the employment, which includes making certain that the appropriate statutory remittances are paid.
- (l) **Five (5) Out of Seven (7) Day Workweek**
The parent/guardian shall not permit the Minor to work more than five (5) days out of each seven (7) consecutive day period unless prior permission is granted in advance for a sixth day of work pursuant to A2708.

A seventh consecutive day of work is prohibited.

A2704 Infants

- (a) **Infant Defined**
An Infant is a Minor less than two (2) years old and more than fifteen (15) days old. A Minor less than fifteen (15) days old shall not be permitted to be employed.
- (b) **Physician's Statement**
It is recommended that the parent/guardian should secure a written statement from a physician confirming that the physician has examined the Infant, that the Infant is in good health and that there is no reason why the Infant should not be employed.

- (c) **Adequate Facilities for Infant**
The Producer will provide adequate sanitary facilities for the care and rest of Infants when employed. This will include a crib, changing table and a private, quiet and warm area where the Infant may be fed and may rest without being held.
- (d) **Appropriate Food**
The Producer shall ensure that craft services provide appropriate food items specific to the age groups of Minors on set. The Producer will provide appropriate storage facilities for Infants' or Minors' food items.
- (e) **Exposure to Light**
An Infant will not be exposed to light of greater than one hundred (100) foot candle intensity for more than thirty (30) seconds at a time.
- (f) **Multiple Infants**
When more than one (1) Infant is employed, it is the parent/guardian's responsibility to ensure that there shall be one (1) adult to care for each Infant.
- (g) **Handling Infants**
Hands should be washed before and after handling Infants and before and after changing diapers.
- (h) **Altering an Infant's Appearance**
When substances are used for altering an Infant's appearance, provisions should be made for bathing the Infant. Foods which commonly cause allergic reactions will not be used to alter the appearance of the Infant's skin, unless their use is specifically approved by a medical doctor. These foods include, but are not limited to, raspberry and strawberry jams, jellies, preserves and peanut oil.
- (i) **Infant Wardrobe/Props**
Once wardrobe and props have been issued by the production for use on/with an Infant, the wardrobe and props should not be reissued for another Infant until the wardrobe has been laundered and the props have been disinfected.
- (j) **Sanitizing Infant Accessories**
Infant accessories provided by the production, such as bassinets, cribs and changing tables, must be sanitized at the time of delivery to the set, and on a regular basis. Infant accessories shall not be exchanged from one (1) Infant to another without first having been sanitized.

A2706 Education Conditions

- (a) **Tutor Required**
The Producer shall provide a tutor for any Minor Performer who normally attends school (i.e., Grade 1 through Grade 12) and any Performer aged 17 or 18 who normally attends school (i.e., Grade 1 through Grade 12) in the following circumstances:
- (i) The Performer works three (3) or more school days in a production week. If work is scheduled for two (2) days in a production week, but goes beyond two (2) days unexpectedly, the Producer will make best efforts to have a

tutor on the Performer's third day of work in that production week and will have a tutor on any subsequent day of work in that same production week.

- (ii) The Performer is guaranteed work on two (2) or more school days in each of three (3) or more consecutive production weeks.
- (iii) The Performer works two (2) school days in each of three (3) consecutive production weeks, in which event the Producer shall provide a tutor for each consecutive production week thereafter in which the Performer works two (2) school days.

Except as otherwise provided above, the Producer must provide a tutor from the first day of employment unless the Performer can complete a regular school day at the Performer's regular school on each day of work, as per A2706(d).

(b) **Qualification Standards for Tutors**

The tutor will hold a British Columbia Certificate of Qualification from the Teacher Regulation Branch of the British Columbia Ministry of Education and Child Care. However, if a Minor is from another country, that Minor's tutor may be a teacher qualified from that country's jurisdiction provided the tutor has submitted to a *Criminal Records Review Act* (CRRA) search and no relevant criminal record exists.

(c) **Area for Schoolwork**

- (i) When tutoring is required pursuant to Article A2706(a), the Producer will be responsible for providing an adequate teaching area that is quiet, clean, heated, and adequately lit. The Producer will also be responsible for providing basic school supplies and appropriate furniture, including a table and a chair.
- (ii) When tutoring is not required pursuant to Article A2706(a) and a Minor works on a day that the Minor would normally attend school, the Producer shall, when practicable, provide a designated space that is quiet, clean, heated and adequately lit, with appropriate furniture including a table and a chair, so that the Minor can perform school work during production down time.

(d) **Adequate Time Per Day**

- (i) Except as provided by the banking of hours provisions (A2706(f)), daily tutoring shall occur during the work day and shall not be less than three (3) hours per work day.
- (ii) It is recommended that the Minor be tutored in a minimum of twenty (20) minute blocks.
- (iii) When a Minor cannot normally attend regular school because the Minor is away from home on location and is required to work during school time, the Minor shall receive at least five (5) days of tutoring in every seven (7) consecutive days except for weeks in which a statutory holiday occurs, and then only four (4) days of tutoring is required.

- (iv) When a Minor between the ages of six (6) and eleven (11) years attends school and works on the same day, the Minor's total hours of school and work shall not exceed the hours allowed in A2705(f) for their age group.
 - (v) When a Minor between the ages of twelve (12) and sixteen (16) years attends school and works on the same day, the Minor's total hours of school and work may exceed the hours allowed in A2705(f) for the Minor's age group provided the Minor's work day ends no later than 10:00 p.m. (2200 hours).
 - (vi) Under special circumstances, a Producer, and a parent/guardian as the case may be, may apply for permission pursuant to Article A2708 to have the Minor work and attend school when the specific circumstances would require a variance to A2706(d). Such permission must be sought in advance and will not be unreasonably withheld.
- (e) **Number of Students Per Tutor**
- (i) The Producer shall provide a ratio of not more than ten (10) Minors per tutor, except that up to twenty (20) Minors may be taught per tutor if the Minors are in not more than two (2) grade levels.
 - (ii) If the tutor is not qualified in both elementary and high school and the Minors concerned are of both age groups, there shall be two (2) tutors, one (1) tutor qualified at the elementary school level and one (1) tutor qualified at the high school level.
- (f) **Banking Tutoring Time**
- Banking of tutoring time is to be done only when the combined work/school schedule is unusually heavy.
- (i) Banking is a privilege and shall be monitored. The tutor may decide that it is in the best interest of the Minor to cease banking of hours.
 - (ii) Banked time is not to exceed twelve (12) hours per month and must be used within thirty (30) days of the last banked time worked. During summer holidays, to prepare for the commencement of regular school, the bank may exceed twelve (12) hours but may not exceed more than one (1) week of the allowable hours available in a normal work period, depending on the age of the Minor. All banked time must be completed by the end of the Production Shooting schedule.
 - (iii) Usage of banked time shall be paid. Banked hours may not extend the workday beyond that set out in A2705(f).
 - (iv) To qualify as banked time, the Minor must always be under the immediate supervision of the tutor.
 - (v) When regular school is not in session, the maximum hours that may be banked on a non-working day are five (5) hours for any Minor. Non-working days are school holidays, school vacation, summer holidays and weekends.

- (vi) When a Minor attends regular school on a day when the Minor has not worked, the Minor may be tutored separately after school for purposes of banking an additional maximum two (2) hours per day.
 - (vii) A maximum of three (3) hours of banked time for elementary grades and four (4) hours for high school grades may be used in any one (1) work day in lieu of on-set tutoring, provided they do not exceed the maximum hours of work for that Minor's age group.
 - (viii) It is the Producer's responsibility to ensure an accurate record is kept of when tutoring time is banked and when it is used. The Producer must keep records of tutoring hours for each Minor for a period of two (2) years.
 - (ix) "Homework" is not to be counted as banked tutoring time.
 - (x) The Producer may request to vary the provisions of A2706(f) through the process in A2708 providing the Parent and tutor have consented to the modification.
- (g) **General Provisions**
- (i) If the Minor's regular instruction is primarily in a language other than English, the Producer will use best efforts to provide instruction in that language.
 - (ii) The tutor, in consultation with the Producer, shall determine the required number of hours to be devoted to instruction during a work day, but a Minor must be taught at least three (3) hours per day. The maximum number of hours that may be set aside for tutoring on a work day follows:
 - (A) for grade one (1) through grade six (6): six (6) hours,
 - (B) for grade seven (7) through grade ten (10): seven (7) hours.

The Producer shall notify the Minors' parents of the name of the Minors' Coordinator. On any set on which six (6) or more Minors are engaged, the sole responsibility of the individual designated as Coordinator shall be the welfare and comfort of the Minors.

It is highly recommended that the Producer ensure that the designated Minors' Coordinator has undergone the Criminal Records Review Act search and no relevant criminal record exists.

A2708 Requests for Variance - Adjudication and Umpire

This Article shall apply to requests for permission relating to or variance from the following provisions of Article A27: A2703(b) "Parent/Guardian/Chaperone Must be Present" (ratio of parents/guardians/chaperones to children); A2703(l) "Five (5) Out of Seven (7) Day Workweek;" A2705(c) "Work Window Per Day Extensions;" A2706(d) "Adequate Time Per Day" (school attendance and work hours per day); and A2706(f) "Banking Tutoring Time."

The Producer and the Union will each use best efforts to achieve consensus in a timely manner on any exceptions outlined above. The Producer will transmit such requests via email or telephone call to the dedicated UBCP Representative (“the Union Representative”). The Union Representative shall designate an individual to address such requests when the Union Representative is absent.

The Producer shall identify any such request as “Urgent -- Minor Variance Request” in the email subject line or when calling UBCP reception. The request must come in the form of Appendix “F-2” - Request for Variance Form and will contain the name of the Minor, the age of the Minor, the name of the Production, type of Production (e.g., feature film or television series), the name and contact information of the contact person for the Production, the nature of the variance sought, the relevant provision(s) of the Agreement and any supporting documentation or information.

The Union hereby pledges to devote its urgent attention to such requests. The Union will respond to requests containing all relevant information, within twenty-four (24) hours, with the exception of those requests that are received on a day preceding a weekend, in which case the Union will have one (1) business day to respond. If the Union does not respond in the stipulated timeframes, the variance request will be deemed granted.

In the event the Producer and Union Representative are unable to reach agreement on the request, the Producer may appeal the matter to the Director of Contracts. If the parties are still unable to reach an agreement, they agree that such matters may be referred to adjudicator/umpires Brian Foley at (604) 488-0067, Irene Holden at (604) 691-2555 or ireneholden@shaw.ca or Joy Bischoff at (604) 676-1574 or joybischoff@telus.net (in that order based on availability) for determination.

All parties agree that these matters are urgent and the goal of this procedure is to ensure that the Producer obtains a determination of its request in sufficient time to allow for planning the Production schedule. To that end, the adjudicator/umpire shall have the flexibility to determine the procedure best suited to ensuring the rendition of a timely decision, including whether to convene a hearing or whether to act solely upon written submissions. The adjudicator/umpire may hear the matter via telephone (or Internet-based technology), rather than in person, and may require that the parties submit documentation electronically.

The adjudicator/umpire shall render an expedited decision. It is expected that the adjudicator/umpire shall render a decision immediately after the hearing and/or reading the submissions, but in no event shall the adjudicator/umpire render a decision more than twenty-four (24) hours after the close of the hearing or submission of the matter. The adjudicator/umpire may render a decision orally and without the necessity of written submissions or briefs. The adjudicator/umpire’s decision is binding.

The Union and the Producer shall each bear its own fees, costs and expenses of this process and the parties shall share equally the costs of the adjudicator/umpire.

- (d) an account for the benefit of the Minor if approved by a court of competent jurisdiction.

Disputes as to whether contractually agreed screen credit has been accorded shall be subject to the Grievance Procedure.

A3506 Failure to Provide Credit

Should the Producer fail to provide the credits on the Program as required above, the Producer agrees to the following remedy:

- (a) to correct the omission prior to public showing where practicable; or
- (b) if correction as in (a) above is not practicable, to fulfill the intent of the provisions for credit by inserting in appropriate daily and/or trade papers announcements for the sole purpose of identifying the Performer whose credit has been omitted. The specific Periodicals and the size and content of the announcements will be the subject of negotiation between the Producer and the Performer. Should the parties fail to agree on the nature of these announcements, the matter may be submitted to the Grievance Procedure for resolution. Cost of these advertisements will be borne by the Producer.

A3507 Union Logo

The Producer shall include the Union logo on the credit or cast roll if the logo of any other union or guild is included in the credit or cast roll as a result of a provision first negotiated in a collective agreement in British Columbia after the effective date of this agreement, and if the Union provides the logo on a timely basis.

ARTICLE A36 - PAYMENT OBLIGATIONS

A3601 Payment

All fees and payments must be paid to Performers no later than the fourth business day following the end of the week in which the performance occurred. All remittances and supporting documentation must be forwarded to the Union no later than two (2) calendar weeks following the end of the week in which the work was performed.

A3602 Late Payment Penalty

In the event that payment of fees is not forthcoming as prescribed in A3601 (Payment), the Producer shall pay to the Performer or the Union, as the case may be, a late payment charge equal to the prime lending rate (as posted on January 1st of each year by the Bank of Canada) plus two percent (2%) per annum calculated on the total outstanding fees, beginning with the first day following the day payment was due. If the Union provides notice to the Producer of the late payment and the Producer fails to cure the delinquency within five (5) business days, the Producer shall pay to the Performer or the Union, as the case may be, a late payment charge of twenty-four percent (24%) per annum (calculated at two percent (2%) per month) and prorated on a daily basis, of the total outstanding fees, beginning with the first day following the day payment was due. This provision shall not apply when the Producer has filed with the Union a *bona fide* dispute relating to the fees payable.

A3603 Use of Payroll Service

In the event that the Producer uses a payroll company or other outside person(s) or entity (hereinafter referred to collectively as the "payroll service") to handle or facilitate the payment of wages or other benefits to or on behalf of a Performer covered by this Agreement, the Producer agrees and acknowledges that it is and remains the Producer and employer for the purposes of all the provisions of this Agreement and that the Producer remains liable and responsible for compliance with such provisions.

A3604 General Payroll Failure

In the event of a general payroll failure:

- (a) The Union shall discuss any general payroll failure situation with the Producer prior to invoking any action under this Article. If such discussions do not result in a resolution of the situation, and upon prior notice thereof to the Producer, the Union may proceed in accordance herewith. However, economic action pursuant to this Article shall not be taken by the Union in the event of a *Force Majeure*.
- (b) The Union is entitled to take the following economic action:
 - (i) demand payment of a delinquent charge of twenty-four percent (24%) per annum, calculated at two percent (2%) per month and prorated on a daily basis of the total amount of such unpaid monies, for each thirty (30) day period or part thereof, beginning with the first day following the fifteenth day;
 - (ii) demand the immediate posting of a cash bond in accordance with Article A417 (Performance Bond); and
 - (iii) notwithstanding any other provision in this Agreement, if the Producer does not comply with (i) and (ii) above, or fails to supply sufficient evidence of the Producer's intention to comply, then forty-eight (48) hours after the Union has delivered the demand for the bond, the Producer agrees the Union may direct the Performers not to work on the Production, and it shall not be a violation of this Agreement for the Performers to cease work or take any other economic action the Union thinks necessary, until all sums due and owing have been paid in full and the bond has been posted, and the Union may immediately institute action at law or equity, or before an administrative tribunal, to obtain payment of the sums. In any action brought either in arbitration or in a Court or tribunal of competent jurisdiction, the claims arising out of non-payment shall include all costs and expenses of the proceedings, including reasonable legal and accounting fees. These rights shall be in addition to all other remedies available to the Union.
- (c) The Producer agrees:
 - (i) to pay the delinquency charges referred to in (b)(i) of this Article if demanded as above provided;
 - (ii) to post the bond referred to in (b)(ii) of this Article if demanded as above provided; and

and for any affected Performers without further assignments or authorization from them.

A3605 Right of Audit

The Producer agrees that, for the purposes of verifying the propriety of payments made under this Agreement, the Union shall have full access to and shall be entitled to examine and audit at annual intervals, or more frequently if warranted by the circumstances as determined by the Union, at normal place of business and normal business hours, all books, records, accounts, receipts, disbursements and any other relevant documents related to the Program.

A3606 Purchaser's Assumption Agreement

- (a) If the Producer sells, assigns, or otherwise disposes of any production produced under this Agreement or any rights thereto, to a party that is not a Distributor (in which case Article C503 (Distributor's Assumption Agreement) will apply), the Producer shall not be relieved of any of its obligations for payments due under this Agreement, unless the third party to whom the said property or rights have been sold, assigned, or otherwise disposed of (the Purchaser) assumes the obligations for such payments by a Purchaser's Assumption Agreement in the form contained in Appendix "H" and the Union approves the assumption in writing. Such approval shall not be unreasonably withheld.
- (b) Upon seeking the approval of the Union to a sale, assignment or other disposition as provided for herein, the Producer shall provide to the Union such information and material pertaining to the Purchaser as the Union may reasonably require, including but not limited to, the financial status of the Purchaser, the individual principals and/or directors of the Purchaser, and the terms and conditions of the Purchase Agreement.

- (a) In consideration of the free-lance employment nature of most Performers, the Union shall maintain Insurance programs which provide such benefits to Members as life insurance, dental care, accidental death and disability coverage, weekly indemnity benefits, and extended health care.
- (b) The design and extent of coverage and entitlement of the Insurance programs shall be at the sole and absolute discretion of the Union.

A3704 The Plans

The terms and provisions of the Insurance and Retirement programs designed and maintained by the Union - including the design, extent of coverage, entitlement and qualification for the benefits provided under those programs - shall be at the sole discretion of the Union, and funds payable to the Union pursuant to this Article including, without limitation, the equalization payments, may be used and applied by the Union in such manner and for such purposes as may be determined in the sole and absolute discretion of the Union. For greater certainty, the equalization payments belong exclusively to the Union.

A3705 Maximum Contributions

The maximum contributions per Performer pursuant to this Article A37 (Performer Benefits) with respect to each contract of engagement shall be:

A3706 Remittance

The contributions and deductions pursuant to this Article A37 (Performer Benefits) shall be payable by cheque to the Union no later than two (2) calendar weeks following the end of the week in which the work was performed for the same period covered by the Production payroll. A3708 Reallocation of Contributions

The Union shall have the right to reallocate the percentage contributions made by the Producer to the Union under Article A413 (Administration Fee) and A37 (Performer Benefits) of this Agreement upon providing notification to the Producer.

A3709 Other Plans

If a Performer is hired pursuant to the SAG-AFTRA agreement, payments will be made in accordance with that agreement. However, if:

ARTICLE C3 - PREPAYMENT OPTIONS**C301 Preamble**

The Producer may acquire unrestricted Use rights as specified below. The Producer shall declare and specify the media Uses of the Program for which Prepayment is being made on the individual contract of the Performer. Prepaid Use payments must be paid to Performers at the time of Production.

The Producer shall notify the Union, in writing, regarding the date of first use in a residual market. Unless the Union is otherwise notified by the Producer, the date of first use in a residual market for a Theatrical motion picture shall be deemed to be six (6) months after Theatrical release. With respect to long-form television programs and television Series produced primarily for distribution outside of Canada, the date of first use in a residual market shall be deemed to be thirty (30) days after the completion of principal photography unless the Union is notified otherwise by the Producer. With respect to television programs intended primarily for distribution in Canada, the date of first use in a residual market for long-form television programs and television series shall be nine (9) months after the completion of principal photography unless the Union is otherwise notified by the Producer. With respect to productions made for New Media, the date of first use in a residual market shall be deemed to be the day after expiration of the Declared Use period. Where it is established that the actual date of first use in a residual market is earlier than the deemed date, the actual date shall apply.

(a) Theatrical Motion Pictures

When the Program's Declared Use is Theatrical, the Producer may pay one hundred thirty-five percent (135%) of the Performers' Net Fees for unrestricted worldwide use in all media enumerated in C101 (Distribution Rights) above (or one hundred thirty percent (130%) of the Performers' Net Fees for unrestricted worldwide use in all media enumerated in C101 (Distribution Rights) above, excluding New Media) for a period of four (4) years from the date of first use in a residual market. After the expiration of such four (4) year period, the Producer will pay three and six-tenths percent (3.6%) of "Distributors' Gross Revenue," as that term is defined in C4 (Participation in Distributors' Gross Revenue Option) below ("DGR"), with

respect to all media other than Theatrical, for which the Producer retains unrestricted worldwide Theatrical use for the period of the copyright of the Program.

(b) **Free Television Series**

When a Program's Declared Use is Free Television, the Producer may pay one hundred ten percent (110%) of the Performers' Net Fees for unrestricted worldwide use in all media enumerated in C101 (Distribution Rights) above, excluding Theatrical (or one hundred five percent (105%) of the Performers' Net Fees for unrestricted worldwide use in all media enumerated in C101 (Distribution Rights) above, excluding Theatrical and New Media), for a period of five (5) years from the date of first exhibition in a residual market. Before the expiration of any five (5) year period, the Use Fees may be renewed for an additional five (5) year period upon payment of an additional one hundred ten percent (110%) (or one hundred five percent (105%)) of the Performers' Net Fees. In lieu of renewing a five (5) year period, the Producer will pay three and six-tenths percent (3.6%) of DGR with respect to all subsequent exploitation of the Program.

(c) **Free Television Long-Form Programs**

When a Long-Form Program's Declared Use is Free Television, the Producer may pay one hundred ten percent (110%) of the Performers' Net Fees for unrestricted worldwide use in all media enumerated in C101 (Distribution Rights) above, excluding Theatrical (or one hundred five percent (105%) of the Performers' Net Fees for unrestricted worldwide use in all media enumerated in C101 (Distribution Rights) above, excluding Theatrical and New Media), for a period of four (4) years from the date of first exhibition in a residual market. Before the expiration of any four (4) year period, the Use Fees may be renewed for an additional four (4) year period upon payment of an additional one hundred ten percent (110%) (or one hundred five percent (105%)) of the Performers' Net Fees. In lieu of renewing a four (4) year period, the Producer shall pay three and six-tenths percent (3.6%) of DGR with respect to all subsequent exploitation of the Program.

(d) **Cable TV**

When a Program is made primarily for Cable Television, the Producer may pay one hundred ten percent (110%) of the Performers' Net Fees for unrestricted worldwide Use in all media enumerated in C101 (Distribution Rights) above, excluding Theatrical (or one hundred five percent (105%) of the Performers' Net Fees for unrestricted worldwide Use in all media enumerated in C101 (Distribution Rights) above, excluding Theatrical and New Media), for a period of five (5) years from the date of first exhibition in a residual market. Before the expiration of any five (5) year period, the Use Fees may be renewed for an additional five (5) year period upon payment of an additional one hundred ten percent (110%) (or one hundred five percent (105%)) of the Performers' Net Fees. In lieu of extending a five (5) year period, the Producer shall pay three and six-tenths percent (3.6%) of DGR with respect to all subsequent exploitation of the Program.

(e) **New Media**

When a Program's Declared Use is New Media, see Appendix R ("Productions Made for New Media") for prepayment options.

(f) All Other Media Enumerated in C101 (Distribution Rights)

When the Declared Use is other than Theatrical, Free Television, Cable TV or New Media, the Producer may pay one hundred ten percent (110%) of the Performers' Net Fees for unrestricted worldwide use in all media enumerated in C101 (Distribution Rights) above, excluding Theatrical (or one hundred five percent (105%) of the Performers' Net Fees for unrestricted worldwide use in all media enumerated in C101 (Distribution Rights) above, excluding Theatrical and New Media), for a period of four (4) years from the date of first exhibition in a residual market. After the expiration of such four (4) year period, the Producer will pay three and six-tenths percent (3.6%) of DGR with respect to all subsequent exploitation of the Program.

(g) Conversion to Theatrical

When a Program has a Declared Use other than Theatrical, and is distributed for Theatrical Use, the Producer shall pay to the Performers the following percentages of the Performer's Net Fees for unlimited Theatrical Use:

- (i) Programs sixty (60) minutes or less in length: 15%
- (ii) Programs exceeding sixty (60) minutes in length: 30%

(h) In the event the Producer elects to pay the one hundred thirty percent (130%) prepayment in subparagraph (a) above or the one hundred five percent (105%) prepayment in subparagraphs (b), (c), (d) or (f) above, and the Producer exploits the Program in New Media, the Performers shall be paid New Media Use Fees in the aggregate in the amount of three and six-tenths percent (3.6%) of DGR.

ARTICLE C4 - PARTICIPATION IN DISTRIBUTORS' GROSS REVENUE OPTION**C401 Percentages of Non-Refundable Advance**

The Producer may pay, at the time of production, one (1) of the following percentages of Net Fees as a Non-Refundable Advance against the following Use Fees for all Uses set forth in Article A357(a)(i)-(viii), based on Performer Participation in Distributors' Gross Revenue:

Option Number	Non-Refundable Advance (% of Net Fees)	Participation in Distributors' Gross Revenue
1	100.0%	3.6%
2	75.0%	4.6%
3	50.0%	5.6%
4	25.0%	6.6%

The Advance Option may not be accessed for foreign service produced Series. For clarity, co-productions and co-ventures shall not be considered foreign service productions.

C402 Limitation of Selection of 25% Advance

(a) The only circumstances which will allow a Producer to select Option #4 above, and therefore make a twenty-five percent (25%) Advance payment under Article C401 (Percentages of Non-Refundable Advance) is if there are only exclusively Canadian pre-sale(s) as of the first day of principal photography of the Production, which pre-sale(s) includes one (1) of the Declared Uses, as defined in Article C101

(Distribution Rights). Unless the Production pre-sale(s) fulfills these conditions the Producer shall not be entitled to exercise Option #4. In the event that prior to the completion of principal photography of a Production or a Series there is a non-Canadian sale, the Producer shall immediately and retroactively increase the Advance payment to at least fifty percent (50%). Where the Producer is entitled to exercise Option #4, they must complete the declaration in Appendix “O” (Declaration Respecting Option for 25% Advance).

- (b) A Producer who exercises Option #4 without strictly fulfilling all of the foregoing conditions shall be liable to pay damages to the Union in respect of the Performers affected, based on the difference in the Participation Advance payment calculated at the rate of seventy-five percent (75%) (Option #2), less the Participation Advance payment actually made, and the Performers concerned shall continue to be entitled to participate in Distributors' Gross Revenue derived from the Production at the rate provided in option #4, i.e., six and six-tenths percent (6.6%).

C403 Participation in Gross - Participation Advance

After the Producer has elected to make Participation Advance Payments as set out in C401 (Percentages of Non-Refundable Advance), Performers shall be paid, as Use Fees, an aggregate amount equal to the applicable percentage of *Distributors' Gross Revenue*, provided that no amounts shall be paid until such time as the Aggregate Participation Advance is recouped from the *Distributor's Gross Revenue*.

C404 Limit on Individual Participation Advance

The parties acknowledge that the maximum amount of an individual Performer's Participation Advance shall be fifty percent (50%) of the Gross Fees payable to such Performer in respect of the Production.

C405 Calculation of Aggregate Participation Advance

For purposes of calculating additional Use Fees, the Aggregate Participation Advance shall be the total of all the Participation Advance payments paid to Performers on a Production, with the following cap or limitation: No Performer shall be credited with an Participation Advance payment greater than the amount equal to the number of days of principal photography multiplied by twelve (12) times the minimum daily fee for a Principal Actor as set out in Article B101 (Minimum Daily Fees (Per Performer/Per Program)).

C406 Payment of Use Fees

Additional Use Fees shall be payable to the Union and shall be distributed to Performers pursuant to the provisions of Article C409 (Distribution of Payments). Although the individual Participation Advance payments in excess of the limitation specified in Articles C404 (Limit on Individual Participation Advance) and C405 (Calculation of Aggregate Participation Advance) payable to individual Performers may not be credited to the Aggregate Participation Advance, the Union shall have the right to take into account such excess Participation Advance payment to an individual Performer when determining the allocation that will be made to the said Performer under Article C409 (Distribution of Payments).

C407 Distributors' Gross Revenue (“DGR”) shall mean all monies derived in any manner whatsoever from the distribution of the Production, including through the sale, license or other like means of distribution of the Production and shall be calculated before or simultaneously with any other gross participants from first dollar, without deductions of expenses of any kind. In the case of animated Productions, DGR shall include only revenues from licenses of the English Language version of the Productions. For greater certainty:

- (a) Monies derived through the exploitation of ancillary, allied and underlying rights and like rights, such as merchandising, novelization and sequel rights, shall not be included in DGR.
- (b) DGR shall also mean all monies received by those Distributors with which the Producer has entered into a Distribution Agreement (the "Head Distributor") in respect of the Production. The DGR shall also include all monies received by sub-distributors which:
 - (i) are related to or which do not have an arm's length relationship with, the Producer or the Head Distributor; or
 - (ii) have an obligation to report and remit Revenue directly to the Producer or Head Distributor.
- (c) Pre-sale revenues shall be included in DGR. A pre-sale means the grant of a license or rights to utilize a Production, prior to production, to an end user, for consideration. The amount of verified distribution Advances, i.e., payments received by a Producer from a Distributor, shall not be included in Distributor's Gross for the purpose of triggering the payment of Use Fees to Performers, however, a Distributor shall not be entitled to deduct the amount of the Advance from the amount of the DGR, for the purpose of the calculation of Use Payments.
- (d) Notwithstanding the foregoing, DGR derived from EST and the sale or rental of Compact Devices shall be deemed to be equal to twenty percent (20%) of the wholesale selling price. In the event that the wholesale selling price of Compact Devices is at or less than the typical sell-through price to wholesalers (currently thirty dollars (\$30.00) per unit), the deemed Distributors' Gross shall be ten percent (10%) of the wholesale selling price.
- (e) The Producer, at the time of the Production, will make a reasonable allocation of revenues for the purposes of determining which portion thereof is attributable to the Declared Use and/or prepayment and which portion thereof is attributable to the Gross Distributors' Revenue upon which Use Payments are based, subject to the right of the Union to refer any difference to Arbitration under Article A10 (Grievance Procedures and Resolution). If, as a result of this allocation, Use Fees become payable from the DGR, the said Fees shall be payable to the Union at the time of Production.
- (f) **Packaging**
It is acknowledged by the parties that distributors may seek to diversify their risks by packaging more successful and less successful Productions. Where Productions are packaged together for the purposes of distribution, the parties shall allocate the revenue attributable to each individual Production, subject to the right of the Union

to refer any difference to the Arbitration under Article A10 (Grievance Procedures and Resolution).

(g) **Official Treaty Co-productions**

(i) While DGR includes revenue from all sources on a worldwide basis, in respect of Official Treaty Co-productions certified by Telefilm or by any successor organization, the DGR shall be:

(A) all those revenues derived from the distribution of the Official Treaty Co-production in those territories to which the Canadian Co-producer is exclusively entitled to distribution revenues and has no obligation to report or remit revenues to the foreign co-producer;

(B) a proportion of those revenues derived from the distribution of the Official Treaty Co-production in those territories in which the Canadian Co-producer is entitled to distribution revenues on some shared basis with its foreign co-producer, which proportion shall be equal to that proportion of revenues agreed by the co-producers to be paid to the Canadian Co-producer from such territories (the "Canadian Share"). The Canadian Share shall be no less than the percentage of the total amount of the Production budget financing derived, directly or indirectly, from any Canadian source(s).

(ii) Prior to production, the Producer shall disclose the Production's status as an Official Treaty Co-production to the Union, and will provide the following information to the Union:

(A) the name and legal status of the Co-producers;

(B) the details of the agreement between or among the Co-producers in respect of the manner in which the revenues from the Official Treaty Co-production will be divided between (or among) them, including details of territories to which either Co-producer is exclusively entitled to distribution revenues and has no obligation to report or remit revenues to the other, and any material amendments to the agreement in such respect.

(h) If the Negotiating Producers negotiate with any other trade union or association that bargains collectively on behalf of its members a definition of DGR (or the equivalent) which in some or all aspects is superior to the definition in this Article, the definition hereunder shall be amended to reflect the improvement.

C408 Reporting and Payment Procedure

(a) The Producer shall deliver to the Union reports setting forth the amount of DGR in respect of the Production, derived in the applicable accounting period. Each report shall be delivered to the Union in the same manner and frequency as the Producer reports to government agencies and/or other financiers, but it shall be no less than semi-annually for the first two (2) years following the first report filed hereunder and annually thereafter. The first report shall be due sixty (60) days following the last date of the first reporting period and the ensuing reports shall be due in the frequency provided above. The first reporting period is the period immediately following the delivery of the Production to the Distributor. The reports will be

accompanied by the aggregate Use Payments payable to Performers and an outline of the method of calculation of the said payment.

- (b) At the request of the Union the Producer will consent to the release of true copies of the reports dealing with DGR, filed with the government agencies and/or other financiers, subject to the right on the part of the Distributor to edit the reports on the grounds that they contain confidential information.
- (c) The Producer (or Distributor) shall be deemed to hold the aggregate Use Payments in trust for the Performers, from the time that Gross Revenues are recognized, until the disbursement of same to the Union on the due date, i.e., the date that each report is due. In the enforcement of this Article, the Union, subject to its rights as a creditor, shall agree to not hold any representative of a Producer (or Distributor) liable in negligence, provided the said representative acts in a bona fide fashion. The DGR shall be recognized when a contract for the sale or conveyance of any rights in a Production is made, but Use payments shall only be payable when the reports are due under this Article C408(a) above.
- (d) If the currency of the DGR is other than the Canadian Dollar, the Use payment shall be calculated at the exchange rate for the said currency, on the basis of the established practice of the Producer or Distributor, which practice shall be disclosed in writing to the Union upon request. If the practice is amended at any time such amendment shall be disclosed to the Union.
- (e) Payments shall be made to the Union in trust for the Performers concerned. The Union shall be entitled to make a claim of interest on payments received after the due date as provided herein, i.e., the date the reports are due to be filed, at the Prime rate of interest, as of the due date, plus three percent (3%), calculated monthly, which claim shall be enforceable under the terms of this Agreement.
- (f) When a Producer selects any of the Advance Options the Producer shall deliver to the Union:
 - (i) the calculation of the total amount of Advance payments, certified by the Production Accountant or Controller, and the backup material in this regard;
 - (ii) the first report that is due to the Union pursuant to Article pursuant to this Article C408(a);
 - (iii) the information and Use Fees, if any, payable under C407(e) (Distributors' Gross Revenue).

C409 Distribution of Payments

Use payments shall be distributed to Performers by the Union on the following basis:

- (a) Units will be assigned to Performers as follows: One (1) unit shall be defined as the minimum fee payable to the lowest rated residual category for one (1) day of work. Performers shall receive units according to the Gross fee paid to that Performer for the production of the Program to a maximum of twenty (20) units per Performer.
- (b) For each Program, the total revenue will be divided by the total units accumulated by all Performers with respect to the Program involved and therefore a dollar value will be assigned to each unit. The distribution made to each individual Performer

will be based on the number of units the Performer has accumulated and the dollar value calculated in the preceding sentence.

- (c) Stunt Coordinators and Choreographers will participate in units assigned to Performers on the aggregate amount of DGR and will form part of the ratable distribution to Performers.

ARTICLE C5 - RESIDUALS ADMINISTRATION

C501 Selection of Use Payment Option

The election made by the Producer to pay Use Fees under C2 (Individual Use Option) or C3 (Prepayment Options), or C4 (Participation in Distributors' Gross Revenue Option) shall be the same for each Performer engaged on the Production. For clarity, if a Producer elects to Prepay Performers as set out in Article C3 (Prepayment Options), all Performers engaged in respect of the Production shall be entitled to receive the same percentage of fees as a Prepayment. On the other hand, if a Producer elects to make Participation Advance payments as set out in Article C4 (Participation in Distributors' Gross Revenue Option), the Producer must select the same percentage of the Participation Advance and thus provide for the identical rate of participation in the DGR for each Performer on the Production.

C502 Fair Market Value

The Producer and/or Distributor shall meet with the Union to determine the fair market value for distribution of a Program should such program be distributed for Use by means of barter, or exchange, or other means for which no charge is made or a nominal fee is charged, or as part of a package of Programs. The Use fees payable to Performers shall be based on such agreed fair market value or as determined under the terms of Article A10 (Grievance Procedures and Resolution).

C503 Distributor's Assumption Agreement

- (a) If the Producer, its successors and assigns, licenses, sells, disposes or otherwise conveys any distribution rights in a Production produced under this Agreement, the Producer shall use its best efforts to obtain a Distributor's Assumption Agreement. In respect of any outright valid sale or conveyance hereunder, (i.e., a disposition, the terms of which, do not include a requirement to report revenue to a Producer) a Distributor's Assumption Agreement is a condition precedent to said sale or conveyance. The said Agreement shall be in the form attached as Appendix "I" (Distributor's Assumption Agreement).
- (b) Upon seeking the approval of the Union to an assignment, license, sale, disposition or conveyance of distribution rights the Producer shall also provide to the Union such information and material pertaining to the Distributor, as the Union may reasonably require, including but not limited to, the financial status, the individual principals and directors of the Distributor, and the conditions of the Agreement of Purchase and Sale.
- (c) The Producer shall not be relieved of any of its obligations for payments due under this Agreement, unless the distributor to whom the distribution rights have been

sold, assigned, or otherwise disposed of (the Distributor) assumes the obligations for such payments by a Distributor's Assumption Agreement in the form contained in Appendix "I", and the Union approves the assumption in writing. The Union's approval shall not be unreasonably withheld.

C504 Administration Charge

The Producer shall assist in defraying the cost of administering this section of the Agreement which involves the distribution of Use payments. The administration fee payable shall be one percent (1%) of the total amount to be distributed. The minimum administration charge shall be one hundred dollars (\$100.00) per Program payable as an advance with the first Use Fee payment to be distributed by the Union.

C505 Security Agreement

A Security Agreement in the form of Appendix "J" shall be provided to the Union, prior to the completion of principal photography and the Performance Bond provided under Article A417 shall not be released by the Union until the delivery of the said executed Security Agreement. When it is contemplated that the Production or Program will be distributed outside of the jurisdiction in which it is produced, the Union may request, and the Producer will provide, additional Security Agreements in forms which are registerable in the jurisdictions where, in the opinion of the Union, the Production or Program may be distributed.

C506 Re-Use Payments Forwarded to the Union

All re-use payments, other than those made at the time of production, shall be forwarded directly to the Union for distribution to Performers.

A weekly fee equal to four and one-half (4.5) times the applicable daily rate may be applied to Background Performers who are contracted as Stand-ins. The fee shall include forty (40) hours of time worked during a five (5) day period in any one (1) week. For work in excess of eight (8) hours in any one (1) day or for work on a sixth or seventh consecutive day, the overtime provisions of Article A12 (Overtime) shall apply. The hourly rate shall be based on the appropriate Daily Fee divided by the Minimum Call for that classification set forth in D101(a) (Minimum Daily Fees (Per Qualified Background Performer)) above except as provided in D105 (Multiple Programs). The overtime rate shall be based on the hourly rate or the Performer's contracted hourly rate, whichever is greater. Stand-ins who are engaged on a weekly rate shall remain on a weekly rate for the duration of their engagement on the Production. The weekly rate may be applied on a *pro rata* basis of one-fifth (0.2) of the Stand-in's weekly rate for each day worked during a partial workweek, provided that the Stand-in is engaged for at least seven (7) consecutive days.

D104 Agency Fees

Only such deduction or withholding as may from time to time be provided by law or this Agreement may be made from compensation paid by the Producer to the Background Performer. The Background Performer shall not be required to pay any agency fee directly or indirectly.

D105 Multiple Programs

Background Performers may work on more than one (1) episode in a day if given an eight (8) hour minimum call.

D106 Vacation Pay

All of the rates in this Section D (Minimum Fees and Conditions for Background Performers) include a four percent (4%) vacation payment required pursuant the B.C. Employment Standards Act which shall be noted separately on the Performer's remittance statement.

ARTICLE D2 - DEFINITIONS (QUALIFIED BACKGROUND PERFORMER)

D201 Qualified Background Performer means a member of the Union or a person holding a work permit.

D204 Special Ability Background Performer means a Background Performer engaged to perform, either alone or as a member of a team or group, special silent businesses with a level of physical proficiency or other physical skills superior to that of the average person, provided that such level of proficiency or other physical skills shall be deemed to exclude stunt work as provided for in Articles A25 and A26. Examples of such special silent businesses are:

- (a) water-skiing, diving, skin or scuba diving;
- (b) driving a marine vessel or a commercial motor vehicle, or any motor vehicle requiring a specialized license (i.e., a license other than a Class 5 driver's license);

No Background Performer shall be required to perform choreographed dances.

D208 No Engagement of Non-Members Employed by Producer

No fee, gift or other remuneration shall be demanded or accepted by any person having authority to hire, employ, or direct services of Background Performers.

D209 Omnies

Any Background Performer who speaks atmospheric words, commonly known in the industry as "omnies", is entitled to the General Background Performer wage for that particular call.

ARTICLE D3 - QUALIFICATION OF BACKGROUND PERFORMERS

D301 Preference of Engagement

- (a) Subject to Article D501 (Minimum Number of Qualified Background Performers Required), prior to offering Background Performer engagements to non-members of the Union, the Producer shall:
 - (i) Inform the Union of the requirements for Background Performers, at the same time as giving notice of such requirements to the casting director.
 - (ii) Offer engagement to Members of the Union who are suitable for the engagement and who indicate that they are prepared to accept such engagement.
 - (iii) Where Union Members are unavailable the Producer shall offer engagement to Apprentice members who indicate that they are prepared to accept such engagement.
 - (iv) Producers shall offer employment to UBCP Background Members when Union Members and Apprentice Members are unavailable.
- (b) The Producer shall direct the person(s) responsible for selecting or contracting Background Performers on each Production to adhere to the foregoing undertaking.
- (c) The Producer may not avoid this responsibility by sub-contracting the function of the Background Performers Casting Coordinator to a person, firm, or corporation.
- (d) The Union will supply to the Producer a copy of an up-to-date list of Union Members and Apprentice Members who are available for Background Performer work.

- (e) Local Hires: On any location outside the limits of the Vancouver or Victoria Studio Zone, the Producer shall have the right to hire local Background Performers, provided that any Union Members in the area who are identified as available for Background Performer work on the list provided by the Union are given first consideration for such work. Local hires are subject to the work permit requirements of Article D303 (Permit Fees).

D302 Filing of Background Performer Work Report

The Producer shall file on a daily basis with the Union office (or provide to the Union steward) a completed Daily List of Background Performers (as shown in Appendix "L").

D303 Permit Fees

Apprentice Members, UBCP Background Members, non-members, and members who are not in good standing with the Union, who are engaged as Qualified Background Performers shall be permitted to work upon payment by such person of a work permit fee to the Union of fifteen dollars (\$15.00) per day.

D304 Stand-ins / Continuity Background Performers to be Members

Only Union Members (with preference first to Full Members and then to Apprentice Members) shall be engaged in the categories of Stand-in or Continuity Background Performer except in the following circumstances:

- (a) Minors;
- (b) where Union members are unavailable;
- (c) where unique characteristics are required;
- (d) once the quotas under D501 (Minimum Number of Qualified Background Performers Required) have been satisfied, Continuity Background Performers may be retained on subsequent days;
- (e) where Continuity Background Performers are engaged to work outside the limits of the Vancouver or Victoria Studio Zones pursuant to Article D301(e) (Preference of Engagement – Local Hires).

ARTICLE D4 - CONDITIONS OF ENGAGEMENT (QUALIFIED BACKGROUND PERFORMERS)

D401 Booking and Upgrades

Upon Booking, Background Performers shall be given specific notice of wardrobe requirements, category of Background Performer work and, if known:

- (a) any prosthetics or special make-up that is required; or
- (b) use of rain towers; or
- (c) when work in artificial smoke and/or fog is required.

Background Performers shall be given specific notice of the date, time and place of production (whether interior and/or exterior) not less than twelve (12) hours prior to Call time (or upon Booking, if Booking occurs within twelve (12) hours prior to Call time), subject to unexpected occurrences that can be verified (e.g., a change in the production schedule or the need to comply with turnaround for cast or crew).

If a Background Performer is not provided with specific notice of work described in D401 (a), (b) or (c) above upon Booking and there is a *bona fide* health and safety reason why the Background Performer is unable to perform duties that require work described in D401(a), (b) or (c) above, the Background Performer shall have the right to refuse such work and receive four (4) hours of pay or compensation for actual time worked, whichever is greater. Failure to notify a Background Performer of work described in D401(a), (b) or (c) above shall not, however, limit the Producer's right to require that Background Performer to do other Background Performer work, in lieu thereof, if such other Background Performer work exists.

Union members shall have the right of first refusal with respect to upgrades, additional work time, and additional work days, except for the purposes of continuity in a scene or specific characteristic requirements.

D402 Voucher Requirement

The Producer shall not require the Background Performer to commence work without a completed Union Background Performer Voucher (Appendix "M") or a completed Non-Qualified Background Performer Voucher (Appendix "M-1") designating the category of work.

D403 Wardrobe/Make-up/Hair Call

When a Background Performer is required to report on other than a regular production day for choosing or fitting wardrobe or for a make-up/hair test, there shall be a minimum call of two (2) hours for such work at the Background Performer's contracted hourly rate. Any work time in excess of two (2) hours shall be paid at the Background Performer's contracted hourly rate.

D404 Minimum Call

The minimum call for all Background Performers is eight (8) hours. There may be one (1) unpaid meal break during an eight (8) hour call, such break to occur not earlier than one (1) hour following the commencement of work. Work in excess of eight (8) hours shall be payable at the appropriate overtime rate.

D405 Working in a Higher Category

If a Background Performer is upgraded to a higher-rated Background Performer category in the course of a work day, then the higher rates shall prevail for that entire work day. If the Background Performer is called back for the next day and the Producer intends that the Background Performer shall revert back to the original rate of engagement, the Background Performer shall be notified of such intention at the time of the callback.

D406 Working in a Higher Category Noted

Any adjustment to a higher category and rate shall be noted on the Background Performer Voucher (Appendix "M") and the Non-Qualified Background Performer Voucher (Appendix "M-1"), at the time, and initialed by the Producer or designated representative.

D407 Wardrobe

When a Background Performer is required to provide more than one (1) change of clothing in the same session, the Background Performer shall receive additional compensation at the rate of fifteen dollars (\$15.00) per outfit change.

A suitable area shall be provided for the storage of Background Performers' clothing.

D408 Specialized Wardrobe

When a Performer is required to report in specialized wardrobe (i.e., tuxedo, tailcoat, formal gown, or clown uniforms) the Background Performer shall receive additional compensation at the rate of twenty-five dollars (\$25.00) per change per production week or part thereof (thirty-five dollars (\$35.00) per change per production week or part thereof effective April 6, 2025).

Note: For purposes of clarification, a "week" as used in this Article D408 is understood to be seven (7) consecutive days, commencing from the Performer's first contracted day.

D409 Compensation for Supplying Specialized Items

Whenever a Background Performer agrees to furnish specialized items at the request of the Producer for use on camera by the Production, the Background Performer shall be compensated as follows:

- (a) for an automobile or other form of vehicular transportation, not less than forty dollars (\$40.00) per day (not less than forty-five dollars (\$45.00) per day, effective April 4, 2027);
- (b) for a dog or other animal, not less than thirty-five dollars (\$35.00) per day; or
- (c) for specialized equipment (e.g., scuba diving equipment), not less than thirty-five dollars (\$35.00) per day.

D410 Inclement Weather

No Background Performer will be required to be exposed to inclemency or extremes of weather for unreasonably long periods of time. During intemperate or inclement weather, Background Performers will be allowed a rest period of not less than ten (10) minutes per hour, when they will be able to seek shelter from the elements, provided that completion of the shot shall not be considered a breach of this Article.

D411 Doubling in Background Performer Categories

Whenever a Background Performer is requested to work in more than one (1) category, but no upgrade as per Article D405 (Working in a Higher Category) is involved, the Background Performer shall receive an additional fifty percent (50%) of the daily fee of the higher category, for each additional category, from the time of the first call until the Background Performer's wrap time.

ARTICLE D5 - NON-QUALIFIED BACKGROUND PERFORMERS**D501 Minimum Number of Qualified Background Performers Required**

- (a) Except as provided in (b), below, whenever the Producer engages seventeen (17) or more Members as Background Performers (not counting Special Ability Background Performers or Stand-ins) in a particular Production on a particular day, the Producer may engage any additional number of persons to perform crowd work.
- (b) On any theatrical motion picture with a budget of more than twenty million dollars (\$20,000,000.00), whenever the Producer engages twenty-seven (27) or more Members as Background Performers (not counting Special Ability Background Performers or Photo Doubles) on a particular day, the Producer may engage any additional number of persons to perform crowd work.
- (c) Non-Qualified Background Performers must complete the Union Non-Qualified Background Performer Voucher (Appendix "M-1") prior to commencing work. The Producer will provide a copy to the Performer at the end of the Performer's work day.

E101 The following conditions and minimum rates shall apply for the Dubbing (as defined in Article A318) of Programs.

ARTICLE E2 - HOURS OF WORK

ARTICLE E8 – PARTICIPATION IN CROWD NOISES

E801 Participation in crowd noises shall not be considered as doubling, and is permissible without additional compensation.

SECTION F – ARTIFICIAL INTELLIGENCE

This Section F applies prospectively to live action Productions based on the effective dates set forth herein.

To the extent practicable, Producers shall endeavour to comply with the provisions of this Section F on or after the first day of the term of this Agreement but prior to the effective dates set forth in F102, F103, and F104 below.

The parties acknowledge that Producers have historically used digital technologies to replicate or alter a Performer's voice or likeness (e.g., CGI, audio/visual effects) during all stages of production (e.g., pre-visualization, pre-production, production, post-production, distribution, marketing) and may continue to do so, consistent with their historical practices.

ARTICLE F1 – DIGITAL REPLICATION AND ALTERATION

F101 Digital Replicas Definitions

- (a) An “Engagement-Based Digital Replica” is a replica of the voice or likeness of the Performer that is created:
 - (i) in connection with engagement on a Production under this Agreement;
 - (ii) using digital technology;
 - (iii) with the Performer's physical participation; and
 - (iv) is for the purpose of portraying the Performer in photography or sound track in which the Performer did not actually perform.
- (b) An “Independently Created Digital Replica” is a digitally-created asset that is:
 - (i) intended to create, and does create, the clear impression that the asset is a natural Performer whose voice and/or likeness is recognizable as the voice and/or likeness of an identifiable natural Performer;
 - (ii) performing in a Role (and not as the natural Performer); and
 - (iii) no engagement arrangement for the Production in which the Independently Created Digital Replica will be used exists with the natural Performer in the Role being portrayed by the asset.

Engagement-Based Digital Replica(s) and Independently Created Digital Replica(s) may be referred to collectively herein as Digital Replica(s).

F102 Engagement-Based Digital Replica

This Article F102 applies when a Performer, excluding a Background Performer, is engaged by the Producer under this Agreement under a contract entered into on or after July 6, 2025 to render services as a Performer on a Production and, in connection with that engagement, the Producer (directly or through a third party) requires the Performer to provide services for purposes of creating an Engagement-Based Digital Replica or uses an Engagement-Based Digital Replica as provided herein.

- (a) **Services for Creation of Engagement-Based Digital Replicas**
 - (i) A Producer must notify a Performer no less than forty-eight (48) hours in advance of the time the Performer's services are required to create an Engagement-Based Digital Replica, or at the time of engagement if the

Performer is engaged less than forty-eight (48) hours in advance of the time the Performer's services are required to create an Engagement-Based Digital Replica. The Producer must obtain the Performer's consent (in accordance with the below) to provide services for purposes of creating an Engagement-Based Digital Replica of the Performer for use in connection with a Production. The consent must be clear and conspicuous and may be obtained through an endorsement or statement in the Performer's contract that is separately signed or initialed by the Performer or in a separate writing that is signed by the Performer.

- (ii) When a Performer provides services for purposes of creating an Engagement-Based Digital Replica on the same day the Performer performs other work for the Producer under this Agreement, any time spent by the Performer in connection with creating the Engagement-Based Digital Replica shall be treated as work time.

In the event a Performer is required to provide services for purposes of creating an Engagement-Based Digital Replica on a day when the Performer does not perform other work for the Producer under this Agreement, the Performer shall be paid one (1) day at the minimum daily fee for the appropriate category. In the event that the Producer has scheduled such services in order to accommodate the schedule of a Performer, the Performer shall be paid one-half (½) of the minimum daily fee for the appropriate category for a four (4) hour session. If the session exceeds four (4) hours, the Performer shall be paid one (1) day at the minimum daily fee for the appropriate category.

- (iii) Notwithstanding the foregoing, no additional payment is due to a Performer for providing services for purposes of creating an Engagement-Based Digital Replica on a day when the Producer is required to pay the Performer for any services or travel; provided, however, that if the Performer is paid less than the applicable minimum daily fee prescribed in (ii), above, the Producer shall also pay an additional amount necessary to reach the applicable minimum daily fee prescribed in (ii), above.

(b) **Use of an Engagement-Based Digital Replica**

For purposes of this Article F102(b), “use” of an Engagement-Based Digital Replica refers to use of an Engagement-Based Digital Replica created pursuant to Article F102(a) above that is intended to create, and does create, a depiction of the Performer, excluding a Background Performer, that gives the clear impression that the Performer represented by the Engagement-Based Digital Replica actually provided services to create image, photography and/or sound when, in fact, the Engagement-Based Digital Replica was used in lieu of the Performer.¹ (See F104 below for provisions regarding use of an Engagement-Based Digital Replica to digitally alter a Performer's performance in photography or sound track previously recorded by the Performer.)

¹ The parties acknowledge that Producers have customarily used digital technologies to depict activities incapable of being performed by a human without serious risk to life or health and/or for use in scenes in which the performer is not recognizable (e.g., a masked character); such uses are not subject to Article F102(b).

(i) **Use in the Production for Which the Performer Was Engaged**

- (A) A Producer may use a Performer's Engagement-Based Digital Replica in connection with a Production for which the Performer was engaged upon obtaining consent to the extent required herein. The Producer must obtain the Performer's consent to use the Engagement-Based Digital Replica in new photography or sound track not previously recorded by the Performer; provided, however, that no consent is required when the photography or sound track remains substantially as scripted, performed and/or recorded.

Any consent required must include a reasonably specific description of the intended use of the Engagement-Based Digital Replica in that Production. Consent must be clear and conspicuous and may be obtained through an endorsement or statement in the Performer's contract that is separately signed or initialed by the Performer or in a separate writing that is signed by the Performer.

Any consent that the Performer granted during the Performer's lifetime shall continue to be valid after the Performer's death unless explicitly limited otherwise. In the event the Performer is deceased at the time the Producer seeks any required consent (and the Producer has not already obtained consent during the Performer's lifetime or the Performer's consent is no longer valid after death), the Producer shall obtain the consent of the authorized representative (or the Union, if the deceased Performer's authorized representative cannot be identified or located) who represents the deceased Performer's exclusive rights as determined by applicable law.

- (B) If the Producer uses a Performer's Engagement-Based Digital Replica in scene(s) that the Performer would otherwise have performed in person (e.g., using the Digital Replica of a Performer hired for one day for a Role that historically would have been performed by a Performer engaged for five (5) days in a Production), the Performer shall be paid the minimum daily/weekly fee for the appropriate category for the number of production days/weeks that the Producer determines the Performer would have been required to work had the Performer instead performed those scene(s) in person. The Producer will make a good faith effort to estimate the number of production days (without regard to scheduling considerations, e.g., overtime, meal periods, rest periods, etc.) utilizing objective criteria. Such compensation shall be treated as Net Fees under Article A334 of the Agreement.

No compensation shall be required pursuant to the preceding paragraph when:

- the Performer's compensation would have covered the work had the Performer performed the scene(s) in person, based on the form of engagement. For example, if the Engagement-Based Digital Replica of a Performer is used to

perform work that could have been performed by the Performer in person within the period of engagement covered by the Performer's contract; or

- the Performer's Engagement-Based Digital Replica is used in a scene that the Performer performed in person (e.g., no compensation is due if a Performer was recorded sitting in the front seat of a car and the Performer's Engagement-Based Digital Replica is used to move the Performer to the back seat of the car in the same scene).

(ii) **Use Other Than in the Production for Which the Performer Was Engaged**

A Producer may not use a Performer's Engagement-Based Digital Replica in connection with a Production other than one for which the Performer was engaged or in any other field or medium without obtaining the Performer's consent and bargaining separately for the use.

Consent must be clear and conspicuous and include a reasonably specific description of the intended use. Consent must be obtained prior to use in a writing signed by the Performer, but not at the time of engagement, except as provided in the next sentence. When a Performer is engaged on a project specifically identified to be part of a multi-project use (such as a trilogy of related Productions), consent to use the Performer's Engagement-Based Digital Replica in another of the identified projects may be obtained at the time the Performer is first engaged, provided that a reasonably specific description of the intended use is provided for each identified project. Consent for use in other identified project(s) is valid only if the Performer is also engaged in the other identified project(s) or is deceased at the time the other identified project(s) commences production.

Any consent that the Performer granted during the Performer's lifetime shall continue to be valid after the Performer's death unless explicitly limited otherwise. In the event the Performer is deceased at the time the Producer seeks consent (and the Producer has not already obtained consent during the Performer's lifetime or the Performer's consent is no longer valid after death), the Producer shall obtain the consent of the authorized representative (or the Union, if the deceased Performer's authorized representative cannot be identified or located) who represents the deceased Performer's exclusive rights as determined by applicable law.

The daily rate for an Actor under B101 (plus Use Fees as applicable) shall be the minimum for purposes of the bargaining referred to above with respect to use of a Performer's Engagement-Based Digital Replica in connection with a Production other than one for which the Performer was engaged or in any other field or medium.

F103 Independently Created Digital Replica

The following applies to use of an Independently Created Digital Replica in connection with a Production that commences principal photography on or after July 6, 2025.

A Producer may use an Independently Created Digital Replica in connection with a Production for which the natural Performer was not engaged upon obtaining consent as required herein and bargaining for that use. Consent must be clear and conspicuous and obtained prior to exploitation in a writing signed by the natural Performer that includes a reasonably specific description of the intended use.

Any consent that the Performer granted during the Performer's lifetime shall continue to be valid after the Performer's death unless explicitly limited otherwise. In the event the natural Performer is deceased at the time the Producer seeks consent (and the Producer has not already obtained consent during the natural Performer's lifetime or the natural Performer's consent is no longer valid after death), the Producer shall obtain the consent of the authorized representative (or the Union, if the deceased natural Performer's authorized representative cannot be identified or located) who represents the deceased natural Performer's exclusive rights as determined by applicable law.

No consent is required when the use is of the type permitted without consent of the individual portrayed by Canadian court decisions and statutes, including the Canadian Charter of Rights and Freedoms, for purposes of comment, criticism, scholarship, satire or parody, or use in a docudrama, or historical or biographical work. For clarity, this Article F103 does not apply to use of an Engagement-Based Digital Replica created pursuant to Article F102 above in connection with a Production other than the one for which the Performer was engaged; the provisions of F102(b)(ii) apply instead.

F104 Digital Alteration

This Article F104 applies when a Performer is engaged by the Producer under this Agreement under a contract entered into on or after July 6, 2025 to render services as a Performer in a Production and the Producer (directly or through a third party) digitally alters the Performer's voice or likeness in that Production.

The Producer must obtain the consent of the Performer to digitally alter the Performer's performance in photography or sound track previously recorded by the Performer; provided, however, that no consent is required when the photography or sound track of the Performer remains substantially as scripted, performed and/or recorded. Any consent required must be clear and conspicuous and include a reasonably specific description of the intended alteration(s). Consent may be obtained through an endorsement or statement in the Performer's contract that is separately signed or initialed by the Performer or in a separate writing that is signed by the Performer.

Any consent that the Performer granted during the Performer's lifetime shall continue to be valid after the Performer's death unless explicitly limited otherwise. In the event the Performer is deceased at the time the Producer seeks consent (and the Producer has not already obtained any required consent during the Performer's lifetime or the Performer's consent is no longer valid after death), the Producer shall obtain the consent of the authorized representative (or the Union, if the deceased Performer's authorized representative cannot be identified or located) who represents the deceased Performer's exclusive rights as determined by applicable law.

F105 For clarity, the Producer need not obtain the consent of the Performer under F102 or F104 above to perform post-production alterations, editing, arranging, rearranging, revising or manipulating of photography and/or sound track for purposes of cosmetics, wardrobe,

noise reduction, timing or speed, continuity, pitch or tone, clarity, addition of visual/sound effects or filters, standards and practices,² ratings,³ an adjustment in dialogue or narration or other similar purposes, or under any circumstance when dubbing or use of a double is permitted under the Agreement. Without limiting the foregoing, no consent is required under F102 or F104 above for purposes of adjusting lip and/or other facial or body movement and/or the voice of the Performer to a foreign language, or for purposes of changes to dialogue or photography necessary for license or sale to a particular market (e.g., substitution of dialogue about an airplane crash for in-flight sales or altering dialogue to adhere to cultural norms for sale to a particular country).

F106 Claims for violation of this Article F1 are subject to resolution pursuant to Article A10 of the Agreement, as applicable, and must be brought under Article A10. Remedies shall be limited to monetary damages.

F107

- (a) Except as explicitly set forth herein, it is understood that this Article F1 does not expand or contract any existing rights and obligations under the Agreement.
- (b) Without limiting the generality of the foregoing, it is understood that nothing herein overrides Article A24 of the Agreement. Furthermore, no Performer may be required to appear in the nude while rendering services for the creation of a Digital Replica without the Performer’s prior consent. In no event shall the Producer require a Minor to appear in the nude while rendering services for the creation of a Digital Replica.

ARTICLE F2 - GENERATIVE ARTIFICIAL INTELLIGENCE

Generative Artificial Intelligence

The parties acknowledge that definitions of Generative Artificial Intelligence (“GAI”) vary, but agree that the term generally refers to a subset of artificial intelligence that learns patterns from data and produces content based on those patterns (e.g., ChatGPT4, MidJourney, Dall-E2). It does not include “traditional AI” technologies programmed to perform specific functions (e.g., CGI and VFX), such as those already used during all stages of production (e.g., pre-visualization, pre-production, production, post-production, distribution, marketing). The term GAI is used for convenience and this Article F2 shall also apply to any technology that is consistent with the foregoing definition, regardless of its name.

F201 Use of Synthetic Performers Created Through Generative Artificial Intelligence

The following applies to use of Synthetic Performers in a Production that commences principal photography on or after July 6, 2025. A “Synthetic Performer” is a digitally-created asset that: (1) is intended to create, and does create, the clear impression that the asset is a natural Performer who is not recognizable as any identifiable natural Performer; (2) is not voiced by a natural person; (3) is not a Digital Replica (as defined in F101 above);

² The parties agree that adjustments for standards and practices means adjustments to adhere to stricter standards.

³ The parties agree that adjustments for ratings means adjustments to obtain a rating for a wider audience.

and (4) no engagement arrangement for the Production exists with a natural Performer in the role being portrayed by the asset.

The parties acknowledge the importance of human performance in Productions and the potential impact on engagement under this Agreement when a Synthetic Performer created through a GAI system is used in a human role that would otherwise be performed by a human. For those reasons, the Producer agrees to give the Union notice and an opportunity to bargain in good faith over appropriate consideration, if any, if a Synthetic Performer is used in place of a Performer who would have been engaged under this Agreement in a human role.

The parties acknowledge that Producers have customarily used digital technologies to generate non-human characters without the services of a Performer covered under this Agreement, and that the foregoing does not apply to such uses.

If a Producer intends to create, and does create, a Synthetic Performer with a principal facial feature (i.e., eyes, nose, mouth and/or ears) that is recognizable as that of a specific natural Performer through the use of such identified natural Performer's name and facial feature in the prompt to a GAI system, the Producer shall obtain such identified natural Performer's consent and bargain with such natural Performer for the use of the Synthetic Performer in connection with a Production and no additional discussion with the Union, consideration or remuneration, is required under this Article F2. For clarity, the foregoing provision shall apply to each such identified natural Performer if more than one specific natural Performer's recognizable principal facial feature is used in the described manner (e.g., Performer 1's eyes, Performer 2's mouth). No consent is required when the use is of the type permitted without consent of the individual portrayed by Canadian court decisions and statutes, including the Canadian Charter of Rights and Freedoms, for purposes of comment, criticism, scholarship, satire or parody, or use in a docudrama, or historical or biographical work.

Claims for violation of this Article F2 are subject to resolution pursuant to Article A10 of the Agreement, as applicable, and must be brought under Article A10. Remedies shall be limited to monetary damages.

- F202** The CMPA-BC and the AMPTP on behalf of its Canadian Affiliates agree to meet regularly with the Union during the term of this Agreement to discuss appropriate remuneration, if any, with respect to photography and/or sound track recorded under this Agreement or any predecessor Agreement that is used to train a GAI system for the purpose of creating Synthetic Performers for use in new production content.
- F203** The parties agree to meet six (6) months in advance of the expiration date of this Agreement to begin negotiations regarding this Article F2.

ARTICLE F3 - DIGITAL REPLICATION AND ALTERATION OF BACKGROUND PERFORMERS⁴

F301 Digital Replication and Alteration

This Article F301 applies when a Background Performer is engaged by the Producer under this Agreement on or after July 6, 2025 to appear in a Production and, in connection with the Background Performer's engagement on the Production, the Producer (directly or through a third party):

- (a) requires the Background Performer to provide services for purposes of creating a Background Performer Digital Replica;
- (b) uses a Background Performer Digital Replica as provided herein; or
- (c) digitally alters the Background Performer's voice or likeness.

To the extent practicable, Producers shall endeavour to comply with the provisions of this Article F301 on or after the first day of the term of this Agreement, but prior to July 6, 2025.

For purposes of this Article, a “Background Performer Digital Replica” of a Background Performer is a replica of the voice or likeness of the Background Performer which is created using digital technology with the Background Performer's physical participation and is for the purpose of depicting the Background Performer in a scene in which the Background Performer did not actually appear.

This Article F301 does not apply to “tiling” of Background Performers.

F302 Creation of Background Performer Digital Replicas

- (a) A Producer must notify a Background Performer no less than forty-eight (48) hours in advance of the time the Background Performer's services are required to create a Background Performer Digital Replica, or at the time of booking if the Background Performer is booked less than forty-eight (48) hours in advance of the time the Background Performer's services are required to create a Background Performer Digital Replica. The Producer must obtain consent if it requires the Background Performer to provide services for purposes of creating the Background Performer's Background Performer Digital Replica for use in connection with a Production. The consent must be clear and conspicuous and may be obtained through an endorsement or statement in the Background Performer's engagement paperwork or voucher that is separately signed or initialed by the Background Performer or in a separate writing that is signed by the Background Performer.
- (b) When a Background Performer provides services for purposes of creating a Background Performer Digital Replica on the same day the Background Performer performs other work for the Producer under this Agreement, any time spent by the Background Performer in connection with creating the Background Performer Digital Replica shall be treated as work time.

⁴ Except as explicitly set forth herein, it is understood that this Article F3 does not expand or contract any existing rights and obligations under the Agreement. Without limiting the generality of the foregoing, it is understood that nothing herein overrides Article A24 as applicable (regarding use of digital technology to double a Background Performer).

The Producer will endeavour to schedule the Background Performer's services for purposes of creating a Background Performer Digital Replica on a day when the Background Performer is also working for the Producer under this Agreement, when practicable.

When a Background Performer provides services for purposes of creating a Background Performer Digital Replica on a day when the Background Performer does not perform other work for the Producer under this Agreement, the Background Performer shall be paid one (1) day's pay at the applicable minimum daily fee under Section D of the Agreement.

Notwithstanding the foregoing, no additional payment is due to a Background Performer for providing services for purposes of creating a Background Performer Digital Replica on a day when the Producer is required to pay the Background Performer for any services, travel, hold-over on location or a cancelled call; provided, however, that if the Background Performer is paid less than one (1) day's pay at the applicable minimum daily fee under Section D of the Agreement for that day, the Producer shall also pay an additional amount necessary to reach one (1) day's pay at the applicable minimum daily fee.

F303 Use of a Background Performer Digital Replica

(a) Use in the Production for Which the Background Performer Was Engaged

- (i) A Producer may use a Background Performer's Background Performer Digital Replica in connection with a Production for which the Background Performer was engaged upon obtaining the Background Performer's consent to the extent required herein. The Producer must obtain the Background Performer's consent to use the Background Performer Digital Replica in new photography or sound track not previously recorded by the Background Performer; provided, however, that no consent is required when the photography or sound track remains substantially as scripted, performed and/or recorded.

Consent must be clear and conspicuous and include a reasonably specific description of the intended use of the Background Performer Digital Replica in that Production. Consent may be obtained through an endorsement or statement in the Background Performer's engagement paperwork or voucher that is separately signed or initialed by the Background Performer or in a separate writing that is signed by the Background Performer. Any consent that the Background Performer granted during the Background Performer's lifetime shall continue to be valid after the Background Performer's death unless explicitly limited otherwise. In the event the Background Performer is deceased at the time the Producer seeks any required consent (and the Producer has not already obtained consent during the Background Performer's lifetime or the Background Performer's consent is no longer valid after death), the Producer shall obtain the consent of the authorized representative (or the Union, if the deceased Background Performer's authorized representative

cannot be identified or located) who represents the deceased Background Performer's exclusive rights as determined by applicable law.

- (ii) If the Producer uses a Background Performer's Background Performer Digital Replica in the Role of a Principal Actor or Actor, the Background Performer shall be paid the minimum applicable daily/weekly rate for a Principal Actor or Actor for the number of production days/weeks that the Producer determines the Background Performer would have been required to work had the Background Performer received an upgrade and performed those scene(s) in person. The Producer will make a good faith effort to estimate the number of production days utilizing objective criteria. Such compensation shall be treated as Net Fees under Article A334 of the Agreement.

(b) Use Other Than in the Production for Which the Background Performer Was Engaged

A Producer may not use a Background Performer's Background Performer Digital Replica in connection with a Production other than one for which the Background Performer was engaged or in any other field or medium without obtaining the Background Performer's consent and bargaining separately for the use.

Consent must be clear and conspicuous and include a reasonably specific description of the intended use. Consent must be obtained prior to use, but may not be obtained at the time of engagement.

Any consent that the Background Performer granted during the Background Performer's lifetime shall continue to be valid after the Background Performer's death unless explicitly limited otherwise. In the event the Background Performer is deceased at the time the Producer seeks consent (and the Producer has not already obtained consent during the Background Performer's lifetime or the Background Performer's consent is no longer valid after death), the Producer shall obtain the consent of the authorized representative (or the Union, if the deceased Background Performer's authorized representative cannot be identified or located) who represents the deceased Background Performer's exclusive rights as determined by applicable law.

The applicable daily minimum fee for Background Performers under Section D of the Agreement shall be the minimum for purposes of the bargaining referred to above with respect to use of a Background Performer's Background Performer Digital Replica in connection with a Production other than one for which the Background Performer was engaged or in any other field or medium.

F304 Digital replication of Background Performers will not be used in lieu of hiring Background Performers necessary to fulfill the applicable number of Background Performers under Article D501 of the Agreement for the scene(s) to be photographed. A Producer shall not use the Background Performer Digital Replica of a Background Performer to circumvent the engagement of that Background Performer.

F305 Digital Alteration

The Producer must obtain the consent of the Background Performer to digitally alter the Background Performer's appearance in photography or sound track previously recorded by

the Background Performer; provided, however, that no consent is required when the photography or sound track of the Background Performer remains substantially as scripted, performed and/or recorded. Any consent required must be clear and conspicuous and include a reasonably specific description of the intended alteration(s). Consent may be obtained through an endorsement or statement in the Background Performer's engagement paperwork or voucher that is separately signed or initialed by the Background Performer or in a separate writing that is signed by the Background Performer.

Any consent that the Background Performer granted during the Background Performer's lifetime shall continue to be valid after the Background Performer's death unless explicitly limited otherwise. In the event the Background Performer is deceased at the time the Producer seeks any required consent (and the Producer has not already obtained consent during the Background Performer's lifetime or the Background Performer's consent is no longer valid after death), the Producer shall obtain the consent of the authorized representative (or the Union, if the deceased Background Performer's authorized representative cannot be identified or located) who represents the deceased Background Performer's exclusive rights as determined by applicable law.

In the event a Background Performer's lip or facial movements are digitally altered to make it appear that the Background Performer is speaking line(s) and dialogue is included, the Background Performer shall receive an upgrade to a higher category under the Agreement as applicable.

- F306** For clarity, the Producer need not obtain the consent of the Background Performer under F303, F304 or F305 above to perform post-production alterations, editing, arranging, rearranging, revising or manipulating of photography and/or sound track for purposes of cosmetics, wardrobe, noise reduction, timing or speed, continuity, pitch or tone, clarity, addition of visual/sound effects or filters, standards and practices,⁵ ratings,⁶ an adjustment in dialogue or narration or other similar purposes, or under any circumstance when dubbing or use of a double is permitted under the Agreement.
- F307** Claims for violation of Article F3 are subject to resolution pursuant to Article A10 of the Agreement, as applicable, and must be brought under Article A10. Remedies shall be limited to monetary damages.

⁵ The parties agree that adjustments for standards and practices means adjustments to adhere to stricter standards.

⁶ The parties agree that adjustments for ratings means adjustments to obtain a rating for a wider audience.

Any reference to Collateral shall, unless the context requires otherwise, be deemed a reference to “Collateral or any part thereof.” For certainty, the Collateral includes:

- 4.1.1 All debts, accounts receivable, demands, and choses in action which are now due, owing or accruing due or which may hereafter become due, owing or accruing due to the Debtor and all claims of whatsoever nature or kind which the Debtor now has or may hereafter have, including claims against the Crown and claims under insurance policies;

4.1.9 All recoveries under insurance policies issued in connection with the Production.

4.2 The Debtor expressly warrants that to the best of its knowledge and belief it has good title to its interest in the Collateral now due and will have good title to its interest in the Collateral to become due, free and clear of all liens and encumbrances except for the security interest granted hereby, the security interests in section 7.1 hereof or as disclosed to UBCP and that no restrictions exist, or will exist by agreement or otherwise, with respect to any of the said Collateral which impair the right of the Debtor to make this charge.

5.0 **ENFORCEMENT COSTS**

UBCP acknowledges that it shall be solely responsible for all costs and expenses, including legal fees and disbursements, in perfecting and enforcing any of its rights under this Security Agreement, save and except as herein provided.

6.0 **RIGHTS AND OBLIGATIONS OF DEBTOR**

The Debtor shall:

6.1.1 at no cost, execute and deliver such further agreements, contracts, documents and instruments (each a "Security Document") as UBCP may reasonably prepare, require to perfect, protect or maintain the security interest provided for herein. If, within ten (10) business days of notice from UBCP requesting any such Security Document, the Debtor fails to execute and deliver it consistent with the rights of UBCP or to provide UBCP with notice specifying with particularity the Debtor's objection to so doing, then the Debtor hereby irrevocably appoints UBCP its true and lawful attorney-in-fact to execute, deliver, file and record, on its behalf and in its name, such Security Document. UBCP will promptly provide the Debtor with a true and complete copy of each Security Document executed by UBCP under this paragraph along with full information regarding each jurisdiction where it has been registered, filed or recorded.

6.1.2 use all reasonable good faith business efforts to defend, at its own cost and expense, the Debtor's right, title and interest in and to the Collateral, and the security interest and rights of UBCP, against all claims of infringement and against any and all claims by third parties arising out of or resulting from the use in the Production of any story, adaptation, idea, impersonation, character, photograph, music, musical composition or other material, provided that the Debtor may satisfy this requirement if the Debtor causes UBCP to be named as an additional insured, as its interest may appear, on any standard policy of errors and omissions insurance maintained by the Debtors or its successors in interest with respect to the Production.

6.2 UBCP acknowledges that the Debtor, its successors, licensees, and assigns, are the entities undertaking the release and exploitation of the Production and all rights within or arising from it. UBCP further acknowledges that prior to UBCP realizing on its security interest in accordance with this Security Agreement, nothing in this Security Agreement authorizes or permits UBCP to delay, enjoin, impede, impair or otherwise interfere with the development, production, distribution, advertising, marketing, turning to account or other exploitation of the Production or any of the Collateral which is undertaken, authorized, permitted or allowed by the Debtor or any of its successors, licensees, or assigns in the sole exercise of their good faith business judgment, and nothing in this Security Agreement requires or prevents the Debtor or any of its successors in interest from taking or refraining from taking any action

for any infringement or piracy of any rights in the Production or Collateral. UBCP agrees that the Debtor has no obligation under this Security Agreement to release the Production or to exploit the Production in any manner or to realize any monies with respect thereto.

- 6.3 Until default or unless otherwise agreed with the Secured Party, the Debtor may deal with the Collateral in the ordinary course of the Debtor's business in any manner consistent with the provisions of this Security Agreement. If the Debtor desires to change its principal place of business or mailing address from that described in paragraph 5(a) of the Security Agreement or if the Debtor wishes to move its records and accounts from that described in paragraph 5(b) of the Security Agreement, or if the Debtor wishes to move the Production negatives or the positive copies of the Production from the locations described in paragraphs 5(c) and 5(d) of the Security Agreement, the Debtor shall notify the Secured Party of the relevant change and do all such acts and execute all such documents as are required by UBCP to effectively preserve and perfect the Secured Party's security therein in the jurisdiction to which such assets have been moved. For clarity, nothing herein shall require the Debtor to notify UBCP of the removal by any distributor of prints incorporating the Production.
- 6.4 The Debtor shall defend its own rights in Collateral against the claims and demands of all persons. The Debtor shall use its best efforts to maintain the negative and positive copies of the Production in Debtor's possession in a condition and state of repair that preserves the value of such Collateral. The Debtor will not knowingly commit or permit damage to or destruction of the negative(s) of the Production.
- 6.5 The Debtor shall notify the Secured Party promptly of:
- a) any material change in the information contained in this agreement (including the schedules hereto) relating to the Debtor, the Debtor's business or the Collateral;
 - b) the details of any change in name or address of the Debtor or location of the Collateral;
 - c) the details of any disposition of the negative(s) of the Production;
 - d) the details of any claim, or litigation materially affecting the ownership of the Collateral;
 - e) any material loss of or damage to the Collateral; and
 - f) any material default known to Debtor by any distributor or broadcaster which materially affects the likelihood of further use fees to UBCP in respect of the Production.
- 6.6 The Debtor will conduct its business and affairs in a proper and efficient manner in accordance with applicable law and keep records relating to the Production in accordance with generally accepted accounting procedures. The Debtor shall pay all charges, taxes, assessments, claims, liens and encumbrances relating to Collateral or the Debtor's business and affairs when the same become due. The Debtor will deliver to the Secured Party promptly such information concerning Collateral, the Debtor and the Debtor's business and affairs as the Secured Party may reasonably request.
- 7.0 **SUBORDINATION OF UBCP SECURITY AGREEMENT**
- 7.1 UBCP acknowledges and agrees that its security interest will rank subordinate to security interests of the following: chartered banks, trust companies or other recognized lending institutions, government-funded financiers, and (subject to the prior written approval of UBCP) other lenders or financiers who specifically require priority providing project financing in respect of the Production.

Specifically in respect of the Production, UBCP hereby acknowledges and agrees that its security interest hereunder ranks subordinate to the security interests, whether registered or otherwise, of the parties

designated as prior secured parties in paragraph 3 of the Security Agreement with respect to the Debtor and the Collateral.

- 7.2 UBCP further acknowledges that the Debtor, or its assigns, affiliates or successors, has licensed and may from time to time license certain rights in the Production to one or more distributors or licensees, which rights either have been or may be secured by security interests with respect to rights granted to them. UBCP agrees that so long as all statements of receipts and payments have been timely paid or made by such distributor or licensee to the Debtor with respect to the rights and territories granted to such distributor or licensee, UBCP will not disturb the peaceful and quiet enjoyment of the rights granted to such distributor or licensee, nor attempt to enjoin, impair or interfere with the exercise of its rights.
- 7.3 In the event that the Debtor defaults (pursuant to Article 8) and fails to adequately assert or protect its contractual or other rights to receive payments from third parties, pursuant to licensing or distribution agreements or the like, the Debtor agrees that UBCP shall have the right of subrogation and it shall be entitled to take any steps it deems necessary for the protection of such rights, including, but not limited to, the right to commence any legal action in the place of the Debtor. However, any such step or action shall be in UBCP's name and at UBCP's sole expense. UBCP shall be reimbursed for any and all reasonable costs of the action, audit, or the like in first position from any funds recovered. All recovered funds shall be directed to be paid and held by a trustee, who will disburse such funds in accordance with entitlement.

8.0 EVENTS OF DEFAULT

- 8.1 The Debtor shall be in default under this Security Agreement upon occurrence of any of the following:
- 8.1.1 Non-payment when due, whether by acceleration or otherwise, of any amounts secured by this Security Agreement, or the failure to comply with any provisions of Section C of the Master Agreement in any material way, subject to paragraph 8.1.2.
- 8.1.2 Failure to comply within thirty (30) days after written notice from the Secured Party demanding compliance with any provision contained in the Master Agreement or this Security Agreement and if compliance is not practically possible, failure to take steps that will produce compliance as soon as is reasonably practical.
- 8.1.3 If any representation or statement made or furnished in this Security Agreement or under the Master Agreement to the Secured Party by or on behalf of the Debtor proves in any material respect to have been false when made or furnished.
- 8.1.4 Bankruptcy of the Debtor, the filing against the Debtor of a petition in bankruptcy if such petition remains uncontested for thirty (30) days; the making of an authorized assignment for the benefit of creditors by the Debtor; the appointment of a receiver, trustee, or liquidator for the Debtor or for any asset of the Debtor if such appointment continues for thirty (30) days or more, or the institution by or against the Debtor or any type of insolvency proceeding or creditor re-arrangement.

9.0 SECURED PARTY RIGHTS AND OBLIGATIONS

- 9.1 In addition to the rights granted herein, the Secured Party may enforce any other rights and remedies it may have at law or in equity, and specifically shall have all rights and remedies of a secured party under the PPSA. All rights and remedies of the Secured Party shall be cumulative.
- 9.2 The Secured Party shall have the right at any time, upon reasonable notice, to confirm the existence and state of Collateral in any manner the Secured Party may consider appropriate, and the Debtor agrees to

furnish all assistance as the Secured Party may reasonably request in connection therewith. Upon the occurrence of an event of default, the Debtor grants to the Secured Party or its agents access to all places where Collateral may be located and to all premises occupied by the Debtor for the purposes of inspection or obtaining possession.

- 9.3 The Secured Party may appoint by instrument a receiver or other person to act on its behalf before or after default or in any insolvency or like proceedings (receiver includes a receiver-manager). The appointee has all the powers of the Secured Party under this Security Agreement. In addition, on instructions from the Secured Party, the receiver shall be entitled in connection with any enforcement proceeding hereunder to carry on the business of the Debtor in respect of the Production with all the powers that the Debtor would have to operate its business for such time as the receiver determines advisable and in the best interest of the Secured Party.
- 9.4 The Secured Party may, subject to Debtor's rights under the PPSA, take possession of, collect, demand, sue on, enforce, recover and receive Collateral and give binding receipts and discharges therefor. The Secured Party in possession may, subject to Debtor's rights under the PPSA, use Collateral as it sees fit, providing that any income from Collateral is applied to the Debtor's account. Upon default, the Secured Party may also, subject to Debtor's rights under the PPSA, sell, lease or otherwise dispose of Collateral in any commercially reasonable manner.
- 9.5 At any time after the occurrence of an event of default, the Secured Party may direct account debtors of the Debtor in respect of the Production to make all payments owing to the Debtor directly to the Secured Party by notifying such account debtors of the Secured Party's interest, either before or after default; and upon notice from the Secured Party to the Debtor, any payments received by the Debtor in respect of the Production whether before or after notification to account debtors, shall be held by the Debtor in trust for the Secured Party in the same medium in which received, shall not be commingled with any assets of the Debtor, and shall be turned over to the Secured Party forthwith upon receipt.
- 9.6 The Debtor agrees to pay, subject to limitations under the PPSA or the Master Agreement, all charges, including solicitors', auditors', receivers' or like persons' costs and remuneration or other expenses reasonably incurred by the Secured Party or other party appointed by the Secured Party in operating the Debtor's accounts, but the Secured Party shall pay the fees and expenses of preparing or otherwise enforcing the terms of this Security Agreement.
- 9.7 No variation, amendment (except for any schedule which may be added hereto pursuant to the provisions of this agreement) or waiver of any provision of this Security Agreement shall be effective unless made by written agreement executed by the parties to this Security Agreement. The Secured Party may remedy any default or perform any duty of the Debtor hereunder or with respect to any indebtedness in any reasonable manner without waiving the default remedied and without waiving any other prior or subsequent default by the Debtor. The Secured Party may grant extensions of time and other indulgences, take and give up securities, accept compositions, grant releases and discharges, release Collateral to third parties and otherwise deal with the Debtor's guarantors or sureties and others and with Collateral and other securities as the Secured Party may see fit without prejudice to the liability of the Debtor, or the Secured Party's right to hold and realize Collateral.
- 10.0 **SUCCESSOR INTERESTS**
- 10.1 This Security Agreement shall inure to the benefit of, and be binding on, the parties hereto and their respective heirs, executors, administrators, successors and assigns.

11.0 **APPLICABLE LAW**

11.1 This Security Agreement shall be governed by the laws of the Province of British Columbia, Canada unless otherwise agreed by the parties.

12.0 **TERMINATION**

12.1 Upon provision to UBCP of Purchaser’s Assumption Agreement, or a Distributor’s Assumption Agreement or a Distribution Guarantee in accordance with the provisions of the Master Agreement, UBCP shall be deemed to have discharged its security interest and UBCP shall, at the written request and at no cost to Debtor, cancel and discharge all security interests under this Security Agreement and execute and deliver to the Debtor such deeds or other instruments (collectively, “Release Documents;” individually, a “Release Document”) as shall be required to effect such discharge and to register notice of such discharge under the PPSA and such other jurisdictions as the Secured Party may have registered its security interest. If within ten (10) business days of notice from Debtor requesting any such Release Document, UBCP fails to execute and deliver it or to provide to Debtor notice specifying with particularity UBCP’s objection to so doing, then UBCP hereby irrevocably appoints Debtor its true and lawful attorney in fact to execute, deliver, file and record on its behalf and in its name such Release Documents. FACT-BASED / LIFESTYLE / REALITY AND DOCUMENTARY PROGRAMS

FACT-BASED / LIFESTYLE / REALITY PROGRAMS

Preamble: The Parties agree to work together to encourage more production of this type under this Agreement.

- a) **Definition** - a Fact-Based/Lifestyle/Reality Production is a Production with a non-fictional theme, excluding drama productions, Documentary Programs and game shows. Fact-based/Lifestyle/Reality shows include productions like home renovation, cooking, travel and reality programs. Examples of productions that fall under this definition include: *The Lofters* (reality program), *Meet My Folks* (reality contests), *Canadian Idol* (talent contests), *A Wedding Story* (fact-based reality), *Trading Places* (lifestyle reality), *Exhibit "A"* and *72 Hours*.
- b) **Inclusions:**
 - a. The host(s) and narrator(s).
 - b. Judges or other experts who play an integral role in a production on three (3) or more Episodes in a calendar year.
 - c. Any other distinct, recurring individual who plays an integral role in a production and appears in at least six (6) episodes. It is understood that once such a person is covered, the individual is not automatically covered on future episodes of a Series unless the individual continues to qualify.
 - d. The Producer shall supply UBCP with a list of excluded individuals.
- c) **Multiple Episodes:**

A Performer (other than Off-Camera Narrators and Commentators) may be contracted at no less than the applicable minimum daily fee to perform in three (3) Episodes to be produced per day of production. For each additional Episode produced on a day of production, the Performer will receive fifty (50%) percent of the applicable daily fee. For example, minimum performance fees for a Performer who appears in four (4) Episodes on a single day of production will be calculated at one hundred fifty percent (150%) of the applicable daily fee.
- d) **Use Fees:**

All Performers engaged under this section are entitled to Use Fees of fifty-five percent (55%) of the total Net Fees paid to the Performers for which the Producer is entitled to unlimited Use of the Production, in all countries for the applicable period, or fifty percent (50%) of the total Net Fees paid to the Performers for which the Producer is entitled to unlimited Use of the Production, excluding New Media, in all countries for the applicable period. Prior to the expiry of the period, the Producer would have the choice of paying an additional 50%, or 55%, as applicable, of Net Fees and clearing another prepayment period or paying the 3.6% of DGR. Once the payment of 3.6% of DGR applies the Producer cannot revert back to the 50%, or 55% formula, as applicable.
- e) **Existing Agreements:**

The Negotiating Producers and UBCP agree to advise its members that the contracts of Performers who are engaged in this genre under a predecessor to this agreement will be grandfathered.
- f) **No Pyramiding:**

The Negotiating Producers and UBCP agree that there will be no pyramiding of discounts in this section. More specifically, Productions taking advantage of the terms of this section cannot

APPENDIX "P"

access any fee discount(s) from any other section of this Agreement, including the BC Indie Program (Appendix "Q").

DOCUMENTARY PROGRAMS

- a) See Article A3301 regarding excerpts for Documentary Programs, which provides:
“(e) Excerpts for Documentary Programs: A Performer will be entitled to payment of one hundred dollars (\$100.00) per thirty (30) second or less excerpt up to the highest originally contracted daily fee or the current daily fee, whichever is greater. The maximum payment for a Performer who appears in multiple excerpts within a single Documentary production is the originally contracted daily fee or the current daily fee, whichever is greater.”
- b) **Exclusions:**
See Article A215 regarding persons excluded from the rates and conditions of the BCMPPA on Documentary Programs.
- c) A Performer participating on or off camera in a Documentary Program shall be entitled to Use Fees of fifty five percent (55%) of the total Net Fees paid to the Performers for which the Producer is entitled to unlimited Use of the Production, or fifty percent (50%) of the total Net Fees paid to the Performers for which the Producer is entitled to unlimited Use of the Production, excluding in New Media, in all countries for five (5) years. At the expiry of such five (5) year period, the Producer has the choice of clearing another five (5) year period or paying the three and six-tenths percent (3.6%) DGR. The election must be made prior to the end of the relevant five (5) year period. Once the three and six-tenths percent (3.6%) DGR applies, Production cannot revert back to the fifty percent (50%) or fifty-five percent (55%) formula for five (5) years. Note: for greater clarity, this Use Fee section does not apply to dramatic Productions such as *Exhibit "A"* or *72 Hours*.
- d) Furthermore, for tribute Documentary Programs, a Performer is entitled to waive any applicable interview fee required under the agreement at the Performer's discretion. A copy of the waiver is to be provided to UBCP.

**British Columbia Independent Production Incentive Program
 (“BC Indie Program”)**

The modifications set out in this Appendix cover Performers engaged on eligible low budget projects.

Q101 Purpose

- (a) The purpose of the BC Indie Program is to encourage low budget Canadian independent film and television projects engaging professional Performers represented by UBCP.
- (b) To this end, Performers’ minimum fees under the British Columbia Master Production Agreement (“the BCMPA”) may be discounted in accordance with the Schedule of Discounts found below.
- (c) Productions fulfilling the conditions of Q102 and Q103 below are eligible to benefit from the provisions of the BC Indie Program.
- (d) The BC Indie Program is not intended for and is not available to foreign service production directly or indirectly through a Canadian line production company or another Canadian agent.

Q102 Filing Procedure

- (a) Producers wishing to access the BC Indie Program must first be signatory to the BCMPA.
- (b) In all instances in which the BC Indie Program is silent, the terms and conditions of the BCMPA apply.
- (c) At least three (3) weeks in advance of principal photography, the Producer will provide to UBCP filing documents including (i) a copy of the shooting script; (ii) detailed and certified Production and cast budgets; (iii) outlines of distribution arrangements (both extant and under negotiation) ; (iv) full disclosure of all sources of financing for the project; (v) where distribution rights have been pre-sold to finance production, a sales plan for the project, including estimates for relevant open territories, and; (vi) confirmation of the Producer’s intent to access the BC Indie Program agreement (collectively, “Filing Documents”). Productions which do not provide a minimum of three (3) weeks advance notice to the Union shall only be permitted to access the BC Indie Program with the approval of the Union.
- (d) Upon receipt of the above Filing Documents, the Union shall have five (5) business days to notify the Producer of any reasonable issues with the Filing Documents (including but not limited to, incomplete information, or information which may impact the qualification of the project per the terms of Q103), and the Producer shall have five (5) business days to cure any such issues. If the Producer fails to cure such issues with the Filing Documents within the five (5) business days of notice from the Union, the Union shall have the right to deny the Production’s access to the BC Indie Program, or to agree to modified terms with the Producer.
- (e) A standard executed Security Agreement as per Appendix “J” of the BCMPA is required prior to principal photography.

Q103 Qualified Projects

Those projects that qualify for the BC Indie Program shall be of the following nature and type:

- (a) **New Projects Only:** No projects that are in production or that have previously been in production under the BCMPA may access the terms contained herein.
- (b) **Canadian Content:** Projects must be able to qualify as Canadian content under the requirements of the Canadian Audio-Visual Certification Office (CAVCO) and/or the CRTC or as an official co-production as administered by Telefilm Canada. UBCP will consider in good faith a request from an official treaty co-production as administered by Telefilm Canada to access the BC Indie Program provided that the total production budget meets the BC Indie Program budgetary thresholds, and that the Canadian partner holds majority ownership of the Production, with the majority of principal photography taking place in Canada.
- (c) **Certified Budgets:** Budgets of qualifying projects must be certified by a bonding company or a public agency such as Telefilm Canada or Creative BC. Where it is not possible to provide a certified budget, the Producer agrees to sign a statutory declaration that the budget submitted is the true and final budget.
- (d) **Open Market:** Any project seeking qualification under the BC Indie Program which has pre-sold significant distribution rights to finance production, must demonstrate that there are meaningful open markets for its distribution. Producers at the time of production shall make full disclosure to UBCP in respect of any and all proposed licensing agreements or the like (including territory, term, and the amount of license fees, etc.). Allocation of revenue issues, if any, shall be determined pursuant to the provisions of Article C407.
- (e) **Qualified Producer:** To access the BC Indie Program, the Producer(s) of a project must be a member in good standing of the CMPTA. For clarity, Article A413 of the BCMPTA applies to productions being produced under the BC Indie Program.
- (f) **Television productions** which obtain a majority of their production financing from a U.S. entity, person or related entity (via license fees, distribution advances, goods and services, and/or equity investment) shall not be eligible.
- (g) **Canadian Exhibition:** Television productions must have a confirmed commitment for a Canadian exhibition at the time of production. For clarity, the Canadian exhibition may follow the initial exhibition in a foreign territory.

Q104 Excluded Projects

The BC Indie Program does not apply to the following types of projects:

- (a) industrial/corporate videos
- (b) all Productions of any type that are fifteen (15) minutes or less in length
- (c) Dubbing
- (d) Pilot Productions for which the Producer is utilizing Article B205 of the BCMPTA unless the projected Budget for the series would qualify the Production for the benefits of the BC Indie Program.
- (e) Made for Television Movies (MOW's), created primarily for sale to U.S. markets.

Q105 Series

Producers seeking to avail themselves of the BC Indie Program for Television Series must resubmit for each production cycle or season of such Series. Producers wishing to engage

Performers on Series Option contracts must conform to the requirements of Article A801 of the BCMPA for Performers.

- (c) The Schedule of Discounts under the “other” category (above) represents the discounts to minimum fees applicable in the event that a Producer wishes to engage up to two (2) non-Canadian Performers in a BC Indie Program project. Q112 Use Payments

At the time of production, the Producer shall choose either (a) or (b) below with respect to additional Use of the Production beyond the applicable declared use period set forth in C101 (Distribution Rights).

- (a) **Prepayment Option**

(i) **Theatrical Motion Pictures**

When the Program's Declared Use is Theatrical, the Producer may pay one hundred thirty-five percent (135%) of the Performers' Net Fees for unrestricted worldwide use in all media enumerated in C101 (Distribution Rights) (or one hundred thirty percent (130%) of the Performers' Net Fees for unrestricted worldwide use in all media enumerated in C101 (Distribution Rights), excluding New Media) for a period of four (4) years from the date of first use in a residual market. After the expiration of such four (4) year period, the Producer will pay five percent (5.0%) of “Distributors' Gross Revenue” (“DGR”), as that term is defined in C407, with respect to all media other than Theatrical, for which the Producer retains unrestricted worldwide Theatrical use for the period of the copyright of the Program.

(ii) **Free Television Series**

After the expiration of such four (4) year period, the Producer will pay five percent (5.0%) of DGR with respect to all subsequent exploitation of the Program.

(vi) **Conversion to Theatrical**

When a Program has a Declared Use other than Theatrical, and is distributed for Theatrical Use, the Producer shall pay to the Performers the following percentages of the Performer's Net Fees for unlimited Theatrical Use:

- (A) Programs sixty (60) minutes or less in length: 15%
- (B) Programs exceeding sixty (60) minutes in length: 30%

(vii) In the event the Producer elects to pay the one hundred thirty percent (130%) prepayment in subparagraph (i) above or the one hundred five percent (105%) prepayment in subparagraphs (ii), (iii), (iv) or (v) above, and the Producer exploits the Program in New Media, the Performers shall be paid New Media Use Fees in the aggregate in the amount of five percent (5.0%) of DGR.

Q113 Joint Administration

The CMPA-BC agrees to administer the BC Indie Program in all facets jointly with UBCP on a principle of equality between UBCP and the CMPA-BC. UBCP and the CMPA-BC will monitor the progress of any BC Indie Program project and will intervene should there be any default in a BC Indie Program-produced project.

Q114 Term

To monitor the application and effectiveness of the BC Indie Program, representatives of UBCP and the CMPA-BC shall meet periodically, but no less frequently than every six (6) months, during the term of the BC Indie Program.

Q115 Performance Bond

The Parties understand that BC Indie Productions are produced with small budgets. Producers can request additional administrative arrangements with UBCP to manage bonds and payroll security, and UBCP agrees to give good faith consideration to such requests. UBCP will notify the CMPA of its decisions with respect to any modified security arrangements requested by Producers.

(C) Three and six-tenths percent (3.6%) of DGR attributable to conventional Use. The exercise of the three and six-tenths percent (3.6%) DGR option shall be subject to UBCP's consent. A Producer desiring to utilize this option shall so notify UBCP.

* See Sideletter No. 12 for administration of the consent process.

(ii) **All Uses Prepayment Option**

The Producer may elect to pay one hundred ten percent (110%) of the Performers' Net Fees for unrestricted worldwide use in all media enumerated in Article C101, excluding Theatrical, for a period of five (5) years from the date of first exhibition in a residual market other than Theatrical. The Producer shall, prior to any conventional Use of the New Media Production, notify UBCP and, subject to UBCP's consent,* pay eight percent (8%) of DGR for the conventional Use.

* See Sideletter No. 12 for administration of the consent process.

R109 Excerpts

- (a) If content from a conventional Production is used in a New Media Production produced under Option 1, any amounts owed pursuant to Article A3301 shall be reduced by the discount applicable to that New Media Production, if any.
- (b) If a Producer wishes to use an excerpt from a New Media Production produced under Option 1 in a conventional Production, any fees owed to the Performer pursuant to Article A3301 shall be based on the greater of the applicable minimum fees outlined under Section B of the BCMPA and the Performer's contracted daily fee for the original New Media Production.

R110 The Parties understand that New Media Productions are often produced with small budgets. Producers can request administrative arrangements with UBCP to manage bonds and payroll security, and UBCP agrees to give good faith consideration to such requests. UBCP will notify the CMPA and AMPTP of its decisions with respect to any modified security arrangements requested by Producers.

R111 Filing Procedure

No later than two (2) weeks prior to principal photography, the Producer will provide to UBCP a copy of the most up-to-date production schedule. The Producer shall also provide to UBCP a detailed cast budget and a budget top sheet signed by the Producer, along with a statutory declaration that the budget amount is the true and final budget.

R112 Budget Changes

If, during the course of production, the New Media Production budget increases beyond the level permitted by Article R106, the Producer must disclose this information to UBCP. Any New Media Production that is found to be taking unfair advantage of the terms and conditions of Option 1, through misrepresentation or falsification of budget, will become retroactively subject to the full rates, terms, and conditions of the BCMPA.

R113 Revised Scope

Within four (4) weeks of the first New Media Use, the Producer shall submit to UBCP a detailed report of actual expenditures, showing the actual cost of the New Media Production to date. In the event that actual production costs exceed the budget threshold under Tier D as set out in Article R106, the Producer shall pay to the Performers, or to UBCP for the benefit of the Performers, any additional sums necessary to bring the compensation of the Performers in line with the fees applicable under Tier C. Should the actual production costs exceed the budget thresholds under Tier C, the Producer shall pay to the Performers, or to UBCP for the benefit of the Performers, any additional sums necessary to bring the compensation of the Performers in line with the fees applicable under Tier B. Should the actual production costs exceed the budget thresholds under Tier B, the Production will no longer be deemed a Tier B Production and shall become retroactively subject to the rates, terms, and conditions of the BCMPA.

R114 Notice to Performers

A Producer utilizing Option 1 must give notice to Performers at the time of casting, through casting notices, that discounted rates may apply. Such notices shall not contain any statement that attempts to restrict the right of any Performer to negotiate terms (including rates and fees) and conditions in excess of the minimum fees, rates, and conditions.

R115 A Producer may edit material at a session to create a new New Media Production upon payment of an additional twenty-five percent (25%) per New Media Production. It is confirmed that, for the purposes of Appendix R and consistent with past practice under the BCMPPA, “versioning” (i.e., editing of a New Media Production for segment length) does not constitute a new New Media Production.

R2 - OPTION 2

R201 Option 2 is automatically available to New Media Productions that are guaranteed by an Approved Guarantor as per Sideletter No. 2 or an Approved Distribution Guarantor as per Article A418(b). An Approved Guarantor under Sideletter No. 2 shall sign the Standard Form Guarantee Letter No. 1 or 2 and an Approved Distribution Guarantor under Article A418(b) shall sign the Distribution Guarantee in Appendix T.

R202 Terms of engagement and Use for all New Media Productions that meet the criteria set out in R201, other than High Budget SVOD Productions (defined in Article R203 below), may be negotiated by UBCP and the Producer.

R203 High Budget SVOD Production means an original or derivative dramatic New Media Production made for initial exhibition on a subscription consumer pay New Media platform (such as Netflix) that meets the following criteria (hereinafter “High Budget SVOD Productions”):

Length of Production as Initially Exhibited*	“High Budget” Threshold
20–35 minutes	\$1,475,000 and above
36–65 minutes	\$2,825,000 and above
66 minutes or more	\$3,400,000 and above

* Productions less than twenty (20) minutes long are not considered “high budget” for purposes of this provision, regardless of their budget size.

R204 Use Fees

The Producer of a High Budget SVOD Production may elect one (1) of the following options at the time of production:

(a) **New Media Use Prepayment Option**

The Producer may acquire unrestricted New Media Use rights (A357(a)(viii)) for a period of five (5) consecutive years beyond the New Media Declared Use period, for one hundred five percent (105%) of Net Fees. Before the expiration of any five (5) year period, the Use Fees may be renewed for an additional five (5) year period upon payment of an additional one hundred five percent (105%) of the Performers’ Net Fees. Following the prepayment period, Performers shall be paid Use Fees in the aggregate of three and six-tenths percent (3.6%) of DGR for all subsequent New Media exploitation. The Producer may, prior to conventional Use of the High Budget SVOD Production, elect to pay one (1) of the following:

- (i) The traditional Advance option set out in Article C401;
 - (ii) One hundred five percent (105%) of the Performers' Net Fees for unrestricted worldwide use in all media enumerated in Article C101 (Distribution Rights), excluding Theatrical and New Media, for a period of five (5) years from the date of first exhibition in a residual market other than Theatrical. Before the expiration of any five (5) year period, the Use Fees may be renewed for an additional five (5) year period, as applicable, upon payment of an additional one hundred five percent (105%) of the Performers' Net Fees. In lieu of renewing a five (5) year period, as applicable, the Producer will pay three and six-tenths percent (3.6%) of DGR with respect to all subsequent exploitation of the Program in media other than Theatrical and New Media. A Producer electing this prepayment option may acquire rights for unlimited Theatrical Use of the New Media Production by making payments pursuant to Article C301(g);
 - (iii) Three and six-tenths percent (3.6%) of DGR attributable to conventional Use. The exercise of the three and six-tenths percent (3.6%) DGR option shall be subject to UBCP's consent.* A Producer desiring to utilize this option shall so notify UBCP.
- (b) **All Uses Prepayment Option**
The Producer may elect to pay one hundred ten percent (110%) of the Performers' Net Fees for unrestricted worldwide use in all media enumerated in Article C101, excluding Theatrical, for a period of five (5) years from the date of first exhibition in a residual market other than Theatrical. Before the expiration of any five (5) year period, the Use Fees may be renewed for an additional five (5) year period upon payment of an additional one hundred ten percent (110%) of the Performers' Net Fees. In lieu of extending a five (5) year period, the Producer shall pay three and six-tenths percent (3.6%) of DGR with respect to subsequent exploitation of the Program in media other than Theatrical. A Producer electing this prepayment option may acquire rights for unlimited Theatrical Use of the High Budget SVOD Production by making payments pursuant to Article C301(g).
- (c) **Advance Option**
The Producer may elect to pay an Advance as set out in Article C401 against all Uses listed in Article A357(a)(i)-(viii).
- (d) **Individual Use Option**
The Producer may elect to make individual payments pursuant to Article C2.

R3 - RETROSPECTIVE APPLICATION

R301 To the extent that additional consent is necessary, if requested by the Producer, UBCP agrees to use diligence in order to secure the consent of Performers appearing in Productions made under previous BCMPAs to apply the terms of Option 1 or Option 2, as applicable, to the Use of those existing Productions in all New Media, as that term is defined in the 2018 BCMPA. UBCP agrees that the BCMPA shall not bar such retrospective application. By paying three

and six-tenths percent (3.6%) of DGR, the Producer may use Productions produced under a predecessor BCMPPA in all New Media.

And whereas, pursuant to Article A417 of the BCMPA, UBCP is entitled to require that a Producer place security in the form of a cash deposit or letter(s) of credit at the time, in an amount, and in the manner set out in the BCMPA, unless a Production Guarantee in this form signed by an Approved Production Guarantor is accepted by UBCP;

And whereas UBCP has accepted the Guarantor as an Approved Production Guarantor;

Now therefore the Parties hereby agree as follows:

1. In consideration of UBCP's foregoing the requirement that the Producer put up a cash bond or letter of credit, the Guarantor hereby guarantees payment of all monies that would otherwise be secured by a cash bond or letter of credit pursuant to Article A417(a) of the BCMPA, including the Advance on Use or residual fees, insurance, retirement, and administration payments related to the Production.

If, at any time, payment of any amount guaranteed herein is in default for more than fourteen (14) days, then UBCP shall be entitled to deliver to the Guarantor a formal demand in writing outlining the specific sum involved and particulars of the default. On receipt of such demand, the Guarantor will forthwith pay to UBCP the sum set out in such notice. Within five (5) days of such dispute being resolved, UBCP will refund to the Guarantor any sums determined to be in excess of what was owing by the Producer, along with accrued interest.

3. UBCP shall have the unilateral right to terminate this Agreement and revert to the requirements of Article A417(b) or (c) of the BCMPA if the payment of any amount guaranteed herein is in default for more than fourteen (14) days after the Guarantor has been served with the demand provided for in Paragraph 2 herein.
4. The Guarantor shall be released from the guarantee given herein and all obligations resulting therefrom on the sooner of delivery to UBCP of a Security Agreement, (in the form of Appendix "J"), or a Purchaser's Assumption Agreement (in the form of Appendix "H") or a Distributor's Assumption Agreement (in the form of Appendix "I") from an Approved Distribution Guarantor pursuant to Article A417(e).
5. The termination of this Agreement by UBCP pursuant to paragraph 3 herein shall in no way annul, terminate, or otherwise affect the obligations of the Guarantor with respect to any amounts accruing prior to the date of such termination by UBCP, subject to paragraph 4 herein.
6. If UBCP terminates this Agreement pursuant to paragraph 3 herein, the Producer shall, within forty-eight (48) hours of receipt of written notice of such termination, post security in the form of a cash deposit or letter(s) of credit in accordance with Article A417(a) of the BCMPA. If there is any dispute as to the amount owing by the Producer, or whether any amount is owing at all, the Producer will nevertheless pay the sum set out in such notice to UBCP in trust, and UBCP will hold such sum in trust in an interest bearing account. Within five (5) days of such dispute being resolved, UBCP will refund to the Producer any sums determined to be in excess of what was owing by the Producer, along with accrued interest.

In witness whereof the Parties hereto have executed this Agreement as of the date hereinabove firstly mentioned.

1. On Productions that are providing hair and makeup services to Performer(s), if a Producer determines it is unable to provide hair and/or make-up professionals with the appropriate skill set, equipment or products to work with the Performer, subject to the prior approval by the Producer, costs of hair and/or make-up services shall be reimbursed and time spent receiving hair and/or makeup services shall be paid in accordance with this Letter of Understanding.
2. 5. For the purpose of this Letter of Understanding, the term “Performer” does not include Background Performers.
6. This measure shall be in place while the Parties work towards bolstering the talent pool of hair stylists and makeup artists who can service all Performers on set. In the final year before the expiry of the BCMPA, the Parties will reconvene to evaluate the progress of this initiative and discuss required updates to Appendix “U” for the next iteration of the BCMPA.

and
the Canadian Media Producers Association – BC Producers Branch and the Canadian Affiliates
of the Alliance of Motion Picture and Television Producers
(hereinafter “CMPA-BC/AMPTP”)

UBCP and the CMPA-BC/AMPTP (collectively the “Parties”) agree to the following:

1. Should the Producer request changes to the Background Performer’s natural hair texture or current textured hairstyle, the Background Performer shall advise the Producer if such changes shall require in excess of thirty (30) minutes of self-styling or styling by a third-party service provider. This Hair and Makeup Bulletin was jointly issued by UBCP/ACTRA, the CMPA-BC and the AMPTP in December 2021. This Bulletin is included as an Appendix to the BCMPTA for reference only. The terms of this Bulletin are understood to be jointly endorsed best practices and are not terms or conditions of the BCMPTA.

Bulletin Regarding the Provision of Hair and Makeup Services to Performers

The Alliance of Motion Picture and Television Producers (AMPTP), the Canadian Media Producers Association - BC Producers Branch (CMPA-BC), and the Union of BC Performers (UBCP/ACTRA) are committed to safe and respectful worksites, and an industry free of discrimination.

In an effort to advance the above principles, the AMPTP, CMPA-BC and UBCP/ACTRA have agreed to the issuance of this bulletin relating to when Producers are providing hair and makeup services on set to Performers, and specifically when providing hair and makeup services to Black, Indigenous, and People of Colour Performers:

- Where appropriate, and as early as reasonably practicable, the Hair and Makeup Heads of Department should seek to ensure their crew members are experienced in meeting the hair and makeup needs of Black, Indigenous, and People of Colour Performers engaged on the production.
- Where appropriate, Heads of Department should ensure, as early as reasonably practicable, that proper hair and makeup equipment and products necessary to meet the needs of Black, Indigenous, and People of Colour Performers engaged on the production are available, for example, with respect to makeup shades, hair products, tools and other styling considerations.
- Where the proper skill set, equipment or products necessary to meet the needs of Black, Indigenous, and People of Colour Performers engaged on the production are not available on-set, Producers should consult, as appropriate, with the Performer, Head of Department and/or the applicable union/guild with respect to accessing other qualified stylists and artists, or other alternate means of providing appropriate hair and makeup services to Black, Indigenous, and People of Colour Performers.
- An open and constructive dialogue between all parties should be developed to ensure that the hair and makeup needs of Black, Indigenous, and People of Colour Performers are included in the overall assessment of hair and makeup services, when hair and makeup services are being provided by the Producer. Performers are encouraged to bring issues forward to the Producer representative on set in the event hair and makeup needs are not being adequately met.
- Producers are encouraged to make this bulletin available to Performers.
- Producers should ensure that a copy of this bulletin is distributed to the appropriate production personnel at their company.

The AMPTP, CMPA-BC, and UBCP/ACTRA will continue to work alongside other industry stakeholders to continue to advance the goals of equity, diversity, inclusion and belonging.

UBCP/ACTRA members are encouraged to reach out to UBCP/ACTRA representatives if they have questions or concerns. COMMITTEE FOR AN ENQUIRY INTO BACKGROUND CASTING AND ENGAGEMENT PROCESS

During the 2025 negotiations for the British Columbia Master Production Agreement (the “Agreement”), the Union, on the one hand, and the CMPA-BC and the AMPTP, on the other hand (hereinafter the “Parties” for purposes of this Appendix “X”), acknowledged that there are some casting and engagement practices in relation to Background Performers that both Parties do not support. The Parties discussed a variety of issues and agreed that solutions to these issues, while necessary, are not simple, and require further discussion with Casting Directors and others. Therefore, in the spirit of progressive collaboration and in an effort to create concrete solutions, the Parties agree to establish a Committee with the following mandate:

1. The Committee will review and make recommendations to the Parties in respect of the following aspects of the background casting process:
 - (a) the engagement process of General Background Performers;
 - (b) the engagement process of Stand-Ins;
 - (c) concerns raised in respect of allegations of “do not hire” lists;
 - (d) concerns raised in respect of practices surrounding availability enquiries; and
 - (e) any other concerns or specific complaints that are brought to the attention of the Committee in regard to the casting of Background Performers.
2. In addition, the Committee shall have as a central focus the development of a “Best-Practices” reference document for Background Performer casting and engagement.
3. Members of the Committee (at a minimum) shall be as follows:
 - two (2) representatives of the Union; and
 - two (2) representatives of the Producers’ Associations, one (1) from the CMPA-BC and one (1) from the AMPTP.

The Parties shall, at their discretion, invite Background Casting Directors, Background Performers, Background Agents and Producers to attend meetings of the Committee.

4. Additional representatives from the Union or the CMPA-BC and the AMPTP may also attend as observers at these sessions. All costs associated with the operation of the Committee shall be shared equally between the Union, on the one hand, and the CMPA-BC and the AMPTP, on the other hand.
5. The Committee shall meet at least quarterly (or as otherwise determined by the Committee), in a place to be determined by the Committee.
6. The Committee shall determine its own process. It shall have the right to offer confidentiality to persons who make representations or appear before it.

Re: C410

Dear John:

This will confirm the understanding of the bargaining parties with respect to the calculation of the proportion of Distributor's Gross Revenues payable to UBCP for ratable distribution to UBCP Performers where a portion of the cost of Performers is not covered under the UBCP Agreement. The amount payable to such Performers entitled to share therein under Section C of the UBCP Agreement shall be determined as follows:

A. Units will be assigned to Performers entitled to participate as follows:

(1) Time Units

With respect to each Performer, units for time worked shall be computed as follows:

Each day = one-fifth (1/5) unit
Each week = one (1) unit

No more than five (5) time units may be credited to any Performer.

(2) Salary Units

With respect to each Performer, units for total compensation received from the Production, less the Use Fees paid to the Performer shall be credited as follows:

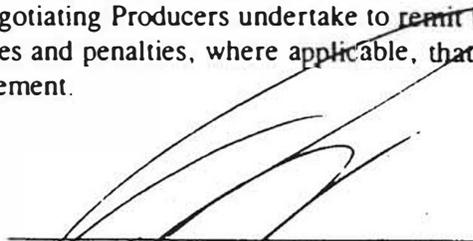

- (a) Actor Category Performers: Each multiple of the Actor daily scale equals one-fifth (1/5) unit. A fraction of daily scale, when more than one-half (1/2), shall be credited as another one-fifth (1/5) unit.
- (b) Principal Actor Category Performers: Each multiple of the Principle Actor daily scale equals one-fifth (1/5) unit. A fraction of daily scale, when more than one-half (1/2), shall be credited as another one-fifth (1/5) unit.
- (c) Actor Category Performers on a Weekly Contract: Each multiple of the Actor weekly scale equals one (1) unit. A fraction of a multiple, when more than one-half (1/2) of weekly scale, shall be credited as another weekly unit.

Sideletter
Page Two
As of August 16, 1999

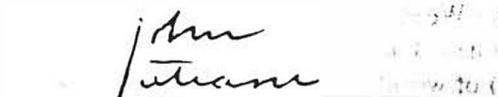

- (d) Principal Actor Category Performers on a Weekly Contract: Each multiple of the Principal Actor weekly scale equals one (1) unit. A fraction of a multiple, when more than one-half (1/2) of weekly scale, shall be credited as another weekly unit.
- (e) No more than ten (10) salary units may be credited to any performer.
- (f) If records reflecting the actual Use Fees paid to individual Performers are not reasonably available to the Producer, then the total compensation may be calculated by taking the Prepayment percentage paid at the time of Production and deducting such percentage from the total compensation.
- B. The amount payable to UBCP for ratable distribution to UBCP Performers shall be prorated on the basis of the proportion which the salary and time units for Performers covered by the UBCP Agreement bear to the total Performers' salary and time units for the picture. If records reflecting time worked are not reasonably available, then the aforementioned proration may be based on salary units alone.
- C. With the first remittance of Use Fees in accordance with the aforementioned proration formula the Negotiating Producers shall provide UBCP with a complete breakdown showing the units earned by individual Performers working under a UBCP collective agreement, and the units earned by any individual Performers not covered by a UBCP collective agreement.

It is understood that the UBCP and the Negotiating Producers will settle any past claims under Section C in their entirety in accordance with the foregoing proration formula. It is recognized that the Producers (Distributors) may have overpaid under the 6% of Net Producers Revenue formula and, therefore, may be entitled to an offset. The Negotiating Producers undertake to remit to the Union, in an expeditious manner, any outstanding Use Fees and penalties, where applicable, that are owing to Performers covered by a UBCP collective agreement.

Re: Rest Between Days

Dear Tracey:

During the negotiations for the 2003 Union of British Columbia Performers Master Production Agreement, the UBCP proposed to increase the rest between work days from ten (10) hours to eleven (11) hours. In making this proposal, the UBCP argued that long work days are tiring and stressful for performers, and that the stress is compounded when performers are required to work long hours on consecutive days and weeks of employment. The UBCP noted that long work days are particularly problematic for television series regular performers and for performers who are required to wear extensive prosthetic make-up.

While the Producers did not agree to the UBCP's proposal to increase the ten (10) hour rest period, the Producers did agree to provide the UBCP with a "Comfort Letter" relating to rest between days.

The Producers agree that it is not in the best interests of the Producers and the performers when long days are repeatedly worked on a production. However, long days are often unavoidable. When consecutive long work days are required, the Producer will consider the request of a performer to change the performer's call time. However, it is within the sole discretion of the Producer to grant the performer's request and the decision of the Producer may not be challenged by the performer or the UBCP in any forum.

Lastly, the Producers confirm that under A409, "Right to Negotiate Above Minimum Terms," a Performer may negotiate with a Producer for better terms and conditions. Said terms and conditions may include rest periods.

Sincerely,

 Nicholas Counter III

Re: Confirmation Regarding the Calculation of Permit Fees Under A601 and No Recourse
 Against the Producer

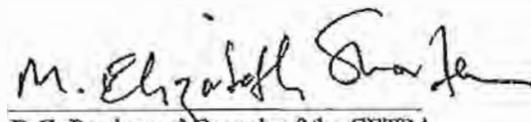

Dear Mercedes:

During the negotiations for the 2003 Union of British Columbia Performers Master Production Agreement, the bargaining parties confirmed that under A601, work permits are paid on a weekly basis and not on a weekly *and* episodic basis. The bargaining parties also confirmed that when a non-Canadian Performer works more than one (1) week on a theatrical motion picture, movie-of-the-week, mini-series or television series, the higher work permit fee is paid only for the first week of production. *E.g.*, under A601(a)(iii), if a Performer appears in multiple episodes of a series, the work permit fees for such episodes are two hundred twenty-five dollars (\$225) for the first week and one hundred seventy-five dollars (\$175) for each subsequent week of the series in which the Performer appears. This relates to all Performers who appear in an episode(s) of the series and is not limited to series regulars and Performers with recurring parts.

In addition to the foregoing, as a more general matter with respect to the payment of permit fees under A601(a)(i) and D303, the bargaining parties confirmed that the UBCP has no recourse against the Producer when Performers do not remit permit fees to the Union.

Sincerely,

Union Representative
Union of B.C. Performers

Dear Sirs/Mesdames:

Re: Comfort Letter/D301 and D303

This Comfort Letter addresses two (2) provisions of the 2003 British Columbia Master Production Agreement, Section D301, "Preference of Engagement", and Section D303, "Permit Fees", which were modified by the bargaining parties in the recent negotiations.

First, with respect to Section D301, "Preference of Engagement", this will acknowledge receipt of your letter dated January 20, 2003.

For clarity, we confirm that, in recent bargaining, the UBCP asked the Negotiating Producers to voluntarily recognize the UBCP as representative of background extras. The position of the Negotiating Producers was and is that they do not voluntarily recognize the UBCP's representation of background extras.

The UBCP then sought to negotiate a "third tier of preference of engagement" on behalf of background extras who are members of the UBCP ("UBCP Extra Members"), after producers extend preference of engagement to UBCP Performers and Apprentices pursuant to Article "D" of the B.C. Master Production Agreement. The Negotiating Producers agreed to this request based upon the UBCP's confirmation that this preference applies only with respect to Qualified Background Performers *i.e.*, the first fifteen (15) Background Performers in a particular Production on a particular day (or the first twenty-five (25) Background Performers on a theatrical motion picture with a production budget of twenty million dollars (\$20,000,000)). The UBCP agreed that this modification would not be relied upon as evidence or argument of any change from the Negotiating Producers' position that they have not and do not grant voluntary recognition to the UBCP representation of background extras.

Second, with respect to Section D303, "Permit Fees", after the conclusion of negotiations, the UBCP requested that the Negotiating Producers revise Section D303 to include UBCP Extra Members, so that the UBCP would be able to collect permit fees from UBCP Extra Members who are engaged as Qualified Background Performers under Section D303 and Section D501,

"Minimum Number of Qualified Background Performers Required", *i.e.*, the first fifteen (15) Background Performers in a particular Production on a particular day (or the first twenty-five (25) Background Performers on a theatrical motion picture with a production budget of twenty million dollars (\$20,000,000)).

The Negotiating Producers agreed to the UBCP's request on the same basis that the Producers agreed to the UBCP's request to modify Section D301, namely, based on the UBCP's agreement that this modification would not be relied upon as evidence or argument of any change from the Negotiating Producers' position that they have not and do not grant voluntary recognition to the UBCP representation of background extras.

There were no other agreements, representations or warranties with respect to any of the foregoing issues in recent bargaining or in post-bargaining meetings, conversations, or processes.

Sincerely,
On behalf of the Negotiating Producers

Dear Mr. Counter:

In our recent round of bargaining, the UBCP negotiated changes to the work permit language and procedures for Canadian non-members (Article A601). In this article it was agreed that UBCP shall have the discretion for setting and modifying those work permits issued for Canadian non-members. As was discussed at bargaining, these work permits are paid by the performer and are deducted from wages paid.

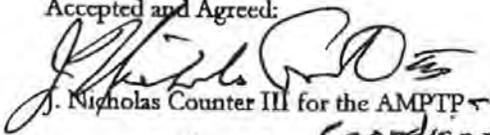

We have determined that for ease of administration, the language pertaining to the authorization of the permit deduction should be contained on the individual performer contract, which is currently Appendix E of the collective agreement. The Union wishes to confirm that notwithstanding the inclusion of the performer contract as an appendices, the UBCP retains the right (with 60 days notice to the producers and payroll companies) to modify the amounts for the permits noted on the contract. Additionally, we are confirming that the inclusion of the language on the contract will suffice as a work permit form per the new language in the agreement.

If this reflects your understanding regarding the administration of these matters, please indicate your acceptance below.

Re: Furnishing of Scripts

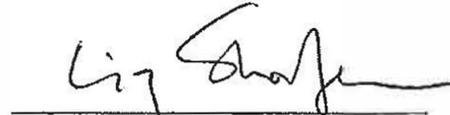

Dear Mercedes:

Reference is made to the provisions of Article A407 and A414(a)(ix), concerning the furnishing of scripts to the Union of British Columbia Performers ("UBCP"). This Sideletter confirms the understanding of the parties as to the manner in which these provisions will be implemented during the term of the 2009-2012 British Columbia Master Production Agreement.

Both the Producers and the UBCP acknowledge that it is often necessary to maintain the confidentiality of a script. Recognizing that to be the case, the UBCP agrees that any request for all or any portion of a script shall be directed only to the designated labor relations representative for the production and that each Producer shall have the absolute right, under the aforementioned provisions, to withhold from the UBCP any script because of confidentiality considerations. The Producer shall advise the UBCP if the script is not furnished in accordance with the UBCP's request to do so pursuant to these contractual provisions because of confidentiality considerations.

Re: Settlement of the Past

The following shall apply to any "conventional" Production produced under the 2007, 2009, 2012 or 2015 UBCP Master Production Agreements between April 1, 2007 and March 31, 2018 which has heretofore been released or is hereafter released in "New Media," as that term is defined in the 2018–2021 BCMPA. For greater clarity, the foregoing shall include all Productions that commenced principal photography prior to and continue beyond April 1, 2018 including, in the case of a Series, all episodes of the season (including the Pilot Program, if any) that began principal photography prior to April 1, 2018 as well as all episodes of the same season that began principal photography on or after April 1, 2018.

- i. For any such Production released in New Media, Producer shall pay 3.6% of Distributors' Gross Revenue, as that term is defined in C407 of the 2018–2021 BCMPA, earned from New Media Use of the Production following expiration of the Prepayment period or recoupment of the Advance.
- ii. Any Producer that has paid for New Media Use during the Prepayment period or before recoupment of the Advance shall be entitled to a credit equal to the amount paid to UBCP for New Media Use of the Production based on revenue earned during the Prepayment/Advance period. This credit may be applied to amounts due for any other Use of the Production.

Notwithstanding the foregoing, any Producer who elected the Prepayment option and, pursuant to an enabling request granted by the Union, paid an additional five percent (5%) of Performers' Net Fees for New Media Use shall not be entitled to a credit of the additional amounts so paid.

- iii. In lieu of making payments for New Media Use under the provisions of the aforementioned UBCP Master Production Agreements, Producer shall be obligated to make payments pursuant to this Settlement Agreement as described above. Compliance with this Settlement Agreement shall fully discharge Producer's obligations to make payments for New Media Use under the aforementioned Master Production Agreements.

- iv. All Producer payments due in connection with this Settlement Agreement shall be made by June 30, 2018 after which interest on such payments shall accrue at a rate of prime (based on the Bank of Canada rate on June 30, 2018) plus one percent (1%) annually.

Re: Treatment of Programs with a Declared Use of Television or New Media When Initial Exhibition is on a Different Television or New Media Platform

During the 2021 negotiations, the parties discussed application of the prepayment options in Article C3 and Section R204(b) of Appendix R when a Program with a Declared Use (as provided under Article C101) of television (i.e., Free Television, Cable TV or Pay Television) or New Media is instead initially exhibited on a different television or New Media platform than its Declared Use.

To resolve the complexity and uncertainty that arises in these circumstances, the parties agree that in the event a Producer elects to pay one hundred ten percent (110%) of the Performers' Net Fees under the prepayment option in Article C3 or Section R204(b) of Appendix R for a Program with a Declared Use of television or New Media, and the Program is initially exhibited on a different television or New Media platform than its Declared Use under C101, the prepayment terms that will apply to the Program will be the terms associated with the platform of initial exhibition.

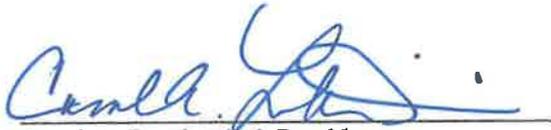

For example, say that a Producer produced a Program that, at the time of contracting Performers, had a Declared Use of New Media (specifically, on a subscription consumer pay New Media platform). The Producer elected to prepay one hundred ten percent (110%) of the Performers' Net Fees for unrestricted worldwide use in all media enumerated in C101, excluding Theatrical, under Section R204(b) of Appendix R. However, the Program has its initial exhibition on Pay Television instead of the subscription consumer pay New Media platform. Because the Program had its initial exhibition on Pay Television, the prepayment terms in Article C301(f) apply instead of the terms in Section R204(b), so that the prepayment now covers four (4) years of use instead of five (5) years. If the same Program had instead had a Declared Use of Pay Television, but an initial exhibition on a subscription consumer pay New Media platform, the one hundred ten percent (110%) would now cover five (5) years of use under Section R204(b) instead of four (4) years under Article C301(f).

If a Program with a Declared Use of television or New Media is initially exhibited on more than one television and/or New Media platform on the same calendar day and the one hundred ten percent (110%) prepayment covers different periods of time under the prepayment terms applicable to those platforms (i.e., four (4) years versus five (5) years), the prepayment terms applicable to that Program shall be those that provide for a period of four (4) years.¹

¹ For clarity, Programs with a Declared Use of New Media that are made for initial exhibition on HBO Max and which have their initial exhibition on HBO Max are not subject to this paragraph.

In the event that a Program is initially exhibited on a different television or New Media platform than its Declared Use, which results in a change in the applicable prepayment terms, the Producer will notify the Union of the television or New Media platform on which the Program has its initial exhibition no later than ninety (90) days after its initial exhibition.

The terms of this Sideletter do not apply to promotional exhibitions of up to three (3) Episodes of a Series, nor to up to two (2) parts of a Mini-Series (but not more than one-third (1/3) of the total number of parts), on a different platform than its Declared Use. For purposes of this Sideletter, a promotional exhibition refers to an exhibition of no more than seven (7) consecutive days if the promotional exhibition is on a New Media platform, and no more than two (2) runs if the promotional exhibition is on a television platform.

Re: HBO Max

During the 2021 negotiations, the parties discussed a New Media over-the-top ("OTT") platform called 'HBO Max' ("Max"). The following confirms the parties' agreement concerning the application of the B.C. Master Production Agreement ("BCMPA") to Max.

Max offers over-the-top delivery of HBO's Pay Television service and carries all of that service's programming. Max also offers motion pictures and programs initially exhibited in theatrical and television markets (such motion pictures and programs will be referred to as "Library Content"). Finally, Max offers original New Media Productions made for initial exhibition on Max.

Based on the foregoing facts, the parties reached the following understanding:

1. All Programs, including Library Content, made available or exhibited on HBO's Pay Television service and, therefore, made available on Max shall be treated as part of Pay Television Use pursuant to Article A357(c).
2. Programs Made for HBO: The exhibition on Max of Programs with a Declared Use of Pay Television which have their initial exhibition on HBO's Pay Television service shall be subject to Article A357(c) (*i.e.*, the availability of the Program on Max shall be considered part of Pay Television Use).
3. Library Content: Except as provided in Paragraph 1 above, exhibition of Library Content on Max shall be considered New Media Use.
4. Programs Made for Max: The exhibition on Max of Programs with a Declared Use of New Media which have their initial exhibition on Max shall be considered New Media Use.

The parties recognize that Max is a new and emerging platform, and that its business model is subject to change. Therefore, the provisions of this Sideletter shall expire on the termination date of the 2021 BCMPA and will be of no force and effect thereafter; however, this Sideletter shall continue to apply to Programs, the principal photography of which commenced on or before the termination date of this Sideletter, or which were subject to a license agreement entered into on or before the termination date of this Sideletter.

Re: Accessible Sets Committee

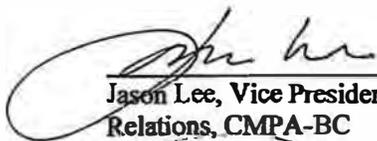

1. The parties agree to strike a committee to discuss accessible sets. The mandate of the committee is to issue any appropriate interpretive or advisory bulletins to the industry on this issue, and any other appropriate steps to make progress on creating accessible sets.
2. The committee will be comprised of equal members and staff of the Union and the Negotiating Producers, as well as other industry stakeholders that may be invited to participate, as appropriate and mutually agreed upon.
3. The committee shall meet at least two times a year, in a manner to be determined by the committee. The committee shall have its first meeting by July 31, 2025.
4. The parties agree that the committee may be conducted on a joint basis with the Accessible Sets Committee established under the 2025-2028 ACTRA Independent Production Agreement (subject to approval by the CMPA, AQPM and ACTRA).
5. The Union and the Negotiating Producers shall each bear its/their own costs associated with the operation of the committee.

Re: IMDb Credits

During the 2025 negotiations, UBCP discussed the importance to the advancement of Performers' careers of accurate credits appearing on the IMDb website, which is commonly used by Producers and casting directors for the purpose of verifying a Performer's previous work experience.

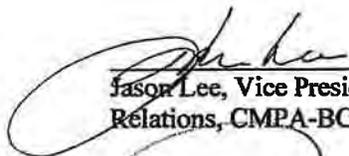

This will confirm that the Producer shall make reasonable efforts to assist a Performer engaged on a Production who is unable to obtain from other sources the corroborating information needed to correct or add a credit on IMDb.

Bulletin/Guidelines Regarding Extended Work Days

During the 2018 negotiations, the UBCP approached the Canadian Affiliates of the AMPTP and CMPA-BC with concerns regarding Performer fatigue. Specifically, the UBCP expressed concern that it may not be safe for Performers who are experiencing fatigue to drive home after an extended work day.

The UBCP presented to the Negotiating Producers a study prepared by Six Safety Systems that highlighted the following symptoms of fatigue:

- Momentary lapse of attention
- Slower reaction times
- Diminished steering performance while driving
- Difficulty focusing and concentrating

The Negotiating Producers reaffirm their commitment to the safety of Performers. To that end, they endorse the following guidelines, which set forth common sense measures to be considered when extended work days are necessary:

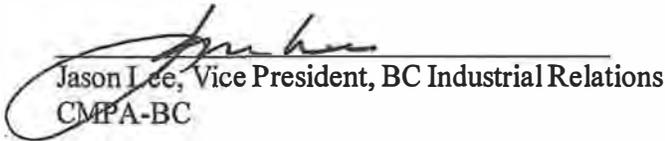

1. When an extended work day is necessary, the need for same shall be identified as far in advance as possible so that appropriate planning may occur.
2. Any Performer who believes that he/she is too tired to drive safely should notify an authorized representative of the Producer before leaving the set. Such request should be made for safety reasons and not for convenience. In that event, the Producer will find alternative means of transportation or provide a rest area or hotel room. Such request may be made without fear of reprisal and will not affect any future employment opportunities.
3. When an extended work day is necessary, appropriate beverages, such as water and caffeinated beverages, and easily metabolized foods or protein-based snacks should be consumed by Performers to maintain energy and alertness levels.
4. Performers should take steps to improve their quality of sleep as identified by the Actsafe Fatigue Recommendations.

To ensure that Performers are informed of the terms of these Guidelines, the AMPTP and CMPA-BC will undertake to distribute these Guidelines periodically to those member companies producing within the Province of British Columbia. In addition, should any questions arise with regard to these Guidelines, the UBCP should contact labour relations or a representative of the CMPA-BC.
